 Yes: By the Attorney General  
 Yes: By the Governor

(8) Briefly explain the regulation in clear and nontechnical language.  
  
The regulation adjusts the biennial renewal fees for veterinarians and animal health technicians to reflect actual Board costs of providing services under the Act.

(9) State the statutory authority for the regulation and any relevant state or federal court decisions.  
  
Section 13(b) of the Veterinary Medicine Practice Act ("Act"), Act of December 27, 1974, as amended, 63 P.S. §485.13(b), requires the Board to increase fees to meet or exceed projected expenditures if the revenues raised by fees and civil penalties are not sufficient to meet expenditures. Section 13(a) of the Act, 63 P.S. §485.13(a), requires the Board to fix license and certificate renewal fees by regulation.

### Regulatory Analysis Form

(10) Is the regulation mandated by any federal or state law or court order, or federal regulation? If yes, cite the specific law, case or regulation, and any deadlines for action.

**Yes. Sections 13(a) and (b) of the Veterinary Medicine Practice Act, 63 P.S. §485.13(a), (b), require that Board fees be fixed by regulation and that fees be increased if not sufficient to meet expenditures.**

(11) Explain the compelling public interest that justifies the regulation. What is the problem it addresses?

**The new fees allow the Board to comply with the legislative mandate of its enabling statute that the Board sustain its operating and enforcement costs through fees imposed on its licensees.**

(12) State the public health, safety, environmental or general welfare risks associated with nonregulation.

**Non-regulation of veterinarians and animal health technicians increases the risk of substandard veterinary care, which may adversely affect public health and the provision of effective and humane medical services to animals.**

(13) Describe who will benefit from the regulation. (Quantify the benefits as completely as possible and approximate the number of people who will benefit.)

**The general public and regulated practitioners will benefit from fee increases which assure that the Board will have sufficient revenue to carry out its operating and enforcement activities and ensure the Commonwealth will have an adequate supply of competent practitioners.**

**Regulatory Analysis Form**

(14) Describe who will be adversely affected by the regulation. (Quantify the adverse effects as completely as possible and approximate the number of people who will be adversely affected.)

**On a biennial basis approximately 3,249 veterinarians and 753 veterinarian technicians who apply for biennial renewal will pay an additional \$120.00 and \$30.00 respectively. This represents a biennial cost to the regulated community of \$398,880.00 for veterinarians and \$22,590.00 for veterinarian technicians.**

(15) List the persons, groups or entities that will be required to comply with the regulation. (Approximate the number of people who will be required to comply.)

**Approximately 3,249 veterinarians and 753 veterinarian technicians renew their licenses to practice in the Commonwealth each biennial period.**

(16) Describe the communications with and input from the public in the development and drafting of the regulation. List the persons and/or groups who were involved, if applicable.

**The Board announced its proposed rulemaking to the Pennsylvania Veterinary Medical Association and solicited comments from the public when the proposed rulemaking was published in the Pennsylvania Bulletin. No public comments were received.**

**In addition, in developing and drafting the regulation, the Board considered the fees as both required by law and the least restrictive means of covering the costs of services required to be performed by the Board.**

(17) Provide a specific estimate of the costs and/or savings to the regulated community associated with compliance, including any legal, accounting or consulting procedures which may be required.

**No legal, accounting or consulting costs are anticipated as a result of the regulation. Biennial renewal fees will total \$389,880.00 for veterinarians and \$22,590.00 for veterinarian technicians.**

**Regulatory Analysis Form**

(18) Provide a specific estimate of the costs and/or savings to local governments associated with compliance, including any legal, accounting or consulting procedures which may be required.

**Local governments would not be affected by this regulation.**

(19) Provide a specific estimate of the costs and/or savings to state government associated with the implementation of the regulation, including any legal, accounting, or consulting procedures which may be required.

**Because the Board must charge fees which reflect its actual costs in providing services to licensees and applicants, implementing the regulation will produce no identifiable costs or savings to state government.**

**Regulatory Analysis Form**

(20) In the table below, provide an estimate of the fiscal savings and costs associated with implementation and compliance for the regulated community, local government, and state government for the current year and five subsequent years.

