Mr. Robert E. Nyce
Executive Director
Independent Regulatory Review Commissioner
14th Floor, Harrisstown 2
333 Market Street
Harrisburg, Pennsylvania 17101

Dear Mr. Nyce:

I am writing regarding concerns raised by a constituent in the current version of the Certified Registered Nurse Practitioner Regulations which may soon be coming up for a vote before IRRC.

It is my understanding that the current form of these regulations were rewritten by the Board of Medicine and that nurse practitioners did not have the opportunity to review and comment on them after they were rewritten. If this were the case, I would suggest that it might be appropriate for the commission to return the current form regulations to the Medical and Nursing Boards for further comments by the affected parties.

Sincerely,

Richard A. Tilghman
