3. Briefly explain in clear and non-technical language the regulation: (Cont'd.)

Title I of the Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193) (PRWORA), enacted on August 22, 1996, eliminated the AFDC Program under Part A of Title IV of the Social Security Act and replaced it with the Temporary Assistance for Needy Families (TANF) program.

Act No. 1996-35 (Act 35), enacted on May 16, 1996, amended certain sections of the Public Welfare Code which govern eligibility for cash and MA benefits. Although many of the provisions of Act 35 were implemented on June 17, 1996, remaining provisions could not be implemented in the AFDC Program without Federal approval. Federal approval to implement the remaining provisions of Act 35 was obtained through submission of the Commonwealth's TANF State Plan. The TANF State Plan was published at 27 Pa. B. 342 (January 18, 1997) and forwarded to DHHS. The Department was authorized to implement TANF on March 3, 1997. An updated TANF State Plan was published at 29 Pa. B. 5658 (October 30, 1999).

A Notice of Rule Change published at 27 Pa. B. 1092, March 1, 1997, made mandatory provisions of TANF and mandatory provisions of Act 35 effective March 3, 1997. The NORC included mandatory provisions of Act 35 that could not be applied under previously existing law until the implementation of TANF. The Department implemented changes required under 62 P.S. Section 403(b) which specifies that rules, regulations, and standards for GA must be consistent with TANF whenever possible, and that no greater benefit can be provided to GA recipients than to TANF recipients. Changes were also implemented to the MA program to maintain consistency of administration among the categories of MA and between the cash and MA programs.

The approved TANF State Plan contains an optional certification that the Department will establish and enforce standards to screen and identify victims of domestic violence; refer such individuals to counseling and supportive services; and waive, pursuant to a determination of good cause, other program requirements (for so long as necessary) where compliance with such requirements would make it more difficult for individuals receiving assistance to escape domestic violence or unfairly penalize such individuals who are or have been victimized or individuals who are risk of further violence. A Notice of Rule Change published at 30 Pa. B. 2957, June 10, 2000, revised the standards and process for establishing good cause and waiving child/spousal support requirements when the good cause claim is based on domestic violence. These changes were effective July 3, 2000.

4. State the statutory authority for the regulation and any relevant state or federal court decisions. (Cont'd.)

Act 1996-35 (P.L. 175, No. 35) enacted on May 16, 1996 amending the Act of 1967, P.L. 31, No. 21, specifically 62 P.S. §§402; 403(b); 405.1; 408(b); 414; 432(5); 432(9); 432.3(a)(1)(2) and (b); 432.5(c)(4); 432.12; 434; 441.1; 481.1; and 481(f).

Maldonado et al. v. Houstoun et al., C.A. No. 97-4155, U.S.D.C., E.D. Pa. (1997); 177 F.R.D. 311 – On October 6, 1997, the U.S. District Court for the Eastern District of Pennsylvania preliminarily enjoined the Department from enforcing the multi-tier durational residency portion of §432(5)(ii) of the Public Welfare Code. On September 9, 1998, that preliminary injunction was upheld by the U.S. Court of Appeals for the Third Circuit, C.A. No. 97-4155, 1998 U.S. App. Lexis 21909.

Success Against All Odds et al. v. Department of Public Welfare, 700 A.2d 1340 (Pa. Commw. 1997), No. 122 M.D. App. Dkt. 1997. On November 13, 1997, the Supreme Court of Pennsylvania stayed Commonwealth Court's order of August 20, 1997, which dismissed a challenge to DPW's cessation of the support pass-through program. DPW interpreted Act 1996-35 to end the support pass-through program when no longer required by Federal law. The Department continued support pass-through payments to cash assistance recipients as required by the November 13, 1997 stay order. On May 20, 1998, the Pennsylvania Supreme Court affirmed Commonwealth Court's ruling upholding DPW's interpretation of Act 1996-35 to end the support pass-through. Act 1997-58 repealed the support pass-through provisions of Act 1996-35. Act 58 requires DPW to first, repay the Federal share of current support collected on behalf of assistance recipients, and then, pass through the first \$50 to the budget group without decreasing the amount of assistance.

Regulatory Analysis Form

(10) Is the regulation mandated by any federal or state law or court order, or federal regulation? If yes, cite the specific law, case or regulation, and any deadlines for action.

Sections 19 and 20 of Act 1996-35 (P.L. 175, No. 35) amending the Public Welfare Code (62 P.S. §403 et seq.). Section 10 of Act 1997-58 (P.L. 549, No. 58) adding 23 Pa. C.S. §§4371 - 4381.

Title I, Section 103 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193) amending Part A, Title IV of the Social Security Act (42 U.S.C. §§601 through 619). Title III, Sections 302 and 333 of PRWORA amending Title IV-D of the Social Security Act (42 U.S.C. §§654 and 657).

(11) Explain the compelling public interest that justifies the regulation. What is the problem it addresses?

These regulations are needed to codify into 55 Pa. Code the provisions of Act 1996-35, Act 1997-58, TANF and Title IV-D provisions reforming welfare.

Federal and State legislative changes enacted under PRWORA, Act 1996-35 and Act 1997-58 respectively are designed to ensure that receipt of cash assistance is temporary and serves as a transition to work and/or self-sufficiency. Pennsylvania's new welfare reform plan is designed to provide short-term assistance to families when the support provided by one or both parents is interrupted. It also provides supplemental support when family income from employment or other sources is not sufficient to meet basic needs. Welfare (Public Assistance) is not intended to provide long-term support or to become a way of life. Welfare reform includes stringent work activity participation requirements, a more aggressive approach to establishing paternity and collecting child support, and a lifetime limit of five years for the receipt of cash benefits.

To mitigate the effects of stringent work and child support requirements on persons who have been subjected to or are at risk of domestic violence, Pennsylvania adopted the Family Violence Option (FVO) which is an amendment to PRWORA. The FVO allows women to remain safe through the welfare to work process by giving them the opportunity to obtain access to domestic violence counseling, safety planning, and other needed services before seeking work or child support. Temporary waivers of certain program requirements may be granted if compliance puts them or their children at risk.

(12) State the public health, safety, environmental or general welfare risks associated with non-regulation.

There are no public health, safety, or environmental risks associated with non-regulation. The general risk associated with non-regulation includes discontinuance of Federal funding due to noncompliance with Federal requirements. Non-regulation could also result in litigation for non-compliance with both Federal and State law.

(13) Describe who will benefit from the regulation. (Quantify the benefits as completely as possible and approximate the number of people who will benefit.)

Changes in regulations apply to applicants and recipients of TANF, GA, and MA in the following categories: TANF-related Non-Money Payment (NMP-MA), including Healthy Beginnings, TANF-related Medically Needy Only (MNO-MA), and GA-related MA. Needy families will benefit from temporary assistance that is available when the support of one or both parents is interrupted and the family's income from employment and other sources is insufficient to meet basic needs.

(Continued on separate page designated as 2A)

3. Describe who will benefit from the regulation. (Quantify the benefits as completely as possible and approximate the number of people who will benefit.) (Cont'd.)

The regulation supports the Department's comprehensive welfare reform plan that changes the direction of public assistance in Pennsylvania to one that promotes self-sufficiency through work; provides support for families showing personal responsibility; and maintains safeguards for our citizens. Applicants and recipients who are required to work or participate in an approved work-related activity will be supported in their efforts by the requirement that disregards one motor vehicle, regardless of value, from the eligibility determination. Without dependable transportation, individuals have more limited opportunities to get and retain employment. To protect young families, unmarried parents under age 18 (minor parents) will be required to reside in the home of a parent, guardian or other responsible adult. Under adult guidance, the minor parents should be better able to continue their education, obtain skills necessary to participate in the job market, and acquire parenting skills. To encourage education, children under age 18 including minor parents who have not earned a high school diploma or equivalent are required to return to school or pursue a GED to be eligible for cash assistance. To support post-secondary education, student financial assistance is exempt from consideration as a resource unless granted solely to meet basic living needs.

Persons who are identified as having been subjected to or at risk of domestic violence will be referred for appropriate counseling and supportive services and may be temporarily excused from certain program requirements.

