LEGISLATIVE REVIEW COMMISSION

Dear Secretary Mallory:

I am writing to you in support of the pilot program being initiated by PennDOT to help remedy the registration sticker problem in the city of Philadelphia. I appreciate the good faith effort that has been put forth by members of your staff to develop a program that meets the needs of all those concerned.

The problem of registration sticker theft has plagued the city for several years. I believe that allowing Philadelphians to take part in an optional program that addresses their concerns without placing a burden on the rest of Pennsylvania is the best course of action. I am confident this pilot program will be able to solve this problem.

Thank you for your attention to this matter.

Sincerely,
