Regulation No. 105-4  
Board of Claims  
Amendments to Rules of Procedure

On March 22, 2001, the Independent Regulatory Review Commission (Commission) received this regulation from the Board of Claims (Board). Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This regulation amends the Rules of Procedure of practice before the Board. The rulemaking reduces the number of copies of a claim which must be filed to four, repeals the rule pertaining to the time period for filing and adds a provision that no post-hearing motions may be filed.

We have determined this regulation is consistent with the statutory authority of the Board of Claims (72 P.S. § 4651-10) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.
