(8) Briefly explain the regulation in clear and nontechnical language.

The surplus lines insurance market is intended to provide coverage for "non-standard" or unique risks that do not fit the underwriting guidelines of insurers licensed to conduct business in the traditional market (admitted insurers). Surplus lines insurance may be procured through licensed surplus lines agents (surplus lines licensees) from insurers that appear on a list of eligible surplus lines insurers published by the Department. The surplus lines licensee may be contacted by the consumer or by another insurance broker (producing broker) who is dealing directly with the consumer.

Pennsylvania's surplus lines laws and regulations were adopted to establish a system of regulation that permits orderly access to surplus lines insurance in this Commonwealth with reputable and financially sound insurers and provides for adequate protections in the insurance marketplace. Pennsylvania's initial Surplus Lines Insurance Law (Act of January 24, 1966, 1965 P.L. 1509, No. 531) was replaced by Article XVI of the Insurance Company Law (the act)(40 P.S. §§ 991.1601 - 991.1625) in 1992. The purpose of this rulemaking is to replace the regulations adopted under the authority of the initial Surplus Lines Insurance Law with an updated regulation consistent with Article XVI of the act.

(9) State the statutory authority for the regulation and any relevant state or federal court decisions.

The regulation is adopted under the authority of Article XVI of the Insurance Company Law (40 P.S. §§ 991.1601 - 991.1625).

**Regulatory Analysis Form**

(10) Is the regulation mandated by any federal or state law or court order, or federal regulation? If yes, cite the specific law, case or regulation, and any deadlines for action.

No.

(11) Explain the compelling public interest that justifies the regulation. What is the problem it addresses?

This rulemaking is needed to implement Article XVI of the Insurance Company Law (40 P.S. §§ 991.1601 - 991.1625) enacted in 1992 and to enhance the efficiency of effectiveness of Pennsylvania's regulation of the surplus lines insurance market.

(12) State the public health, safety, environmental or general welfare risks associated with nonregulation.

There are no public health, safety, environmental or general welfare risks associated with this rulemaking.

(13) Describe who will benefit from the regulation. (Quantify the benefits as completely as possible and approximate the number of people who will benefit.)

Insurers and producers transacting surplus lines insurance in this Commonwealth will benefit by having clear standards for compliance with Article XVI of the act. Insurance consumers will benefit from the provisions for adequate notice, due process protections and requirements promoting the financial solvency of eligible surplus lines insurers. Insurers and producers doing business in the traditional (licensed) market will also benefit from protections afforded by the establishment of clear standards for the placement of risks in the surplus lines market. The regulation also serves to protect Commonwealth revenues by imposing bonding requirements on surplus lines licensees that are consistent with their obligations to remit premium taxes. Finally, the regulation enhances the Department's ability to monitor transactions in the surplus lines market.

**Regulatory Analysis Form**

(14) Describe who will be adversely affected by the regulation. (Quantify the adverse effects as completely as possible and approximate the number of people who will be adversely affected.)

No adverse effects are anticipated as a result of this regulation.

(15) List the persons, groups or entities that will be required to comply with the regulation. (Approximate the number of people who will be required to comply.)

Surplus lines agents, producing brokers and surplus lines insurers transacting business in this Commonwealth will be required to comply with the regulation. 146 insurers are on the Department's list of eligible surplus lines insurers. Approximately 275 resident corporations or individuals are licensed as surplus lines agents, and approximately 350 individuals have been granted certificates of eligibility to transact business for these licensees.

(16) Describe the communications with and input from the public in the development and drafting of the regulation. List the persons and/or groups who were involved, if applicable.

In drafting this regulation, the Department requested comments from the Pennsylvania Surplus Lines Association, surplus lines associations in 12 other states, The Insurance Federation of Pennsylvania, Inc., the Professional Insurance Agents Association, the Independent Insurance Agents of Pennsylvania and a number of firms appointed as United States contacts for alien surplus lines insurers. The comments received in response to the Department's request were considered in the development of the proposed rulemaking. In addition, the regulatory process provided for a 30-day public comment period subsequent to publication of the proposed rulemaking in the *Pennsylvania Bulletin*.