The Commonwealth will benefit because these amendments will ensure that tax dollars are spent on welfare programs that provide temporary supports to persons seeking to become self-sufficient.

Regulatory Analysis Form

(14) Describe who will be adversely affected by the regulation. (Quantify the adverse effects as completely as possible and approximate the number of people who will be adversely affected.)

Applicants and recipients who refuse to complete and sign an Agreement of Mutual Responsibility (AMR) without good cause will be ineligible for cash assistance. The AMR is a written agreement that outlines steps and activities a welfare recipient must take to achieve self-sufficiency. Individuals or entire families may also be sanctioned for: willfully failing to meet work or work-related requirements without good cause; failing to cooperate with child support requirements without good cause; and committing welfare fraud.

(15) List the persons, groups or entities that will be required to comply with the regulation.
(Approximate the number of people who will be required to comply.)

Applicants and recipients of TANF, GA and MA are affected by and must comply with the regulation.

Persons who apply for TANF or are receiving TANF on or after March 3, 1997 are subject to all requirements of the TANF Program. TANF recipients are subject to the 60-month lifetime limit of cash assistance. Both TANF and GA recipients are required to participate in the Road to Economic Self-Sufficiency through Employment and Training (RESET) Program beginning March 3, 1997 unless exempt. Other changes and requirements, such as negotiating the AMR and pursuing employment, were applied at the recipient's next contact with the CAO after March 3, 1997.

(16) Describe the communications with and input from the public in the development and drafting of the regulation.

List the persons and/or groups who were involved, if applicable.
These regulations are the result of legislative enactment of Act 1996-35, Act 1997-58, the Federal PRWORA of 1996 which established the TANF program, and the Balanced Budget Act of 1997. The majority of these regulations relating to the TANF program were announced to the public under the TANF State Plan, published in the *Pennsylvania Bulletin* on January 18, 1997 at 27 Pa. B. 342. The public had 45 days to submit comments on the plan. The Department reviewed comments received and amended the TANF State Plan as needed. On October 30, 1999, an updated TANF State Plan was published in the *Pennsylvania Bulletin* at 29 Pa. B. 5658. The State Plan as amended is reflected in these regulations. Draft copies of these regulations were distributed for comment to legal services organizations. Written public comment may be submitted to the Department within 30 days from the date of this publication as final rulemaking.

The development of regulations that revised the child support requirements was accomplished through a collaborative interagency taskforce comprised of representatives of many advocate agencies, survivors of domestic violence, and staff from the Office of Income Maintenance and the Office of Social Programs.

(17) Provide a specific estimate of the costs and/or savings to the regulated community associated with compliance, including any legal, accounting or consulting procedures which may be required.

There will be no costs or savings incurred by regulated communities.

(18) Provide a specific estimate of the costs and/or savings to local governments associated with compliance, including any legal, accounting or consulting procedures which may be required.

There will be no costs or savings incurred by local governments.

(19) Provide a specific estimate of the costs and/or savings to state government associated with the implementation of the regulation, including any legal, accounting, or consulting procedures which may be required.

The cost of implementation is reflected in item 20.

(20a) Explain how the estimates listed above were derived.

The estimates above reflect the cost of transitioning from the Aid to Families with Dependent Children (AFDC) program to the Temporary Assistance to Needy Families (TANF) program, as well as other changes which affect TANF, General Assistance (GA), Medical Assistance (MA), and Food Stamp programs.

The costs listed above include, but are not limited to: additional job placement and training costs; an increase in the availability of child care; an increase in supportive services (such as transportation allowances); caseload increases due to changes in income disregards and automobile exemptions; implementation of the Family Violence Option; and additional administrative costs.

The savings listed above are primarily due to case closures resulting from employment and the elimination of benefits for certain accused and convicted criminals.

Savings relating to the requirement that mothers identify by name the father of their child as a condition of receiving benefits have not been included due to the unavailability of data regarding the number of recipients affected by this change.

Certain provisions of the proposed changes to the AFDC, GA and MA programs may have a minimal impact on MA benefits for affected recipients. However, due to a lack of data regarding the impact on the affected population, fiscal impacts cannot be assessed at this time.

(21) Using the cost-benefit information provided above, explain how the benefits of the regulation outweigh the adverse effects and costs.

From a budgetary perspective, there are no costs.

These regulations are intended to provide the supports and incentives necessary to assist recipients in their efforts to become self-sufficient prior to the expiration of their 60-month TANF eligibility period.

(22) Describe the nonregulatory alternatives considered and the costs associated with those alternatives.

Provide the reasons for their dismissal.

Non-regulatory alternatives were not considered because regulations are the appropriate way for the Department to publish the rules governing assistance programs. The substance of these regulations is mandated by the Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Act 1996-35 and Act 1997-58.

(23) Describe alternative regulatory schemes considered and the costs associated with those schemes.

Provide the reasons for their dismissal.

Alternative regulatory approaches were not considered. These regulations are needed to implement remaining provisions of Act 1996-35 amending the Public Welfare Code which were not implemented because previous Federal law prohibited implementation in the AFDC program. These regulations are also needed to comply with the provisions of the Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 and Act 1997-58.

Regulatory Analysis Form

(24) Are there any provisions that are more stringent than federal standards? If yes, identify the specific provisions and the compelling Pennsylvania interest that demands stronger regulation.

No provisions are more stringent than Federal standards.

(25) How does this regulation compare with those of other states? Will the regulation put Pennsylvania at a competitive disadvantage with other states?

Maryland and New Jersey have state plans similar to Pennsylvania, except that these states also have a Family Cap. A Family Cap limits a family's cash assistance grant by providing that there is no increase when additional children are born. Overall, the remainder of the contiguous states have less stringent rules than Pennsylvania.

(26) Will the regulation affect existing or proposed regulations of the promulgating agency or other state agencies? If yes, explain and provide specific citations.

Yes. These regulations affect numerous existing regulation chapters as enumerated in the response to Item #8.

(27) Will any public hearings or informational meetings be scheduled? Please provide the dates, times, and locations, if available.

No. However, the majority of these rules were announced to the public under the TANF State Plan, published in the *Pennsylvania Bulletin* on January 18, 1997. Local governments and private sector organizations had 45-days or until March 2, 1997 to submit comments on the plan. At the end of the 45-day comment period, the Department reviewed comments received and amended the TANF State Plan, as needed, based on the public comments and the Department's own operational experience. In January of 1997, the Commonwealth of Pennsylvania began the extensive public input process on the proposed State Plan for the TANF program. From the advance release of the Plan on January 3, 1997 through the end of the official public comment period on March 2, 1997, officials from the Department received substantive feedback from around the Commonwealth. Six public forums were held and another 1,400 people sent in written testimony.

Regulatory Analysis Form

(28) Will the regulation change existing reporting, record keeping, or other paperwork requirements? Describe the changes and attach copies of forms or reports which will be required as a result of implementation, if available.

Yes. This regulation will increase the paperwork requirements because each applicant or recipient of cash assistance who is required to sign an application for assistance shall be required, as a condition of eligibility, to sign an approved Agreement of Mutual Responsibility (AMR) with the Department. The AMR (Form PA 1661) sets forth the responsibilities and obligations the recipient must undertake to achieve self-sufficiency, the time frames within which each obligation is to be completed, and the penalties for failure to comply with any of the stated obligations. The AMR replaces the Employment Development Plan for cash assistance recipients. In addition to the AMR, a "Participant Guide to Success" (PA 1680) has been developed for applicants and recipients of cash assistance who must comply with Employment and Training requirements. That guide is used as a self-assessment tool by recipients engaged in an initial eight-week job search.

Form PA 1747, Verification of Good Cause Based on Domestic Violence, will be completed in all cases where good cause for not cooperating with child support requirements is requested. This form also documents whether the good cause claim is approved or denied.

(Continued on separate page designated as 8A)

(29) Please list any special provisions which have been developed to meet the particular needs of affected groups or persons including, but not limited to, minorities, elderly, small businesses, and farmers.

