Dear Colleague:

Enclosed is the report of the Select Subcommittee on House Resolution No. 127.

While the scope of the subcommittee's activities was narrowed to the responsibilities outlined by House Resolution No. 127, the production of this report marks the beginning, not the end, of the process of improving and further exploring Pennsylvania's child protective services system.

We share a joint responsibility in this task, and I look forward to working with you in the quest to protect vulnerable, at-risk children.

Sincerely,

A handwritten signature in cursive script that reads "Katie True".

Select Subcommittee on House Resolution No. 127