(17) Provide a specific estimate of the costs and/or savings to the regulated community associated with compliance, including any legal, accounting or consulting procedures which may be required.

The reporting, recordkeeping and qualification requirements in the regulation will impose no significant costs on the regulated community. The regulation will result in savings to the regulated community by eliminating costs associated with the filing and review of binding authority contracts.

**Regulatory Analysis Form**

(18) Provide a specific estimate of the costs and/or savings to local governments associated with compliance, including any legal, accounting or consulting procedures which may be required.

There are no costs or savings to local governments associated with this rulemaking.

(19) Provide a specific estimate of the costs and/or savings to state government associated with the implementation of the regulation, including any legal, accounting, or consulting procedures which may be required.

The regulation eliminates the costs associated with the Department's review of binding authority contracts. The rulemaking serves to protect Commonwealth revenues by establishing adequate bonding requirements for agents who are responsible for remitting the 3% tax on surplus lines premiums.

**Regulatory Analysis Form**

(20) In the table below, provide an estimate of the fiscal savings and costs associated with implementation and compliance for the regulated community, local government, and state government for the current year and five subsequent years.

	<b>Current FY Year</b>	<b>FY +1 Year</b>	<b>FY +2 Year</b>	<b>FY +3 Year</b>	<b>FY +4 Year</b>	<b>FY +5 Year</b>
<b>SAVINGS:</b>	\$	\$	\$	\$	\$	\$
<b>Regulated Community</b>	\$800	\$800	\$800	\$800	\$800	\$800
<b>Local Government</b>

<b>State Government</b>						
<b>Total Costs</b>						
<b>REVENUE LOSSES:</b>						
<b>Regulated Community</b>						
<b>Local Government</b>						
<b>State Government</b>						
<b>Total Revenue Losses</b>						

(20a) Explain how the cost estimates listed above were derived.

The measurable savings to the regulated community result from the elimination of the \$65 filing fee for binding authority contracts. There are no other significant measurable costs or savings associated with the implementation of the regulation.

**Regulatory Analysis Form**

(20b) Provide the past three year expenditure history for programs affected by the regulation. N/A.

Program	FY -3	FY -2	FY -1	Current FY

(21) Using the cost-benefit information provided above, explain how the benefits of the regulation outweigh the adverse effects and costs.

No significant costs are anticipated to be imposed on affected parties as a result of the regulation. The regulation will eliminate current costs associated with the filing of binding authority contracts. The regulation will benefit the regulated community by providing guidance in efforts to comply with Article XVI of the act. The insurance industry and the general public will benefit to the extent that adoption of the regulation enhances the efficiency and effectiveness of Pennsylvania's regulation of the surplus lines insurance market and promotes the financial solvency of surplus lines insurers transacting business in this Commonwealth.

(22) Describe the nonregulatory alternatives considered and the costs associated with those alternatives. Provide the reasons for their dismissal.

This rulemaking is the most efficient method to implement Article XVI of the act.

(23) Describe alternative regulatory schemes considered and the costs associated with those schemes. Provide the reasons for their dismissal.

This rulemaking replaces two outdated regulations. No other regulatory schemes were considered.

**Regulatory Analysis Form**

**(24) Are there any provisions that are more stringent than federal standards? If yes, identify the specific provisions and the compelling Pennsylvania interest that demands stronger regulation.**

No.

**(25) How does this regulation compare with those of other states? Will the regulation put Pennsylvania at a competitive disadvantage with other states?**

In developing the regulation, the Department researched and considered surplus lines insurance requirements in a number of other states and solicited input from surplus lines advisory organizations in 12 states. The regulation will not put Pennsylvania at a competitive disadvantage with other states.

**(26) Will the regulation affect existing or proposed regulations of the promulgating agency or other state agencies? If yes, explain and provide specific citations.**

No.

**(27) Will any public hearings or informational meetings be scheduled? Please provide the dates, times, and locations, if available.**

No public hearings or informational meetings are anticipated.