Special provisions allow: 1) families to own a car or truck regardless of the value to help get and keep a job; 2) working families to earn more and still be eligible for a monthly welfare check and health care; 3) a 50 percent deduction from gross earned income as an incentive to find and retain employment; 4) deductions from earnings for child care expenses; 5) individuals who continue their education to have their student financial aid disregarded when eligibility is determined unless the financial aid is to be used solely for basic living expenses; 6) the cash value of life insurance will not be counted when determining eligibility for TANF; 7) savings for education to be disregarded when determining eligibility; 8) savings accounts established under the Family Savings Account Program to pay for education, home purchase, or business endeavors are also disregarded when determining eligibility; and 9) good cause for not cooperating with child support requirements to be granted for up to six months to a victim of domestic violence who affirms in writing that she is unable to safely provide verification of the abuse.

(30) What is the anticipated effective date of the regulation; the date by which compliance with the regulation will be required; and the date by which any required permits, licenses or other approvals must be obtained?

The effective date of the Act 35 and PRWORA requirements when published as final rulemaking in the *Pennsylvania Bulletin* is retroactive to March 3, 1997.

The effective date of the reinstatement of the support pass-through disregard when published as final rulemaking in the *Pennsylvania Bulletin* is retroactive to October 1, 1998.

The effective date of the child support requirements relative to the determination of good cause when published as final rulemaking in the *Pennsylvania Bulletin* is July 3, 2000.

The effective date of the Family Savings Account exemption and the changes made by Act 58 is the date of publication of this final rulemaking in the *Pennsylvania Bulletin*.

(31) Provide the schedule for continual review of the regulation.

The Department reviews an annual sample of GA cases in accordance with Section 403(e) of the Public Welfare Code. Federal TANF and MA regulations are also reviewed through the Department's Quality Control and Corrective Action review process.

28. **Will the regulation change existing reporting, record keeping, or other paperwork requirements? Describe the changes and attach copies of forms or reports which will be required as a result of implementation, if available. (Cont'd)**

Effective March 3, 1997, electronic data system tracking is needed to count the length of time that cash assistance is received by certain TANF individuals. TANF assistance is limited to 60 months (1830 days) in a person's lifetime. Assistance received counts toward the lifetime limit if the person is an adult, a minor child who is head of a household, or a minor child married to the head of a household. Periods of receipt need not be consecutive to count toward the 60-month limit. Current system tracking must also be expanded to accommodate new Employment and Training requirements, and recipient sanction and disqualification requirements for persons convicted of welfare fraud, persons sentenced for a felony or misdemeanor who have not satisfied the penalty and persons convicted of a drug-related felony. Exchange of information with the Pennsylvania State Police and the Pennsylvania Board of Probation and Parole is required to identify persons who have been sentenced for a felony or misdemeanor and have not satisfied the penalty imposed by law. Satisfied the penalty means completed the period of incarceration and paid all fines, costs or restitution or being in compliance with an approved payment plan.

The Department of Public Welfare, by this Order, adopts the regulations set forth in Annex A under the authority of §§201(2) and 403(b) of the Public Welfare Code, Act of June 13, 1967, P.L. 31, No. 21, (62 P.S. §§201(2) and 403(b)); the Support Law, Act of June 24, 1937, (P.L. 2045) (62 P.S. §§1971-1977); Title I of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193) creating the Temporary Assistance for Needy Families (TANF) Program, and amending U.S.C. §§601-619 and 1396u(1); §5543 of the Balanced Budget Act of 1997 (Pub. L. 105-33) (42 U.S.C. §653(p); §4372(b) of the Domestic Relations Code, Act of December 16, 1997 (P.L. 549, No. 58) (23 Pa. C.S. §4372(b)); and the Federal TANF regulations found at 45 CFR §§260.10 - 265.10.

Notice of proposed rulemaking is omitted in accordance with §204(1)(iv) of the Commonwealth Documents Law (CDL) (45 P.S. §1204(1)(iv)) and 1 Pa. Code §7.4(1)(iv) because the administrative regulations relate to Commonwealth grants and benefits. Additionally, notice of proposed rulemaking is omitted for good cause as unnecessary and contrary to the public interest in accordance with §204(3) of the CDL (45 P.S. §1204(3)) and 1 Pa. Code §7.4(3).

Proposed rulemaking is omitted as unnecessary because the majority of amendments are mandated by State law or result from the Federal mandate to implement the TANF program. Act 1996-35 (P.L. 175, No. 35) (Act 35), enacted on May 16, 1996, amended certain sections of the Public Welfare Code which govern cash and medical assistance benefits. Many provisions of Act 35 were effective immediately and were implemented in a Notice of Rule Change (NORC) on June 15, 1996 (26 Pa. B. 2865). Some Act 35 changes could not be implemented at the time of enactment without Federal approval because

they were inconsistent with Federal statutes and regulations in effect at the time. Section 20 of Act 35 directed the Department to implement the remaining changes by a NORC upon receipt of Federal approval.

Title I of the Federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Pub. L. 104-193) (PRWORA), enacted on August 22, 1996, eliminated the Aid to Families with Dependent Children (AFDC) program under Part A of Title IV of the Social Security Act and replaced it with the TANF program (42 U.S.C. §§601-619). With the enactment of PRWORA, Federal waivers for Act 35 changes were no longer necessary. Having already been given statutory authority to implement the Act 35 changes by NORC, the Department proceeded to implement both the provisions of Act 35 and PRWORA at the same time. In combination, they provided the framework for a complete and integrated cash and medical assistance program for needy families. Consequently, these amendments were implemented by a NORC published at 27 Pa. B. 1092 (March 1, 1997), effective March 3, 1997, in accordance with the Joint Committee on Documents (JCD) Resolution 1996-1. In addition, these amendments reflect most of the Family Violence Option provisions of PRWORA as implemented by a NORC published at 30 Pa. B. 2957 (June 10, 2000), based on Federal TANF regulations found at 45 CFR §§260.50-260.59.

The Department finds that proposed rulemaking is contrary to the public interest because Federal and State legislation, which promote personal and parental responsibility, strengthen child support, and emphasize self-sufficiency through employment, require an effective shift in the focus of cash assistance programs without delay. Final omit rulemaking will assist the Department in formulating and implementing the necessary comprehensive programmatic changes in an expeditious manner.

With the Federal 60-month limit for cash assistance, among other changes, regulatory change is essential and in the public's best interest. (Refer to the *Background Section* for a more detailed discussion of Federal and State welfare reform initiatives.) State welfare reform legislation made it clear that the intent of public assistance must be to promote self-sufficiency. Federal welfare reform reflects the belief that welfare should be a short-term, transitional experience and that programs should focus on moving recipients from welfare to work. Through Federal law, states have been given great flexibility to develop innovative welfare programs which meet the goal of achieving self-sufficiency. Pennsylvania now has the opportunity to implement changes in policies which State legislation intended without having to receive special permission or waivers from the Federal government.

Amendments supporting the efforts of persons to become self-sufficient through employment include disregarding 50% of gross earned income and disregarding the value of one motor vehicle when determining eligibility. Parental responsibility is reinforced by the requirement that minor parents under age 18 must live in the home of a parent, guardian or other responsible adult in order to qualify for assistance.

In sum, implementing requirements that focus on moving needy families from dependence to self-sufficiency has an increased urgency and importance given the imposition of the Federally-mandated five-year limit on receipt of TANF cash assistance.

PURPOSE

The purpose of these regulations is to codify rules that implement a welfare reform program focused on moving needy families and individuals from dependency to work and self-sufficiency.

BACKGROUND

As previously noted, many of these amendments are based on Title I of PRWORA, which eliminated the AFDC entitlement program and replaced it with a block grant program known as the TANF program, which is codified at 42 U.S.C.A. §§601-619.