	Current FY	FY +1	FY +2	FY +3	FY +4	FY +5
<b>SAVINGS:</b>	\$	\$	\$	\$	\$	\$
Regulated						
Local Government						
State Government						
<b>Total Savings</b>						
<b>COSTS:</b>	0	412,420	0	412,420	0	412,420
Regulated						
Local Government						
State Government						
<b>Total Costs</b>						
<b>REVENUE LOSSES:</b>						
Regulated						
Local Government						
State Government						
<b>Total Revenue Losses</b>						

(20a) Explain how the cost estimates listed above were derived.

Cost estimates to the regulated community were derived by multiplying the proposed fee increase by the number of licensees. The biennial renewal fee was not paid in the current fiscal year, and therefore the estimates for +2 and +4 years are zero.

**Regulatory Analysis Form**

(20b) Provide the past three year expenditure history for programs affected by the regulation.

	FY96-97	FY97-98	FY98-99	FY99-00
Program	FY -3	FY -2	FY -1	Current FY
State Board of Veterinary Medicine	\$182,445.32	\$221,044.29	\$261,139.28	\$259,000.00

(21) Using the cost-benefit information provided above, explain how the benefits of the regulation outweigh the adverse effects and costs.

**The regulation provides for the licensure population to pay for the costs of Board administration in biennial fees which, by law, must meet or exceed expenditures.**

(22) Describe the nonregulatory alternatives considered and the costs associated with those alternatives. Provide the reasons for their dismissal.

**No non-regulatory approaches were considered as Section 13(a) of the Veterinary Medicine Practice Act, 63 P.S. §485.13(a), requires a regulatory approach.**

(23) Describe alternative regulatory schemes considered and the costs associated with those schemes. Provide the reasons for their dismissal.

**See paragraph 22 above.**

**Regulatory Analysis Form**

(24) Are there any provisions that are more stringent than federal standards? If yes, identify the specific provisions and the compelling Pennsylvania interest that demands stronger regulation.

**There are no federal standards which apply.**

(25) How does this regulation compare with those of other states? Will the regulation put Pennsylvania at a competitive disadvantage with other states?

**Biennial Renewal Fees**

	<b>West Virginia</b>	<b>New Jersey</b>	<b>Ohio</b>
<b>Veterinarian</b>	<b>\$250.00</b>	<b>\$250.00</b>	<b>\$125.00 - \$450.00 (by date activated)</b>
<b>Technician:</b>	<b>\$25.00-30.00</b>	<b>not licensed</b>	<b>\$35.00 - \$60.00</b>

**The fees are comparable to those in surrounding states which require the State Board to be self-supporting. The proposed fees should cause no competitive disadvantage.**

(26) Will the regulation affect existing or proposed regulations of the promulgating agency or other state agencies? If yes, explain and provide specific citations.

**The regulation changes Section 31.41, Schedule of fees, 49 Pa. Code §31.41, in existing regulations.**

(27) Will any public hearings or informational meetings be scheduled? Please provide the dates, times, and locations, if available.

**The Board meets in public session at least six times per year. Public meeting dates in 2000 included March 23, May 25, June 15, July 20, September 7, October 19 and December 7.**

**Regulatory Analysis Form**

(28) Will the regulation change existing reporting, record keeping, or other paperwork requirements? Describe the changes and attach copies of forms or reports which will be required as a result of implementation, if available.

**No.**

(29) Please list any special provisions which have been developed to meet the particular needs of affected groups or persons including, but not limited to, minorities, elderly, small businesses, and farmers.

**No special provisions have been developed or anticipated.**

(30) What is the anticipated effective date of the regulation; the date by which compliance with the regulation will be required; and the date by which any required permits, licenses or other approvals must be obtained?

**The regulation will be effective on publication of the final form regulation in the Pennsylvania Bulletin.**

(31) Provide the schedule for continual review of the regulation.

**As part of its annual review process pursuant to Executive Order 1996-1, the Board will review the effectiveness of this regulation.**

Temporary practice permit .....	\$25
Biennial renewal [ for ] of license of certified public [ accountants ] accountant, public [ accountant, partnerships, professional corporations and professional associations ] accountant or public accounting firm .....	\$45
Reinstatement of inactive or expired license .....	\$35
Certification of examination scores .....	[\$ 15 ] 25

## STATE BOARD OF VETERINARY MEDICINE

### [49 PA. CODE CH. 31] Biennial Renewal Fees

The State Board of Veterinary Medicine (Board) proposes to amend § 31.41 (relating to schedule of fees) to read as set forth in Annex A. The proposed amendment would increase the biennial license renewal fee for veterinarians from \$105 to \$225 and for animal health technicians from \$30 to \$60.

