Title: Registration of Naturopathic Doctors

IRRC #: 3324

Agency #: 16A

ID#: 4953

Maryrose Smith- 619 Barry Drive, Springfield, PA 19064

I support registration of Naturopathic doctors because:they have provided supplements and natural remedies to aid me during my chemotherapy and radiation treatments for cancer. Naturopathic medicine has also aided me in managing my inflammatory conditions. (My primary MD missed never tested for deficiencies in vitamins and minerals identified in bloodwork performed by my naturopathic MD.)

Naturopathic medicines continues to complement my current pharmaceutical protocol.

Thank you,
Maryrose Smith