**Regulatory Analysis Form**

(28) Will the regulation change existing reporting, record keeping, or other paperwork requirements? Describe the changes and attach copies of forms or reports which will be required as a result of implementation, if available.

The regulation will eliminate paperwork requirements associated with the filing of binding authority contracts. The regulation will update reporting requirements associated with a search of the licensed market and will impose recordkeeping requirements on brokers who conduct that search. The current forms filed by surplus lines agents and producing brokers when placing coverage in the surplus lines market under Article XVI of the act will not be changed as a result of implementation of the regulation.

(29) Please list any special provisions which have been developed to meet the particular needs of affected groups or persons including, but not limited to, minorities, elderly, small businesses, and farmers.

None.

(30) What is the anticipated effective date of the regulation; the date by which compliance with the regulation will be required; and the date by which any required permits, licenses or other approvals must be obtained?

The regulation will take effect after approval by the legislative standing committees, the Independent Regulatory Review Commission and the Attorney General, and upon final publication in the *Pennsylvania Bulletin*.

(31) Provide the schedule for continual review of the regulation.

All Department regulations are reviewed for continued effectiveness on a triennial basis.

NOTICE OF FINAL RULEMAKING

INSURANCE DEPARTMENT

31 Pa. Code, Chapter 124  
Sections 124.1-124.10

SURPLUS LINES INSURANCE

## **PREAMBLE**

The Insurance Department (Department), by this Order, deletes Chapters 35 and 123 (relating to surplus lines agents) and adopts Chapter 124 (relating to surplus lines insurance) to read as set forth in Annex A. These regulations set forth duties and requirements relating to surplus lines agents, producing brokers and surplus lines insurers transacting business in this Commonwealth.

### **Purpose**

The surplus lines insurance market is intended to provide coverage for nonstandard or unique risks that do not fit the underwriting guidelines of insurers licensed to transact business in the market for standard or traditional insurance coverages (admitted insurers). Surplus lines insurance may be procured through licensed surplus lines agents (surplus lines licensees) from insurers that appear on a list of eligible surplus lines insurers published by the Department. A surplus lines licensee may place coverage as a result of being contacted directly by a consumer or in response to a request from another insurance broker (producing broker) who is dealing directly with the consumer.

The Commonwealth's surplus lines laws and regulations were adopted to establish a system of regulation that permits orderly access to surplus lines insurance in this Commonwealth with reputable and financially sound insurers and provides for adequate protections in the insurance marketplace. The Commonwealth's initial Surplus Lines Insurance Law (act of January 24, 1966, (1965) P.L. 1509) was replaced by Article XVI of the act in 1992. This rulemaking replaces the regulations adopted under the authority of the initial Surplus Lines Insurance Law with updated regulations consistent with Article XVI of the act.

### **Statutory Authority**

These regulations are adopted under the authority of Article XVI of the Insurance Company Law (act) (40 P.S. §§ 991.1601 - 991.1625).

### **Comments**

Notice of the proposed rulemaking was published at 28 Pa.B. 40 (October 3, 1998) with a 30-day public comment period.

No comments were received from the standing committees. Comments were received during the 30-day public comment period from the Alliance of American Insurers (Alliance); The Insurance Federation of Pennsylvania, Inc., (IFP) and from Senator Frank A. Salvatore on behalf of Martin G. Lane, Chairman of the Board of Aegis Security Insurance Company (Aegis). On November 12, 1998, comments were also received from the Professional Insurance Agents Association (PIA). The Independent Regulatory Review Commission (IRRC) submitted its comments and recommendations

to the Department on December 3, 1998. The following is a summary of the comments and the Department's response in its final rulemaking.

The Alliance and the IFP commented in support of the regulations as published in proposed form.

