Reference Title Registration of Naturapathic Doctors

IRRC# 3324

Agency# 16A

Good morning

I am a cancer patient, I have had many rounds of traditional Chemo Therapy, Surgery and 65 radiation treatments.

At this point traditional medicine has not been able to stop the progress of my cancer.

I have been seeing a Natrapath doctor for 9 weeks now. Not sure what is going on with the cancer (I am due for a scan next week) but i am feeling much better

Please pass this Bill

Thanks

Michael Giordano
