RE: Proposed Regulation
Pennsylvania Commission on Crime and Delinquency
Deputy Sheriffs' Education and Training Board
Document No.: 35-28

Dear Senator Gerlach:

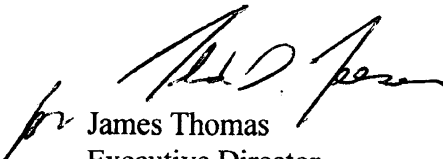

Enclosed is a copy of a proposed rulemaking package of the Deputy Sheriffs' Education and Training Board of the Pennsylvania Commission on Crime and Delinquency.

Please note that the Commission mistakenly delivered the enclosed rulemaking to the chairs of the Senate Judiciary Committee on January 25, 2001. With delivery of this package, the Commission is rectifying that mistake.

This rulemaking was published in the *Pennsylvania Bulletin* this past Saturday, February 2001. It is my understanding that the comment periods are tied to the publication date. Accordingly, I trust that the Commission's mistaken delivery has had minimal effect. However, I do apologize for any inconvenience this may cause your Committee. Please note that accurate information regarding today's delivery will be set forth in the preamble for the final rulemaking.

The Commission and the Deputy Sheriffs' Education and Training Board and its staff look forward to working with your Committee in the future on matters such as these. The Commission will be pleased to provide whatever information your Committee may require during the course of its review of the rulemaking.

Sincerely yours,

James Thomas
Executive Director