Aegis suggested that the regulation require notice to insureds that a non-admitted insurer is not licensed by the Department, is subject to limited regulation, and that losses would not be covered by the state guaranty fund in the event the insurer becomes insolvent. Section 1608 of the act (40 P.S. § 991.1608) requires surplus lines licensees to provide insureds with written notice when all or part of their insurance is placed with a nonadmitted insurer (an eligible surplus lines insurer or other insurer that is not authorized and not licensed to do business in this Commonwealth). The notice must be provided at the time an insured is presented with a quotation and must advise the insured that: (1) the nonadmitted insurer is not licensed by the Department and is subject to only limited regulation; and (2) losses will not be covered by the State guaranty fund in the event the insurer becomes insolvent. Section 124.2 (relating to notice to insured) requires the notice to be substantially similar in content to the language cited in section 1608 of the act and prominently printed on the first page of the quotation. In addition, section 1612 of the act (40 P.S. § 991.1612) requires substantially the same notice to appear on every evidence of insurance negotiated, placed or procured under Article XVI of the act. Therefore, the Department believes that the notice suggested by Mr. Lane is sufficiently addressed in the authorizing statute and section 124.2 of this final-form rulemaking.

The PIA and IRRC commented on provisions in Section 124.5(1)(i) (relating to diligent search of admitted insurers) of the proposed rulemaking concerning the producing broker's duty to make a diligent effort to procure the desired coverage from admitted insurers before having the coverage placed with an eligible surplus lines insurer. Section 1604(2) of the act (40 P.S. § 991.1604(2)) sets forth three criteria, at least one of which must be satisfied before a surplus lines licensee may place coverage with an eligible surplus lines insurer. Under section 1604(2)(i) of the act, the first criterion, permits placement of surplus lines insurance when the full amount or kind of insurance cannot be obtained from admitted insurers in this Commonwealth, if a diligent search has been made among the admitted insurers who are writing coverage comparable to the coverage being sought. Under section 1609(a)(1) of the act (40 P.S. § 991.1609(a)(1)), the second criterion, the declaration form prescribed, currently requires the producing broker (or the surplus lines licensee when acting as both the producing broker and the surplus lines licensee) to identify at least three admitted insurers which have declined to insure the risk. Under section 1609(a)(2) of the act (40 P.S. § 991.1609(a)(2)), the third criterion, the surplus lines licensee, is also required to file a written declaration of the licensee's lack of knowledge of how the coverage could have been procured from admitted insurers when coverage is placed under the diligent search criterion of the act.

Section 124.5(1)(i) of the proposed rulemaking would have permitted a producing broker with less than three agent appointments to obtain declinations from less than three admitted insurers when placing coverage in the surplus lines market under the diligent

search criterion. An agent appointment is a written agreement between an agent and an insurer under which the agent may solicit, negotiate, make or procure insurance coverages written by the insurer. See 31 Pa. Code, § 37.1 (relating to definitions.). IRRC commented that the proposed provisions for less than three declinations appeared to penalize brokers and agents with three or more appointments because they would be required to secure three declinations while brokers and agents with less than three appointments would be allowed to secure fewer declinations. The PIA also questioned the basis of the proposed provisions to tie the number of required declinations to the number of appointments but commented on the difficulties producing brokers or surplus lines licensees may face in obtaining declinations from admitted insurers with which they do not have agent appointments. IRRC recommended that the final-form regulation address what is required if a producing broker is unable to secure the required number of declinations. In response to these comments, the Department has amended Section 124.5(1)(i) in this final-form rulemaking to:

1. Delete the proposed provisions to base the number of required declinations on the number of agent appointments, and
2. Add a statement consistent with existing requirements to provide that a diligent effort to procure the desired coverage from admitted insurers shall have been made if the producing broker declares on the form prescribed under section 1609(a)(1) of the act (40 P.S. § 991.1609(a)(1)) that at least three admitted insurers have declined to insure the risk.