#### *Effective Date*

The new fees would be effective on final publication in the *Pennsylvania Bulletin* and will apply to the biennial renewal period commencing December 1, 2000.

#### *Statutory Authority*

Section 13(a) of the Veterinary Medicine Practice Act (act) (63 P.S. § 485.13(a)), requires the Board to fix the fees required for renewal of licenses and certificates by regulation. In addition, section 13(b) of the act requires the Board to increase fees by regulation to meet or exceed projected expenditures if the revenues raised by fees, fines and civil penalties are not sufficient to meet expenditures.

#### *Background and Need for Amendment*

The Board's current biennial license renewal fees were established by regulation in 1995. The Board is required by law to support its operations from revenue it generates from fees, fines and civil penalties. The act mandates that the Board protect the public by adopting rules and regulations that govern the practice of veterinary medicine and administer and enforce the laws, rules and regulations that relate to the practice of veterinary medicine. In addition, the Board is generally mandated to promote public health, safety and welfare, which is accomplished through Board initiatives and coordination with other agencies and departments in this Commonwealth. The proposed fees are comparable to the renewal fees charged in surrounding states and should cause no competitive disadvantage to this Commonwealth.

The Board raises virtually all its revenue through fees. The biennial license renewal fee is the most substantial revenue generating fee of the fees charged by the Board. If the Board anticipates that its revenue will not meet its expenditures, the Board must increase its revenue.

At its July 15, 1999, Board meeting, the Offices of Revenue and Budget presented a summary of the Board's revenues and expenses for Fiscal Years 1997-1998 and 1998-1999. The summary, presented in the following table format, demonstrated that the Board must raise fees to meet or exceed projected expenditures to comply with section 13(b) of the act.

1997 beginning balance	(245.09)
FY97-98 revenue	22,392.00
FY97-98 expenses	179,789.44
1998 beginning balance	(157,642.53)
FY98-99 revenue	363,112.00
FY98-99 expenses	287,011.29
1999 beginning balance	(81,541.82)

As the foregoing indicates, at the close of FY 1998-1999, the Board's expenses exceeded its revenues by \$81,541.82. The Budget Office estimates that in FY 1999-2000, the deficit will increase to \$341,681.10 if fees are not increased. The Budget Office anticipates that the proposed new fees will enable the Board to recapture the current deficit and meet its estimated expenditures for the 2000-2002 biennial cycle.

The increases in the Board's biennial expenses occurred primarily in law enforcement costs and legal office costs. Law enforcement (the Bureau of Enforcement and Investigation) saw an increase from 898.75 hours expended in FY 1994-1995 to 1,184.8 hours expended in FY 1998-1999. Corresponding to this increase, law enforcement expenditures increased from approximately \$70,000 in FY 1994-1995 to just over \$95,000 in FY 1997-1998.

The legal office (division of the Bureau of Professional and Occupational Affairs) spent 1,485.9 hours in FY 1997-1998 on matters related to the Veterinary Board. No figure was available for FY 1994-1995. Legal office expenditures increased from approximately \$37,000 in FY 1994-1995 to just under \$61,000 in FY 1997-1998.

The legal office saw an increase in both number and complexity of cases closed in calendar years 1996 through 1998. In 1996, the Board issued four adjudications relating to continuing education violations and one in a reciprocal disciplinary action.

In 1997, the Board issued one adjudication in a reciprocal disciplinary action and issued two orders in a complicated malpractice case. In 1998, the Board issued one adjudication involving a civil prosecution and two involving unlicensed practice. In 1998, the Board issued six adjudications: one for performing surgery without a license, two for dispensing medication without a license, one for practicing on a lapsed license, one reciprocal disciplinary action and one for gross negligence/malpractice.

#### *Description of Proposed Amendment*

Based upon the expense and revenue estimates provided to the Board, the Board proposes to amend its fee schedule in § 31.41 to increase the fee for biennial renewal of licenses for veterinarians from \$105 to \$225 and increase the fee for animal health technicians from \$30 to \$60. By this increase, the Board will recoup the 1999 deficit and offset the projected deficit of \$341,681.10 in FY 1999-2000.

