Dear Commission:

Prompts for letters/comments from ND's in PA:

ND care is important for consumers in PA - so that I can trust the provider has been well educated and trained, so that I can feel protected as a consumer knowing there is a system of oversight in place, ND's are doctors who spend time to help you know which natural therapies and modalities are safe and which are not safe.

Holistic care is important to me and my family.

Sincerely,

Maria O'Connell