The amendment will retain Pennsylvania's historic requirement that producing brokers obtain at least three declinations when placing coverage under the diligent search criterion of the act. At least 42 other states specifically require a diligent search as a condition for placing coverage in the surplus lines market, and at least 11 of those states require a minimum of three declinations to evidence a diligent search. In addition to being a nationally recognized approach to diligent search requirements, the standard requirement for three declinations applies equally to all producing brokers transacting business in the surplus lines market. The historic requirement for three declinations also provides for stronger consumer protection by establishing a uniform minimum standard for the degree of diligence performed by producing brokers when searching the admitted market for available coverages. Under § 124.6 (relating to export list coverages) a diligent search will not be required when placing coverages that appear on the most recent export list of coverages recognized as generally unavailable from admitted insurers. Additionally, a diligent search is not required when placing coverage for a risk that requires a unique coverage not available from admitted insurers. Further, Section 124.5(1)(iv) will permit a producing broker to assume that an admitted insurer has declined to write a risk if the insurer fails to respond within 5 business days. Surplus lines insurers are subject to limited regulation by the Department, and policyholders are not protected by the Pennsylvania Property and Casualty Insurance Guaranty Association in the event of the insolvency of a surplus lines insurer. Therefore, the criteria in Section 1604(2) of the act and the requirements of these final-form regulations are intended to

permit orderly access to surplus lines insurance in this Commonwealth while providing for adequate consumer protections.

Section 124.5(1)(ii) of the proposed regulations required a producing broker who obtained less than three declinations in conducting a diligent search of the admitted market to attach to the prescribed declaration form a notarized statement affirming the number of agent appointments held by the broker. The PIA commented that this requirement was unnecessary, cumbersome and expensive and recommended it be deleted in the final-form rulemaking. IRRC noted that the purpose of the statement was to affirm the number of appointments held by a broker who obtained less than three declinations, but asked the Department to explain why the statement needed to be notarized. Since the Department has deleted the companion provision in Section 124.5(1)(i) that based the minimum number of required declinations on the number of agent appointments, Section 124.5(1)(ii) is no longer needed and has also been deleted in this final-form rulemaking.

IRRC suggested that the requirements for declinations in Section 124.5(3) of the proposed regulations be included under the provisions of Section 124.5(1) to improve the clarity of the regulation. In response to IRRC's comment, the Department has included the provisions of Section 124.5(3) and (4) of the proposed regulations under Section 124.5(1) in this final-form rulemaking.

Finally, the Department amended Section 124.10(c)(2) (relating to eligible surplus lines insurer filing requirements) to change the word *insurer* to *insure*. The change was made to correct a typographical error in the proposed rulemaking.

### **Fiscal Impact**

#### *State Government*

Department costs associated with the review of applications and reports filed under Chapter 124 will not increase as a result of this final-form rulemaking. The chapter eliminates current costs imposed on the Department and regulated parties related to the filing and review of binding authority contracts. The chapter will serve to enhance the protection of Commonwealth revenues by imposing minimum bonding requirements consistent with premium tax liability.

#### *General Public*

While the chapter has no immediate fiscal impact on the general public, the general public will benefit to the extent that adoption of the chapter enhances the efficiency and effectiveness of the Commonwealth's regulation of surplus lines insurance under Article XVI of the act.

### *Political Subdivisions*

The chapter has no impact on costs to political subdivisions.

### *Private Sector*

The reporting, record keeping and qualification requirements in Chapter 124 will impose no significant costs on surplus lines licensees, producing brokers or surplus lines insurers transacting business in this Commonwealth.

### **Paperwork**

Chapter 124 eliminates filing requirements related to binding authority contracts. The chapter requires producing brokers to maintain records to demonstrate that a diligent search of licensed insurers was made before placing coverage in the surplus lines market. These record keeping requirements provide guidance to producing brokers in efforts to conduct a proper search of the licensed market and enhance compliance with the statutory conditions that must be met before coverage is placed in the surplus lines market. The requirements also enhance the Department's ability to monitor transactions in the surplus lines market.

### **Persons Regulated**

This final-form rulemaking applies to all surplus lines agents, producing brokers and surplus lines insurers transacting business in this Commonwealth.

### **Contact Person**

Questions or comments regarding this final-form rulemaking may be addressed to Peter J. Salvatore, Regulatory Coordinator, Office of Special Projects, 1326 Strawberry Square, Harrisburg, Pennsylvania 17120, telephone number (717) 787-4429. Questions or comments may also be e-mailed to [psalvato@ins.state.pa.us](mailto:psalvato@ins.state.pa.us) or faxed to (717) 705-3873.

