Dear Commission:

I wholeheartedly support registration of Naturopathic Doctors in Pennsylvania. Registration of Naturopathic Doctors fortifies distinction of their education and training from an accredited naturopathic medical college by the Council on Naturopathic Medical Education (CNME). Registration further assures Pennsylvania residents their Naturopathic Doctor with the N.D. title has the competencies to practice in PA.

I have seen a Naturopathic Doctor for many years and they have helped me in innumerable ways. From dealing with inflammation to anxiety and weight loss. Naturopathic Doctors have been integral to my continued well-being.

Registration of Naturopathic Doctors will help consumers find qualified and trained professionals, and feel safe knowing that the field is regulated.

Sincerely,

Mark Filippone
