INDEPENDENT REGULATORY
REVIEW COMMISSION

1999 SEP 22 AM 9:01

RECEIVED

EMBARGOED MATERIAL

Honorable John R. McGinley, Chairman
Independent Regulatory Review Commission
14th Floor, Harrisstown 2
333 Market Street
Harrisburg, PA 17101

Dear Chairman McGinley:

The Motor Vehicle Physical Damage Appraisers Act, Regulation #11-149 is currently before the Independent Regulatory Review Commission. Several constituents have raised serious concerns about the proposed amendments. Therefore, it is my request that IRRC give every consideration to their objections before voting on these regulations.

Thank you for your attention to this matter.

Very truly yours,

David J. Brightbill