### **Regulatory Review**

Under Section 5(a) of the Regulatory Review Act (71 P.S. §745.5(a)), the agency submitted a copy of this regulation on September 23, 1998 to the Independent Regulatory Review Commission and to the Chairpersons of the Senate Committee on Banking and Insurance and the House Insurance Committee. In addition to the submitted regulation, the agency has provided the Commission and the Committees with a copy of a detailed Regulatory Analysis Form prepared by the agency in compliance with Executive Order 1996-1, "Regulatory Review and Promulgation." In compliance with section 5(c) of the Regulatory Review Act (71 P.S. §745.5(c)), the Department also provided IRRC and the Committees with copies of the comments received. A copy of that material is available to the public upon request.

This final form regulation was (deemed) approved by the Senate Committee on Banking and Insurance on \_\_\_\_\_ and (deemed) approved by the House Insurance Committee on \_\_\_\_\_ in accordance with section 5a(d) of the Regulatory Review Act (71 P.S. §745.5a(d)). IRRC met on \_\_\_\_\_ and (deemed) approved the regulation in accordance with section 5a(e) of the Regulatory Review Act (71 P.S. §745.5a(e)).

### **Findings**

The Insurance Commissioner finds that:

(1) Public notice of intention to adopt this rulemaking as amended by this order has been given under sections 201 and 202 of the act of July 31, 1968 (P.L. 769, No. 240)(45 P.S. §§ 1201 and 1202), and the regulations thereunder, 1 Pa. Code §§ 7.1 and 7.2.

(2) The adoption of this rulemaking in the manner provided in this order is necessary and appropriate for the administration and enforcement of the authorizing statutes.

An executed copy of the instrument delegating binding authority shall be maintained by both the surplus lines licensee delegating binding authority and the surplus lines licensee to whom the authority is delegated in their offices in this Commonwealth. The copy shall be available at all reasonable times for examination by the Department without notice for at least 5 years following termination of the contract.

**§ 124.4. Evidence of insurance.**

(a) Section 1612 of the act (40 P.S. § 991.1612) requires the surplus lines licensee, upon placing surplus lines insurance, to deliver the contract of insurance to the insured or to the producing broker. **§ 124.5. Diligent search of admitted insurers.**

Under section 1604(2)(i) of the act (40 P.S. § 991.1604(2)(i)), surplus lines insurance may be procured through a surplus lines licensee from nonadmitted insurers if a diligent search is made among the admitted insurers who are writing, in this Commonwealth, coverage comparable to the coverage being sought. The following minimum requirements and conditions apply to the conduct of a diligent search among admitted insurers under section 1604(2)(i) of the act.

(1) Under section 1609(a)(1)(i) of the act (40 P.S. § 991.1609(a)(1)(i)), the producing broker shall execute and forward to the surplus lines licensee a written statement, in a form prescribed by the Department, declaring that a diligent effort to procure the desired coverage from admitted insurers was made.

~~(i) At a minimum, the producing broker shall obtain declinations from admitted insurers with which the producing broker holds agent appointments and which are writing, in this Commonwealth, coverage comparable to the coverage being sought in accordance with the following table:~~

<del>Number of Agent Appointments</del>	<del>Number of Required Declinations</del>
<del>0</del>	<del>1</del>
<del>1</del>	<del>1</del>

~~(ii) A producing broker who obtains less than three declinations shall attach a notarized statement, affirming the number of agent appointments held, to the declaration form required under section 1609(a) of the act.~~ A DILIGENT EFFORT BY THE PRODUCING BROKER TO PROCURE THE DESIRED COVERAGE FROM ADMITTED INSURERS SHALL HAVE BEEN MADE IF THE PRODUCING BROKER DECLARES ON THE PRESCRIBED FORM THAT AT LEAST THREE ADMITTED INSURERS WHICH ARE WRITING, IN THIS COMMONWEALTH, COVERAGE COMPARABLE TO THE COVERAGE BEING SOUGHT HAVE DECLINED TO INSURE THE PARTICULAR RISK.

