**RE: Final Regulations of the State Board of Landscape Architects  
Pertaining to Continuing Education (16A-612)**

Dear Chairman McGinley:

The State Board of Landscape Architects is withdrawing these final form regulations at this time. The Board plans to make amendments to the regulations regarding Board disapproval of continuing education courses. The Board has chosen to withdraw as the tolling option is not available; the House Professional Licensure Committee approved the regulation on December 7, 1999. The Board will resubmit the revised final form regulation as soon as possible.

Sincerely,

David M. DuTot, LA, Chairman  
State Board of Landscape Architects