The Act of June 16, 1994, P.L. 319, No. 1994-49 (Act 49), the Act of June 30, 1995, P.L. 129, No. 1995-20 (Act 20), and the Act of May 16, 1996, P.L. 175, No. 1996-35 (Act 35) amended certain sections of the Public Welfare Code which govern eligibility for cash and medical assistance (MA) benefits. At the time Acts 49, 20, and 35 were enacted, some of the provisions could not be implemented in the AFDC program without Federal approval because they were inconsistent with Federal statutes and regulations. Section 19 of Act 35 directed the Department of Public Welfare to seek such waivers of Federal law and regulations, or any other Federal approval, necessary to implement the provisions of Act 35. Section 20 of Act 35 further directed the Department to implement changes upon receipt of Federal approval. Section 4 of Act 49 contained similar language.

A request to waive certain Federal requirements was submitted to the appropriate Federal agencies, including the Department of Health and Human Services (DHHS). While the waiver request was pending, PRWORA was enacted, eliminating the AFDC program and replacing it with TANF.

With the enactment of PRWORA, Federal waivers were no longer necessary to implement the provisions of Act 49, Act 20, and Act 35 for Federally-funded cash assistance for families. Under PRWORA, Federal approval to implement the provisions of State law applicable to TANF is obtained through acceptance of the Commonwealth's TANF State Plan and a determination by the Federal agency that the Commonwealth is eligible for block grant funding for its TANF program. The Department submitted its TANF State Plan, published at 27 Pa.B. 342 (January 18, 1997) to DHHS and was authorized to implement TANF effective March 3, 1997.

Section 22 of the Act of December 16, 1997, P.L. 549, No. 58 repealed §§432.6, 432.7, 432.7A, 432.8, 432.9, and 432.11 from the Public Welfare Code. Act 58 placed in Title 23 Pa. C.S. §§4371-4381 the substance of sections formerly found in the Public Welfare Code and made amendments to these sections to conform to PRWORA. The provisions requiring cooperation with the Child Support Enforcement Program established under Title IV-D of the Social Security Act (42 U.S.C. §651, et seq.) as a condition of eligibility for the TANF program and the General Assistance (GA) program, are found in Act 58. Act 58 also amended 23 Pa. C.S. §5103(c) relating to the procedure for voluntary acknowledgement of paternity by removing the requirement that the signatures of the birth parents be notarized. Now,

§5103(c) requires only that the signatures be witnessed and subject to the penalties for unsworn falsification to authorities. (18 Pa. C.S. §4904) For a more in-depth discussion of the changes in child support cooperation requirements from Act 35 to Act 58, refer to Section H, Item 48, of this document which outlines amendments to 55 Pa. Code Chapter 187, Support From Relatives Not Living With The Client. Act 58 also provides for a new support pass-through program which the Department of Public Welfare implemented on October 1, 1998. (23 Pa. C.S. §4374)

Sections 402(a)(7) and 408(a)(7)(C)(iii) of the Social Security Act, 42 U.S.C.A. §602(a)(7), give states the option to include in their TANF State Plan provisions to screen and identify victims of domestic violence, refer these individuals to counseling and supportive services, and waive certain program requirements for these individuals as needed. This option in the Federal statute is known as the Family Violence Option (FVO). Federal regulations governing this option are found at 45 CFR §§260.50-260.59. Since Pennsylvania elected to implement the FVO, the approved TANF State Plan contains an optional certification that the Department will establish and enforce standards to screen and identify victims of domestic violence; refer such individuals to counseling and supportive services; and waive, pursuant to a determination of good cause, other program requirements where compliance with such requirements would make it more difficult for individuals receiving assistance to escape domestic violence or unfairly penalize such individuals who are or have been victimized or individuals who are at risk of further violence. In April 1997, the Secretary of Public Welfare convened the Domestic Violence/TANF Taskforce to develop policies, procedures and strategies needed to implement the FVO. This Taskforce is

comprised of staff from the Department, the Pennsylvania Coalition Against Domestic Violence (PCADV), the Women's Law Project, and other advocate groups. As a result of the collaborative efforts of the Taskforce, a NORC was published at 30 Pa. B. 2957 (June 10, 2000) which revised the standards and process for establishing good cause and waiving child/spousal support requirements when the good cause claim is based on domestic violence. Although the FVO permits states to waive additional program requirements that may affect persons who are or have been victims of domestic violence, the Taskforce concentrated its efforts on revising child support requirements when Federal child support regulations found at 45 CFR Chapter 232, which had been the basis for Pennsylvania's child support regulations, were rescinded in December 1997. These revised requirements were implemented July 3, 2000 and are included in these amendments. The Department is continuing to collaborate with the Taskforce on the services plan provision as published in the NORC of June 10, 2000. The plan must be developed by a person with domestic violence training and be designed to lead to work to the extent that work is consistent with helping the individual achieve safety. This provision will be incorporated into a proposed rulemaking package to follow these amendments.

NEED FOR REGULATION

The Department of Public Welfare is required to comply with Federal and State law. This regulation is needed for consistency between Department regulations and legislative changes and to have a complete and integrated cash and medical assistance program for families.

Other changes in these regulations include editorial corrections and changes needed to make TANF a complete cash assistance program. Because the changes, both Federal and State, were so comprehensive, it was necessary to also change other provisions to make cash assistance regulations integrated and cohesive.

These regulations support the Department's comprehensive welfare reform plan that changes the direction of the public assistance program from one that fosters dependence on the system to one that promotes self-sufficiency through work. The over-riding principle embodied in the regulations is that assistance is temporary and must be seen as a transition to self-sufficiency. These regulations incorporate stringent work activity requirements and the Federal 60-month time limit on receipt of cash assistance.

SUMMARY OF REQUIREMENTS

I. The following are regulations that apply to the TANF and GA cash assistance programs:

A. The following revisions relating to the use and disclosure of information about applicants and recipients are being made to 55 Pa. Code Chapter 105, Safeguarding Information:

1. Sections 105.1(c)(3) and 105.3(g). Section 105.1(c)(3) is revised and §105.3(g) is added to provide that information may be released to law enforcement officers in accordance with Federal and State law. This information is generally limited to an address but may include other identifying

information which enables the Pennsylvania State Police and Pennsylvania Board of Probation and Parole to have access to the records of the Assistance Recipient Identification Program under 62 P.S. §414 within the Department in order to fulfill the objectives of §414, as specified in 55 Pa. Code §105.4(c)(2). (62 P.S. §§414 and 432(9); 42 U.S.C. §608(a)(9)(B))

2. Section 105.4(c) and (c)(1). This subsection and paragraph are added to specify that the Department may provide information to a Federal, State or local law enforcement officer regarding the address of a fugitive felon, parole or probation violator and the address of a person who may have information that the officer needs to conduct his official duties if the location or apprehension of the recipient is within his official duties. (42 U.S.C. §608(a)(9)(B))

NOTE: The Notice of Rule Change published at 27 Pa.B. 1092 (March 1, 1997) provided an incorrect 55 Pa. Code citation (§105.4(d)) for this requirement. The citation is correct as specified above.

3. Section 105.4(c)(2). This paragraph is added to specify that the Department of Public Welfare will have access to the central repository within the Pennsylvania State Police

for purposes of identifying persons who have been sentenced for a felony or misdemeanor and have not satisfied the penalty imposed by law. The Pennsylvania State Police and the Board of Probation and Parole will have access to the records of the Department's Assistance Recipient Identification Program (finger-imaging file in order to fulfill the objectives of 62 P.S. §414).

(62 P.S. §§414 and 432(9); 42 U.S.C. §608(a)(9)(A))

NOTE: The Notice of Rule Change published at 27 Pa.B. 1092 (March 1, 1997) provided an incorrect 55 Pa. Code citation (§105.4(d)) for this requirement. The citation is correct as specified above.

4. Subsections 105.4(c), (d), and (e) have been relettered (d), (e), and (f) respectively as a result of the change to subsection (c).

