Regulation No. 15-414 Department of Revenue Personal Income Tax

On April 26, 2000, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Revenue (Department). This rulemaking amends 61 Pa. Code Chapter 101. The proposed regulation was published in the May 6, 2000 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 31, 2001.

The Department is interpreting the scope of "supplemental unemployment benefits" which are excluded from compensation under 72 P.S. § 7301(d)(vi). The amendments clarify the tax treatment of programs offered as supplemental benefits to employees terminated from service due to layoff, workforce reduction, plant closings and other involuntary terminations.

We have determined this regulation is consistent with the statutory authority of the Department (72 P.S. §§ 7301(d)(vi) and 7354) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Alvin C. Bush, Vice Chairman
