Dear Commission:

IRRC # 3324
Agency # 16A
ID# 4953

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

My Naturopathic Physician has taught me proper eating and introduced me to vitamin and other nutritional supplements. I am 75 years old and do not take any pharmaceutical drugs. I walk two miles every day and credit my ND for my continued good health.

Sincerely,

Madeline Miller
