Captain Poulterer has asked me to advise you that the Pilots' Association believes the proposed regulations are consistent with the statute and the best interests of the maritime industry and the public in general.

Regulatory Review  
Commission, Commonwealth of Pennsylvania

I am contacting you regarding a proposed regulation from the Navigation Commission for the Delaware River and its Navigable Tributaries. The proposed regulation is entitled "Navigation Licensure and Renewal" and was published recently in the Pennsylvania Bulletin. It is available on the Web at [www.pabulletin.com](http://www.pabulletin.com) in the issue dated June 24, 2000, Volume 30, Number 26.

We are interested in any comments or suggestions that people may have concerning this proposed regulation. If you or any interested party have any comments or questions, please contact me by calling (717) 783-5475 or via e-mail.

Thanks for your time and consideration.
