Regulation No. 6-261
State Board of Education
College and University Security

On July 9, 1998, the Independent Regulatory Review Commission (Commission) received this regulation from the State Board of Education. This rulemaking amends 22 Pa. Code Chapter 33. The proposed regulation was published in the July 25, 1998 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on August 22, 2000.

This regulation clarifies requirements for colleges and universities to develop and maintain crime logs, and to ensure public access to crime statistics and crime logs as required by Act 87 of 1994. It will make reporting consistent among colleges and universities.

We have determined this regulation is consistent with the statutory authority of the State Board of Education (24 P.S. §§ 2502-1 – 2502-5) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John R. McGinley, Jr., Chairman
