Re: IRRC Regulation 17-62  
Pennsylvania State Police  
Municipal Police Officers Education and Training Commission  
Administration of the Program

Dear Director Nyce:

The Independent Regulatory Review Commission (IRRC) has suggested revisions to Section 203.11(B)(1) (relating to waiver of certification qualifications for municipal police) of the final form regulation #17-62. The IRRC suggests that the Sub-section be revised to make it consistent with Sub-section 203.11(B)(2) (relating to waiver of certification requirements for State Police). See *Enclosed*. This final form regulation was submitted for your review on July 17, 2000.

In accordance with Section 5(g) of the Regulatory Review Act I am respectfully requesting that the time for review of the regulations be tolled to enable the Municipal Police Officers Education and Training Commission to meet to consider adopting the revisions suggested by the IRRC.

Sincerely,

A handwritten signature in black ink, appearing to read 'Col. Paul J. Evanko'.

Colonel Paul J. Evanko  
Commissioner
