Re: Final Public Utility Commission Regulations de Bien

My dear Chairman McGinley:

Please be advised that on Monday, June 8, 1998, the Senate Consumer Protection and Professional Licensure Committee voted 7-4 to disapprove final PUC regulation #57-190, regarding Advanced Meter Deployment.

The Committee further noted no objections to the remainder of the electric regulations, 57-185, 57-187, 57-188, 57-191, 57-192 and 57-193.

As always, feel free to let me know if you have any additional questions about this Committee action.

Very sincerely yours,