B. The following revisions relating to applying for benefits are being made to 55 Pa. Code Chapter 125, Application Process:

1. Section 125.1(f). This subsection is revised to specify that each applicant or recipient of cash assistance and other persons who are required to sign an application for assistance shall be required, as a condition of eligibility, to sign an Agreement of Mutual Responsibility (AMR) that is

approved by the Department. The AMR includes the individual responsibilities and obligations to be undertaken by the recipient to achieve self-sufficiency, the time frames within which each obligation is to be completed, the penalties for failure to comply, and the actions to be taken by the Department to support the efforts of the applicant or recipient. (62 P.S. §405.3(a); 42 U.S.C. §608(b))

2. Sections 125.1(f)(1), (f)(1)(i-vi), (f)(2), (f)(3), and 133.23(a)(1)(vi), (vi)(A), (vi)(B), (vi)(B)(I-VI), (vi)(C), (vi)(D), and (vi)(D)(I) and (II).

These sections are added to specify the obligations of recipients for the receipt of benefits. Recipients are obligated to remain free of illegal drugs and alcohol if substance abuse is determined to be a barrier to employment. Such persons must participate in, maintain compliance with, and satisfactorily complete an approved drug and alcohol treatment program. Recipients are also obligated to provide timely and accurate information; cooperate in establishing paternity and obtaining support; seek and participate in an educational program leading to a high school diploma or its equivalent, approved job training or work-related activities; and maintain employment. (62 P.S. §405.3(a))

A person who is required to sign an application for assistance and fails or refuses to complete and sign an AMR without good cause is ineligible for assistance until he

completes and signs the approved AMR. Failure to cooperate with child support requirements will result in penalties described in §141.21(e). Failure to comply with work or work-related requirements will result in the penalties described in §165.61, relating to sanctions.

3. Subsection 125.1(g). This subsection contains the provision formerly found at §125.1(f), relating to applicant notices regarding eligibility.

C. The following revision relating to the treatment of earned and unearned income is being made to 55 Pa. Code Chapter 133, Redetermining Eligibility Provisions:

1. Section 133.23(a)(1)(i)(A). This section is deleted and reserved. The income of a recipient will no longer be subject to the gross income eligibility limit (185% test). This test was eliminated to provide an incentive for recipients to accept and retain employment. Persons who may have been ineligible for assistance due to gross income will be entitled to deductions that may mean the difference between ineligibility and continuing cash assistance. The transition from welfare to self-sufficiency is, therefore, more gradual.

D. The following revisions relating to general eligibility requirements for the TANF and GA programs are being made to 55 Pa. Code Chapter 141, General Eligibility Provisions:

1. Section 141.1(b)(5). This paragraph is deleted because the provision that permits a specified relative of the only dependent child in the budget group to continue to receive cash assistance when the child is under a sanction is no longer consistent with State law. State law requires that when a disqualification occurs after a person has received cash assistance for more than 24 months, the disqualification is imposed on the entire budget group.
(62 P.S. §432.3(a)(1), (a)(2), and (b))

2. Section 141.21(e). This subsection is revised. No protective payment will be imposed. Act 58 removed this requirement. Failure to cooperate in establishing paternity or obtaining support without good cause will result in a reduction of the cash assistance allowance by 25%. (23 Pa. C.S. §4380(b)(2))

NOTE: The Notice of Rule Change published at 27 Pa.B. 1092 (March 1, 1997) provided an incorrect 55 Pa. Code citation (§141.21) for this requirement. The citation is correct as specified above.

3. Section 141.21(s). This subsection is revised to delete the specific reference to GA applicants or recipients, as the provision applies to all categories of cash assistance. An applicant or recipient of GA or TANF who has been convicted of violating Section 481(a) of the Public Welfare Code, a crime commonly referred to as welfare fraud, is ineligible for cash assistance for a period of 6 months from the date of a first conviction, 12 months from the date of a second conviction, and permanently from the date of a third conviction. (62 P.S. §481(f))
4. Section 141.21(t). This subsection is deleted and reserved because §141.21(s) as amended (see #3 above) makes the provision of §141.21(t), which applies to TANF applicants or recipients, redundant and unnecessary.
5. Section 141.21(u) and (u)(1). This subsection and paragraph are added to specify that a person is ineligible for assistance if he is fleeing to avoid prosecution, or custody, or confinement following conviction for a felony, or as felonies are classified in the State of New Jersey, a high misdemeanor. (62 P.S. §403(b); 42 U.S.C. §608(a)(9))
6. Section 141.21(v). This subsection is added to specify that cash assistance payments will not be made to a person for ten years from the date of conviction, in a Federal or State

court, of fraudulent misrepresentation of residence in order to receive TANF, GA, MA, Food Stamps, or SSI simultaneously in two or more states. (62 P.S. §403(b); 42 U.S.C. §608(a)(8))

7. Sections 141.41(e) and 141.61(a)(1)(xv). These sections are added to specify that cash assistance applicants must agree to seek employment, accept any offer of employment, and maintain employment as a condition of eligibility unless they are exempt (e.g., by reason of a verified disability). Likewise, cash assistance recipients must seek, accept any offer of employment, and maintain employment as a condition of continued eligibility unless they are exempt. Refer to 62 P.S. §405.1(a.3) for specific exemptions. For the first 24 months of receipt of cash assistance, whether continuous or interrupted, nonexempt applicants and recipients who are not employed for an average of 20 hours per week must participate in an approved work-related activity as a condition of eligibility for cash assistance. After the first 24 months of receipt of cash assistance, whether receipt is continuous or interrupted, nonexempt recipients must participate in unsubsidized employment, subsidized employment, work experience, on-the-job training, community service, or workfare for at least 20 hours a week, averaged monthly. (62 P.S. §§405.1(a.2) and (2))

E. The following revisions relating to the deprivation of a TANF child due to the absence or unemployment of a parent are being made to 55 Pa. Code Chapter 153, Deprivation of Support or Care:

1. Section 153.42. This section is revised to add the definition of "cash assistance allowance," a term which is used in Act 58 but not defined at 23 Pa. C.S. §4380.
2. Section 153.44(a)(1). This paragraph is deleted and reserved since it addresses a now obsolete requirement under the AFDC program.
3. Section 153.44(a)(2). This paragraph is revised to delete a sentence that relates to the deleted material in §153.44(a)(1).
4. Section 153.44(a)(3). This paragraph is revised to delete an obsolete reference to a section within 55 Pa. Code Chapter 187, Support from Relatives not Living With the Client.
5. Section 153.44(a)(11). This paragraph is revised to include a reference to a putative father as an individual from whom support must be sought in accordance with support requirements outlined in 55 Pa. Code Chapter 187.
6. Section 153.44(b)(2)(i)(A). This clause is amended to correct the cross-reference to a section that has been revised within 55 Pa. Code Chapter 187.

7. Section 153.44(b)(2)(i)(C). Based upon Act 58, this clause is revised to specify that the penalty imposed for noncooperation is now a reduction in the cash assistance allowance by 25%. No protective payment will be imposed. Act 58 removed this requirement. (23 Pa. C.S. §4380)

8. Section 153.44(d)(1)(vi). This subparagraph is deleted because the provision that provides for a penalty to be imposed against both parents in a household is no longer applicable. State law now provides that, during the first 24 months that assistance is received, a penalty is imposed only on the person who commits the violation. After the receipt of 24 months of benefits, a penalty is imposed on the entire household if the CAO determines that the violation is willful and without good cause. (62 P.S. §§432.3(a), (a)(1), (a)(2) and (b))

9. Section 153.44(e)(1)(i). This subparagraph is revised to delete the obsolete form number. The Acknowledgment of Paternity Form is now Form PA/CS 611.