NOTICE OF FINAL RULEMAKING  
COMMONWEALTH OF PENNSYLVANIA  
DEPARTMENT OF STATE  
BUREAU OF PROFESSIONAL AND OCCUPATIONAL AFFAIRS  
STATE BOARD OF VETERINARY MEDICINE  
49 PA. CODE, CHAPTER 31  
BIENNIAL RENEWAL FEES

The State Board of Veterinary Medicine ("Board") adopts an amendment to 49 Pa. Code §31.41 (relating to fees), as set forth in Annex A.

Notice of Proposed Rulemaking was published at 30 Pa. B. 2378 (May 13, 2000). Publication was followed by a 30-day public comment period during which the Board received no comments from the general public. Neither the House Professional Licensure Committee (HPLC) nor the Senate Consumer Protection and Professional Licensure Committee made comments on the proposed rule. On July 13, 2000, the Independent Regulatory Review Commission ("IRRC") sent a letter to the Board, stating it had no objections, comments or suggestions to offer on the regulation.

The regulation will increase the biennial license renewal fee for veterinarians from \$105.00 to \$225.00 and for animal health technicians from \$30.00 to \$60.00, as required to support the operations of the Board. A detailed description of the amendment may be found in the Notice of Proposed Rulemaking.

### **Statutory Authority**

The regulation is authorized under Sections 13(a) and 13(b) of the Veterinary Medicine Practice Act ("Act"), the Act of December 27, 1974, P.L. 995, as amended, 63 P.S. §§485.13(a). Section 13(a) requires the Board to fix the fees required for renewal of licenses and certificates by regulation. In addition, Section 13(b) of the Act, 63 P.S. §485.13(b), requires the Board to increase fees to meet or exceed projected expenditures if the revenues raised by fees, fines and civil penalties are not sufficient to meet expenditures.

### **Fiscal Impact**

The regulation will increase the biennial renewal fee for veterinarians and animal health technicians. A veterinarian will pay an additional \$120.00 for biennial renewal. An animal health technician will pay an additional \$30.00 for biennial renewal. The regulation should have no other fiscal impact on the private sector, the general public or political subdivisions.

### **Paperwork Requirements**

The regulation will require the Board to alter some of its forms to reflect the new biennial renewal fees; however, the regulation should not create additional paperwork for the private sector.

### Regulatory Review

Pursuant to section 5(a) of the Regulatory Review Act (71 P.S. § 745.5(a)), the Board submitted a copy of the Notice of Proposed Rulemaking, published at 30 Pa. B. 2378 (May 13, 2000), to the Independent Regulatory Review Commission and to the Chairpersons of the House Committee on Professional Licensure and the Senate Committee on Consumer Protection and Professional Licensure.

Publication of the Notice of Proposed Rulemaking was followed by a 30-day public comment period during which the Board received no written comment from the public. Subsequent to the close of the public comment period, the Board received no comments from the House or Senate Committee. The Board received and considered comments from the IRRC.

These final form regulations were (deemed) approved by the House Professional Licensure Committee on \_\_\_\_\_, and were (deemed) approved by the Senate Consumer Protection and Professional Licensure Committee on \_\_\_\_\_. IRRC met on \_\_\_\_\_, and approved the regulation in accordance with section 5(c) of the Regulatory Review Act.

### Further Information

Individuals who need information about the regulation may contact Robert Kline, Administrative Assistant, State Board of Veterinary Medicine, P.O. Box 2649, Harrisburg, PA 17105-2649, (717) 783-4848.

### Order

The State Board of Veterinary Medicine finds:

- (1) That public notice of intention to adopt a regulation at 49 Pa. Code, Chapter 31, was given under sections 201 and 202 of the Commonwealth Documents Law, 45 P.S. §§1201- 1202, and the regulations promulgated under those sections at 1 Pa. Code §§7.1-7.2.
- (2) That the regulation of the State Board of Veterinary Medicine is necessary and appropriate for the administration of the Veterinary Medicine Practice Act.

The Board therefore ORDERS:

- (A) That the regulations of the State Board of Veterinary Medicine, 49 Pa. Code Chapter 31, are amended to read as set forth in the attached Annex.
- (B) That the Board shall submit a copy of the Annex to the Office of Attorney General and the Office of General Counsel for approval as required by law.
- (C) That the Board shall certify this Order and Annex and shall deposit them with the Legislative Reference Bureau as required by law.
- (D) That the regulations shall take effect immediately upon publication in the Pennsylvania Bulletin.

Annex A
