Dear Executive Director Nyce:

The expiration date of the public comment period for the above-named regulation was November 25, 1997. Accordingly, the Pennsylvania Public Utility Commission (PaPUC) is required to submit a final form regulation to your agency by no later than November 25, 1999, in order to go forward with promulgation of this regulation.

This correspondence is to inform you that the PaPUC has elected not to pursue promulgation of this regulation at this time. The PaPUC understands that should it wish to proceed with promulgation at a later date, a new proposed regulation must be published in accordance with the Commonwealth Documents Law.

I hope this information is of assistance to you. If you have any questions, please do not hesitate to contact Sherri DelBiondo, Regulatory Coordinator, at 772-4597.

Sincerely,

A handwritten signature in black ink, appearing to read 'Barbara Bruin'. The signature is stylized with large, bold letters and a long horizontal flourish at the end.