10. Section 153.44(e)(1)(i)(A). This clause is revised to delete the requirement that the signatures of both the putative father and the mother that appear on the Acknowledgment of Paternity Form must be notarized. In accordance with Act 58, the provision that the signatures need only be witnessed by a third party is added. (23 Pa. C.S. §5103(c))

11. Section 153.44(e)(1)(i)(B). Based upon Act 58, this clause is revised to delete the word "notarized" since the Acknowledgment of Paternity Form no longer must be notarized prior to sending it to the Bureau of Child Support Enforcement. (23 Pa. C.S. §5103(c))

F. The following revisions relating to work requirements, conciliation of disputes, conditions of eligibility for cash assistance, good cause, penalties, and notifications are being made to 55 Pa. Code Chapter 165, including a change in the chapter title from Employment and Training Program to Road to Economic Self-Sufficiency Through Employment and Training (RESET) Program:

1. Section 165.1(a). This subsection is revised to delete the reference to the Employment and Training Program (ETP) and replace it with a reference to the RESET Program as specified in State law. A provision is added that requires all nonexempt applicants to agree to comply with the requirements of RESET and to all nonexempt recipients to participate in RESET and to seek employment, accept any offer of employment, and maintain employment. This subsection is also revised to remove the statement that gives priority for services to volunteers for the program. The setting of such priorities is no longer appropriate because all nonexempt recipients are required by State law to participate in activities that promote self-sufficiency. The Department wants to assure that there are sufficient resources to serve such individuals. (62 P.S. §§405.1, 402))

2. Section 165.1(b). This subsection is revised to delete the reference to the Employment and Training Program (ETP) and replace it with the phrase, "The Department." This change broadens the Department's role to provide case management and identify resources.
3. Section 165.2. This section is revised to obsolete the term "Employment Development Plan", except as used to describe grandfathered activities, and to replace it with the term "Agreement of Mutual Responsibility (AMR)." The work and work-related activities of RESET are now included in the AMR. This section is also revised to add the definitions of RESET and grant diversion and to delete the definition of ETP. (62 P.S. §§402 and 405.3)
4. Section 165.11. This section is reserved. The information relating to verification of exemption which was previously found in this section has been relocated to §165.22.
5. Section 165.21(c)(1). This paragraph is revised to specify that a mental or physical disability does not provide for an automatic exemption from the RESET program. State law requires that in order to be exempt from RESET due to a physical or mental disability, the disability must temporarily or permanently preclude any form of employment or work-related activity. (62 P.S. §405.1(a.3)(1))

6. Section 165.21(c)(1)(i). This subparagraph is revised to remove the reference to licensed midwife as a source of verification of the period of recuperation after childbirth because State law only permits disability to be verified by a physician or psychologist. (62 P.S. §405.1(a.3)(1))

7. Section 165.21(c)(1)(iii). This subparagraph is added to require an applicant or recipient with a verified mental or physical disability, including drug or alcohol dependency, to pursue appropriate treatment as a condition of receiving assistance if the individual is exempt from the RESET program. (62 P.S. §405.1(a.3)(1))

8. Section 165.21(c)(1)(iv). This subparagraph is added to reflect the Department's authority to require an applicant or recipient to submit to an independent examination as a condition of receiving assistance if the individual is exempt from the RESET program if documentation provided by the applicant or recipient is inconclusive or questionable. (62 P.S. §405.1(a.3)(1))

9. Section 165.21(c)(2), (3), and (4). The exemptions previously found in these paragraphs are deleted because their content contained exemption criteria which have been altered by State law. Therefore, persons 60 years of age or older, persons incapacitated due to drug or alcohol

dependency and persons needed in the home because of the illness or incapacity of another household member are no longer automatically exempt from participation in RESET. However, such persons have the opportunity in accordance with §165.52 to establish good cause for not meeting a work requirement. (62 P.S. §§405.1(a.3)(1), (2) and (3))

10. Section 165.21(c)(5). This paragraph is renumbered (2) and revised to provide an exemption for a parent or other caretaker who is personally providing care for a child under 6 years of age for whom alternate child care arrangements are not available. (62 P.S. §405.1(a.3)(2))
11. Sections 165.21(c)(6) and (7). The exemptions described in these paragraphs are deleted because State law has changed the exemption criteria for the RESET program. Therefore, parents or other caretakers personally providing care for a child 3 years of age or older and 5 years of age or younger unless appropriate child care is guaranteed and persons working at least 30 hours per week are no longer exempt from participation in the RESET program for these reasons. (62 P.S. §405.1(a.3))
12. Section 165.21(c)(8). This paragraph is renumbered (3) and is revised to provide an exemption from participation in the RESET program for a child who is under 18 years of age and, if of school age, is pursuing education leading to a high school diploma or certificate of high school equivalency. (62 P.S. §405.1(a.3)(3))

13. Section 165.21(c)(9). The exemption described in this paragraph is deleted because State law has changed the exemption criteria for the RESET program. Therefore, a pregnant woman is no longer exempt from participation in RESET unless it can be appropriately documented that her pregnancy incapacitates her to the extent that she is precluded from any form of employment. This paragraph is also renumbered (4) and provides a new exemption for a single custodial parent caring for a child who has not attained 12 months of age. This exemption is limited to a maximum of 12 months in the parent's lifetime.
(62 P.S. §405.1(a.3)(1) and 42 U.S.C. §607(b)(5))

14. Sections 165.21(c)(10) and (c)(11). The exemptions described in these paragraphs are deleted because State law has changed the exemption criteria for the RESET program. Therefore, persons serving full-time in the Volunteers In Service To America (VISTA) program and persons residing more than two hours round trip from a RESET site are no longer exempt from participation in RESET. (62 P.S. §405.1(a.3)(1))

15. Section 165.21(d). This subsection is deleted because State law has changed the participation requirements for the RESET program. Therefore, the provision requiring a custodial parent between 16 and 20 years of age to participate in the RESET program is no longer applicable and is being removed.
(62 P.S. §§405.1(a.3)(1) and (2))

16. Section 165.22(a). This subsection is revised to clarify that cooperation requirements for providing information about and verification of exempt status apply to applicants as well as to recipients. (62 P.S. §405.1(a.3))
17. Section 165.22(a)(1). This paragraph is added to specify that the Department may require an applicant or recipient claiming an exemption from work requirements based on a physical or mental disability to submit to an independent examination as a condition of receiving assistance if exempt under the RESET program. (62 P.S. §405.1 (a.3))
18. Section 165.22(a)(2). This paragraph is added to require an applicant or recipient with a verified physical or mental disability which temporarily precludes any form of employment to pursue appropriate treatment as a condition of receiving assistance if exempt under the RESET program. (62 P.S. §405.1(a.3)(1))
19. Section 165.22(b). This subsection is revised to delete references to certain types of documentation that are no longer considered acceptable as verification of an exemption. (62 P.S. §405.1(a.3)(1))
20. Section 165.22(b)(1). This paragraph is added to require that verification of a physical or mental disability be established on a form specified by the Department and be based on acceptable clinical and laboratory diagnostic techniques rather than on an applicant's or recipient's statement of symptoms. (62 P.S. §405.1(a.3)(1))

21. Section 165.22(b)(2). This paragraph is modified to delete the provision which allowed for subjective determinations of exempt status as State law requires verification of each type of exemption. (62 P.S. §405.1(a.3)(1))

22. Section 165.22(b)(3). This paragraph is set apart from (b)(2) to clarify the provision.

23. Section 165.25. This section is added to clarify how quickly a person who was formerly exempt from the RESET program is required to participate in work or a work-related activity when the exemption ends. (62 P.S. §405.1(a.4))

24. Section 165.25(1), (1)(i), and (1)(ii). This subsection, paragraph and subparagraphs are added to provide that an individual who is exempt from participation in the RESET program due to a physical or mental disability is required to participate immediately if the condition ceases within the first 22 months that the person receives assistance or within 8 weeks if the condition ceases after the person has received assistance for 22 months or more, as required by State law. (62 P.S. §§405.1(a.4)(1)(i) and (ii))

25. Section 165.25(2). This paragraph is added to specify that a person who is exempt from participation in the RESET program due to providing care for a child under age 6 is

required to participate as soon as alternate child care arrangements become available or when the child reaches age 6, whichever occurs first, as required by State law. (62 P.S. §405.1(a.4)(2))

26. Section 165.25(3), (3)(i), (3)(ii), and (3)(iii). This paragraph and subparagraphs are added to specify that an individual who is under 18 years of age is required to participate in the RESET program upon reaching 18 years of age, attaining a high school diploma or a certificate of high school equivalency or ceasing to pursue a high school diploma or a certificate of high school equivalency. (62 P.S. §405.1(a.4)(3))
27. Section 165.25(4), (4)(i), (4)(ii), and (4)(iii). This paragraph and subparagraphs are added to specify that a single custodial parent who is exempt from participation in the RESET program due to caring for a child under 12 months of age is required to participate when the child reaches 12 months of age, when the custodial parent has claimed the exemption for the maximum 12-month period in the parent's life-time, or if the custodial parent chooses not to claim this exemption. (42 U.S.C. §607(b)(5))
28. Section 165.31(a). The provisions previously found in this subsection relating to voluntary participation by persons who are exempt have been deleted, except the provision that exempt individuals may volunteer to participate in RESET is relocated to (h). (62 P.S. §405.1(a.1))