~~(iii)~~ **(ii)** A producing broker who obtains a declination from an admitted insurer shall either obtain the declination in writing from the admitted insurer or create a written record of an oral declination by the admitted insurer. A written record of an oral declination shall be made by the person who initially received the declination or by another person working for the business from information transmitted by the person who received the declination. A declination shall be obtained from the admitted insurer or recorded by the producing broker at or near the time of receipt of the declination and maintained in the regular course of business.

~~(iv)~~ **(iii)** A written record documenting an oral declination shall include:

**(A)** The name, office location and phone number of the admitted insurer or firm acting in the capacity of underwriting manager for the admitted insurer.

(B) The name and position of the person contacted.

(C) The date of contact.

(D) An explanation of the declination.

(+\*) **(iv)** If an admitted insurer fails to respond within 5 business days after first being contacted by the producing broker, the producing broker may assume that the insurer has declined to write the risk. The producing broker shall create a written record of the contact, including the manner in which contact was made and the information required under subparagraph (iv)(A)--(C).

**(v)** A DECLINATION OF COVERAGE BY AN ADMITTED INSURER SHALL BE MADE BY A PERSON WHO IS A FULL-TIME EMPLOYEE OF THE ADMITTED INSURER AND WHO HAS UNDERWRITING RESPONSIBILITY FOR THAT ADMITTED INSURER OR BY A FULL-TIME EMPLOYEE OF A FIRM ACTING IN THE CAPACITY OF UNDERWRITING MANAGER FOR THE ADMITTED INSURER.

**(vi)** FOR PURPOSES OF THIS SUBPARAGRAPH, THE TERM "AFFILIATE" IS USED AS DEFINED IN SECTION 1401 OF THE INSURANCE COMPANY LAW OF 1921 (40 P.S. § 991.1401).

**(A)** A DECLINATION MAY NOT BE OBTAINED FROM AN ADMITTED INSURER WHICH IS AN AFFILIATE OF AN ADMITTED INSURER FROM WHICH A DECLINATION HAS ALREADY BEEN OBTAINED.

**(B)** SURPLUS LINES INSURANCE MAY NOT BE PLACED WITH A NONADMITTED INSURER THAT IS AN AFFILIATE OF AN ADMITTED INSURER FROM WHICH A DECLINATION HAS BEEN OBTAINED.

**(C)** THE RESTRICTIONS SET FORTH IN SUBPARAGRAPH (vi)(A) AND (B) DO NOT APPLY IF THE AFFILIATED INSURERS WRITE INDEPENDENTLY OF EACH OTHER USING SEPARATE AND INDEPENDENTLY DEVELOPED UNDERWRITING CRITERIA AND MARKETING PLANS, AND FOR UNDERWRITING PURPOSES, COMPETE WITH EACH OTHER FOR THE SAME TYPE OF COVERAGE OR CLASS OF INSURANCE.

(2) Under section 1609(a)(2) of the act, the surplus lines licensee shall file with the Department a written declaration of the licensee's lack of knowledge of how the coverage could have been procured from admitted insurers and shall simultaneously file the written declaration of the producing broker required under section 1609(a)(1) of the act. Under section 1609(a)(3) of the act, if the surplus lines licensee acts as both the producing broker and surplus lines licensee in a particular transaction, the surplus lines licensee is required to execute the declarations required under section 1609(a)(1) and (2) of the act.