29. Section 165.31(b). The provisions previously found in this subsection relating to voluntary participation by persons who are nonexempt are deleted. This subsection is rewritten to specify that a recipient who has an Employment Development Plan approved prior to the implementation of the TANF program is considered to be engaged in grandfathered activities and permitted to continue in the approved activity or activities, without being required to participate in additional work-related activities, until the activity is completed if the recipient is making satisfactory progress or until the recipient otherwise ceases to participate, whichever occurs first. After receiving cash assistance for 24 months, the recipient must also comply with the work requirements of paragraphs (e)(1)-(6). Additionally, the sanctions found in §165.61 still apply. (62 P.S. §§405.1(a.2)(6) and 432.3)
30. Section 165.31(c). The previous content of this subsection which concerned priority of educational activities for custodial parents is deleted. This section now contains RESET participation requirements that apply to all nonexempt individuals who are not employed for an average of at least 20 hours per week. Such individuals are required to seek and accept any offer of employment and maintain employment as a condition of eligibility or continuing eligibility for cash assistance. (62 P.S. §§405.1 (a.2)(2) and 432.3)

31. Section 165.31(d). The provisions previously found in this subsection relating to the EDP are revised and relocated to subsection (f). The requirements, in addition to those in subsection (c), that apply in the first 24 months that an individual who is not exempt from RESET participation is receiving TANF cash assistance are added. (62 P.S. §405.1(a.2)(2))
32. Section 165.31(d)(1). This paragraph is added to specify that the initial work-related activity is an independent job search of up to 8 weeks, except for grandfathered recipients or for those 18 years of age or older but under 22 years of age who are pursuing a high school diploma or its equivalent. Recipients have the independent choice to conduct initial job search through a contractor, where it is available. (62 P.S. §405.1(a.2)(3))
33. Section 165.31(d)(1)(i). This subparagraph is added to clarify that the initial job search is required upon authorization of cash assistance. (62 P.S. §405.1(a.2)(3))
34. Section 165.31(d)(1)(ii). This subparagraph is added to clarify that an initial job search for recipients who, on the effective date of 62 P.S. §405.1(a.2)(3), have not completed an initial job search is required within 8 weeks of the recipient's next redetermination of eligibility. (62 P.S. §405.1(a.2)(3))

35. Section 165.31(d)(1)(iii). This subparagraph is added to clarify that individuals must document job search efforts and present such documentation to the county assistance office upon request. Failure to comply with the requirements of this section shall result in sanctions pursuant to §165.61. (62 P.S. §§405.1(a.2)(3) and 432.3)
36. Section 165.31(d)(2), and (d)(2(i) - (xi)). This paragraph and subparagraphs are added to list the activities which, after the initial job search, a recipient may participate in to fulfill the work-related activity requirement, if approved, during the first 24 months, whether consecutive or interrupted, that a recipient receives cash assistance. According to State law, the activities are subsidized employment, work experience, on-the-job training, community service, workfare, vocational education, general education, English-as-a-second-language, job skills training, job search, and job readiness/ preparation activities subject to the limits found at paragraphs (d)(3) and (d)(4). (62 P.S. §§402, and 405.1(a.2)(5))
37. Section 165.31(d)(3). This paragraph is added to specify that participation in approved vocational education, general education, English-as-a-second-language, and job skills training as a countable work-related activity is limited by State law to a maximum of 12 months, whether consecutive or interrupted, during the first 24 months that an individual receives cash assistance. (62 P.S. §405.1(a.2)(5))

38. Section 165.31(d)(4). This paragraph is added to permit recipients who are 18 years of age or older but under 22 years of age who do not have a high school diploma or its equivalent to fulfill the work-related activity requirement for a maximum of 24 months, whether consecutive or interrupted, by pursuing a high school diploma or its equivalent. (62 P.S. §405.1(a.2)(5))
39. Section 165.31(e). The provisions, previously found in this subsection, relating to the self-initiated education and training are relocated to subsection (g). The requirements that apply to nonexempt individuals who have received cash assistance benefits for more than 24 months are added. 62 P.S. §405.1(a.2)(6))
40. Section 165.31(e)(1) - (6). This subsection and paragraphs are added to list the approvable work activities in which nonexempt recipients, after receiving cash assistance for 24 months, whether or not the months are consecutive or interrupted, must participate in order to fulfill the work requirement. Participating in an approved work activity for an average of 20 hours per week in any one or a combination of the following activities is required by State law: unsubsidized employment, subsidized employment, work experience, community service, on-the-job training, or

workfare. Willful failure to comply with the requirements of this section shall result in the imposition of sanctions pursuant to §165.61 unless good cause for non-compliance is established. (62 P.S. §405.1 (a.2) (6))

41. Section 165.31(f). The provisions of this paragraph were revised and relocated from subsection (d) and revised to specify that the AMR serves as the client's Employment Development Plan (EDP), except for grandfathered individuals with EDPs approved prior to March 3, 1997. Final approval of the work, training and education activities listed on the AMR rests with the Department. The AMR is not considered a contract.

42. Section 165.31(g). The provisions of this subsection are relocated from subsection (e) and revised to delete the reference to EDP and replace it with a reference to the AMR. (62 P.S. §405.3)

43. Section 165.31(g)(4). This paragraph is added to specify that after 12 months of participation in any self-initiated education or training activity as specified in subsection (g), nonexempt individuals must also fulfill the work-related activity requirements as specified in subsections (a) and (c) during the first 24 months of receiving cash

assistance. It is further added that nonexempt individuals as described in this paragraph who willfully fail to comply without good cause are subject to the imposition of sanctions pursuant to §165.61. (62 P.S. §405.1(a.2)(5))

44. Section 165.31(g)(5). This paragraph is added to specify that after receiving cash assistance for 24 months, individuals participating in self-initiated activities as specified in subsection (g) must also fulfill the work requirements as specified in subsection (e). It is also added that nonexempt individuals as described in this paragraph who willfully fail to comply without good cause are subject to the imposition of sanctions pursuant to §165.61. (62 P.S. §§405.1(a.2)(6) and 432.3)
45. Section 165.31(h). This provision relating to exempt voluntary participation has been relocated from subsection (a); the rest of the provision has been deleted.
46. Section 165.51(a). This subsection is revised to clarify that noncompliance will result in a review of eligibility. This subsection is further revised to specify that conciliation will be conducted as part of a review of eligibility known as a partial redetermination, and may be conducted either in person or by telephone. This revision gives both the Department and the recipient greater flexibility and is intended to expedite dispute resolution before the issuance of a notice of adverse action.