~~(3) A declination of coverage by an admitted insurer shall be made by a person who is a full-time employe of the admitted insurer and who has underwriting responsibility for that admitted insurer or by a full-time employe of a firm acting in the capacity of underwriting manager for the admitted insurer.~~

~~(4) For purposes of this paragraph, the term "affiliate" is used as defined in section 1401 of The Insurance Company Law of 1921 (40 P.S. § 991.1401).~~

~~(i) A declination may not be obtained from an admitted insurer which is an affiliate of an admitted insurer from which a declination has already been obtained.~~

~~(ii) Surplus lines insurance may not be placed with a nonadmitted insurer that is an affiliate of an admitted insurer from which a declination has been obtained.~~

~~(iii) The restrictions set forth in paragraph (1)(i) and (ii) do not apply if the affiliated insurers write independently of each other using separate and independently developed underwriting criteria and marketing plans, and for underwriting purposes, compete with each other for the same type of coverage or class of insurance.~~

**§ 124.6. Export list coverages.**

(a) Under section 1604(2)(ii) of the act (40 P.S. § 991.1604(2)(ii)), the Commissioner may create and maintain an export list of insurance coverages for which the full amount or kind of insurance cannot be obtained from admitted insurers.

(b) The diligent search requirement of section 1604(2)(i) of the act and the reporting requirements of section 1609(a) of the act (40 P.S. § 991.1609(a)) do not apply to the placement of an insurance coverage which appears on the export list.

(c) Within 45 calendar days after the placement of an insurance coverage which appears on the most recent export list published by the Commissioner, the surplus lines licensee shall file

with the Department or its designee a copy of the declaration page of the policy, cover note, binder or other evidence of insurance delivered by the surplus lines licensee in accordance with section 1612(a) of the act (40 P.S. § 991.1612(a)) with the word "EXPORT" stamped in red letters in the upper right hand corner.

**§ 124.7. Unique forms of coverages.**

Under section 1604(2)(iii) of the act (40 P.S. § 1604(2)(iii)), surplus lines insurance may be procured through a surplus lines licensee from nonadmitted insurers if the kind of insurance sought to be obtained from admitted insurers requires a unique form of coverage not available in the admitted market. Within 45 calendar days after a unique form of coverage has been placed, the surplus lines licensee shall file with the Department or its designee, a written declaration reporting the transaction in a form prescribed by the Department.

**§ 124.8. Surplus lines licensee bond requirements.**

(a) The bond required under section 1615(b)(4) of the act (40 P.S. § 991.1615(b)(4)) to be maintained concurrent with the term of a surplus lines agent's license shall be in the amount of at least \$50,000 for the initial term of the license.

(b) The amount of the bond required for renewal of a surplus lines agent's license shall be based on the total taxable surplus lines premium volume of the surplus lines agent during the

preceding calendar year as reported to the Department of Revenue under section 1621 of the act (40 P.S. § 991.1621) and determined by using the following table:

<i>Total Taxable Surplus</i>	<i>Required Minimum</i>
<i>Lines Premium Volume</i>	<i>Amount of Bond</i>
\$0--\$1,999,999	\$50,000
\$2,000,000--\$3,999,999	\$100,000
\$4,000,000--\$5,999,999	\$150,000
\$6,000,000--\$7,999,999	\$200,000
\$8,000,000--and over	3% of the total taxable surplus lines premium volume of the surplus lines licensee during the preceding calendar year or other amount acceptable to the Commissioner.

**§ 124.9. Requirements to qualify as an eligible surplus lines insurer.**

Re: Insurance Department Final  
Form Regulation No. 11-170,  
Surplus Lines Insurance

Dear Mr. Nyce:

Pursuant to Section 5a(c) of the Regulatory Review Act, enclosed for your review and approval is final form regulation 31 Pa. Code, New Chapter 124, Surplus Lines.

Pennsylvania's surplus lines laws and regulations were adopted to establish a system of regulation that permits orderly access to surplus lines insurance in this Commonwealth with reputable and financially sound insurers and provides for adequate protections in the insurance marketplace. Pennsylvania's initial Surplus Lines Insurance Law (Act of January 24, 1966, 1965 P.L. 1509, No. 531) was replaced by Article XVI of the act in 1992.

The purpose of this final rulemaking is to replace the regulations (31 Pa. Code, Chapters 35 and 123) adopted under the authority of the initial Surplus Lines Insurance Law with an updated regulation (Chapter 124) consistent with Article XVI of the act.

If you have any questions regarding this matter, please contact me at (717) 787-4429.

Sincerely yours,

A handwritten signature in cursive script that reads "Peter J. Salvatore".