47. Section 165.51(b). This subsection is revised to redefine the purpose of the conciliation session to one of determining the facts and circumstances resulting in the client's noncompliance and of determining whether the client had good cause for failing to comply. This subsection is further revised to delete the reference to the EDP and replace it with the reference to the AMR. (62 P.S. §§405.1, 402)
48. Section 165.61(a). This subsection is revised to add that the willful failure of a nonexempt recipient to cooperate, without good cause, in fulfilling the work or work-related activity requirements specified in the AMR or statutory work or work-related requirements even when those requirements are not specified in the AMR, will result in a sanction. This subsection incorporates the requirements found in both 62 P.S. §§405.1 and 432.3. (62 P.S. §§405.1 and 432.3)
49. Section 165.61(b), (b)(1), (b)(2), and (b)(3). The requirements previously found in this subsection have been redesignated as (e), relating to the caretaker continuing to receive benefits when the only TANF child in the budget group is under sanction. This subsection now contains the periods of sanction for failure to cooperate with the requirements of the RESET program, as required by State law. For the first occurrence, the sanction is 30 days or until

the failure to comply ceases, whichever is longer. For the second occurrence, the sanction is 60 days or until the failure to comply ceases, whichever is longer. For the third occurrence, the sanction is permanent. (62 P.S. §432.3(a)(1), (a)(2), and (b); 42 U.S.C. §607(e)(1))

50. Section 165.61(c), (c)(1), (c)(2). The provision that both parents would be sanctioned if one parent fails to enroll in or participate in the RESET program is deleted because State law has changed the sanction requirements. Paragraphs are added to specify the applicability of sanctions as required by State law. During the first 24 months that assistance is received, the sanction is imposed only on the person who fails to comply. After 24 months, the sanction is imposed on the entire budget group. (62 P.S. §§432.3(a)(1), (a)(2), and (b); 42 U.S.C. §607(e)(1))

51. Sections 165.61(d). The requirements previously found in this subsection have been redesignated as subsection (b), relating to sanction periods. This subsection now contains the provision that, in lieu of the durational sanctions listed in subsection (b) and paragraph (c)(1), the grant of a budget group will be reduced if an employed member of the budget group voluntarily and without good cause reduces his earnings during the first 24 months that assistance is

received by not working an average of 20 hours per week. The reduction will be the dollar value of the income that would have been earned if the recipient had not voluntarily reduced the hours of employment to less than an average of 20 hours per week. The reduction continues until the 20 hours per week work requirement is met. (62 P.S. §§432.3(a)(1), (a)(2), and (b))

52. Section 165.61(e). The requirements previously found in this subsection have been redesignated as subsection (f), relating to protective payee payments. Regulations are added regarding the caretaker continuing to receive benefits when the only TANF child in the budget group is under sanction. (62 P.S. §§432.3(a)(2))
53. Section 165.61(f). The provisions of this subsection are relocated from subsection (e) and revised to clarify that if an individual under sanction during the first 24 months of cash assistance is a parent or other caretaker, payment to the remaining budget group members will be made in the form of a protective or vendor payment.
54. Section 165.71(b). This subsection is deleted and reserved because sending a reminder letter to an individual whose sanction has lasted three months is no longer necessary or relevant. Since TANF benefits are now time-limited, the Department does not want to encourage a person to reapply for TANF if he or she has found the means to be self-sufficient during the disqualification period.

G. The following revisions relating to resources are being made to

55 Pa. Code Chapter 177, Resources:

1. Section 177.21(a)(2). This paragraph is revised to specify that the full value of one automobile per TANF or GA budget group is excluded as a resource. The equity value of all other vehicles is counted and applied toward the resource limit applicable to the budget group. (62 P.S. §432.5(c)(4))

2. Section 177.21(a)(11). A phrase is added to this paragraph to specify that funds withdrawn from education savings accounts must be used to pay for post-secondary education expenses.

Note that the NORC, 27 Pa.B. 1092, at 1096, announced that education savings accounts would be exempt as individual development accounts (IDAs) under TANF as long as contributions were from earned income only. In these regulations, education savings accounts are exempt if they meet the requirements of State law, 62 P.S. §408.2(a), which does not require that the contributions to the account come from earned income. After careful analysis of the option to exempt IDAs permitted under PRWORA, the Department has decided not to implement this option. The requirements for implementation as specified in §404(h) of PRWORA are complex, restrictive, and not beneficial to clients.

3. Section 177.21(a)(11)(iii). This subparagraph is revised to clarify that only monies withdrawn to pay for educational expenses that are paid to an approved educational institution are exempt. (62 P.S. §408.2)

4. Section 177.21(a)(13). This paragraph is added to specify that student financial assistance in the form of loans, grants and scholarships which are used to pay for educational expenses is excluded as a resource.

5. Section 177.21(a)(14). This paragraph is added to specify that the face and cash value of a life insurance policy is exempt from consideration as a resource.

6. Section 177.21(a)(15). This paragraph is added to specify that Family Savings Accounts established pursuant to 73 P.S. §§400.2101-400.2103, Act 1997-23, are exempt from consideration as a resource. This exemption was not included in the NORC published at 27 Pa.B. 1092 (March 1, 1997) and, consequently, will not be effective retroactively. It will be effective upon publication.

7. Section 177.22(b)(3)(ii). This subparagraph is revised to specify that in cases where a budget group has been unable to sell nonresident property for reasons beyond their control, the 9-month time limit for disposing of property is extended for additional 9-month periods as long as the budget group is making a good-faith effort to sell the property.

8. Section 177.22(b)(4). This paragraph is revised to clarify that the budget group is ineligible for cash assistance if it cannot substantiate for each 9-month exemption period that it has made or is making a good-faith effort to sell the nonresident real property.
9. Section 177.24(1)(ii), (ii)(A) and (ii)(B). This subparagraph and clauses are deleted because they relate to life insurance which is now excluded as a resource.

H. The following revisions relating to the treatment of earned and unearned income are being made to 55 Pa. Code Chapter 183, Income:

1. Section 183.23. This section is deleted and reserved. Income-in-kind for services rendered is now excluded when determining eligibility and payment amount. (62 P.S. §401(a))
2. Section 183.38. This section is revised to clarify that student financial assistance in the form of loans, grants, and scholarships is excluded as income unless the assistance is provided solely to meet basic living needs. (62 P.S. §401(a))
3. Section 183.71. This section is revised to specify that the income of a recipient will no longer be subject to the gross income eligibility limit (185% test). This test was

eliminated to provide an incentive for recipients to accept and retain employment. Persons who may have been ineligible for assistance due to gross income will be entitled to deductions that may mean the difference between ineligibility and continuing cash assistance. The transition from welfare to work to self-sufficiency is, therefore, more gradual.

4. Section 183.81(3)(i). The provisions of this subparagraph are deleted and replaced by the provision that all student financial assistance in the form of loans, grants, or scholarships is excluded as income unless the assistance is provided solely to meet basic living needs.
5. Sections 183.81(3)(iii) and (iv). These subparagraphs are deleted as unnecessary and duplicative. Section 183.81(3)(i) provides that all educational assistance is excluded as a resource except assistance that is provided solely to meet basic living needs.
6. Section 183.81(29). The support pass-through disregard as codified at 55 Pa. Code §183.81(29) is reinstated as amended by Act 1997-58. Former §432.7(g) of the Public Welfare Code (62 P.S. §432.7(g)) specified that the Department continue payment of support pass-through payments to cash assistance recipients as required by Federal law. There was no

Departmental regulation that required payment of the support pass-through. There was, however, a regulation requiring the Department to disregard receipt of up to the first \$50 per budget month of current court-ordered or voluntary support (55 Pa. Code §183.81(29)). PRWORA, enacted on August 22, 1996, eliminated the Federal requirement to pay the support pass-through. As a result, the Department announced its intention to discontinue payment of the support pass-through with publication of the NORC, which was effective March 3, 1997. (27 Pa.B. 1092 (March 1, 1997.)) At that time, the Department announced it would delete 55 Pa. Code §183.81(29) as well. On April 1, 1997, a lawsuit, Success Against All Odds, et al. v. Department of Public Welfare, 700 A.2d 1340 (Pa. Commw. 1997), was filed in Commonwealth Court challenging the Department's cessation of the support pass-through. Effective May 1, 1997, the Commonwealth Court ordered the Department to reinstate the support pass-through payment and income disregard pending a determination on the merits. On August 20, 1997, Commonwealth Court ruled that the Department was acting within its statutory mandate when it discontinued support pass-through payments. Plaintiffs appealed to the Pennsylvania Supreme Court. Pass-through payments were then discontinued effective November 1, 1997. On November 13, 1997, the Pennsylvania Supreme Court entered an order, staying the August 20, 1997, Commonwealth Court Order,

requiring the Department to resume support pass-through payments and the income disregard pending further order of that Court. Success Against All Odds et al. v. DPW, No. 122 M.D. Appeal Dkt. 1997. Effective December 1, 1997, support pass-through payments were again issued to cash assistance recipients and the income was disregarded for eligibility purposes.

Act 1997-58, enacted on December 16, 1997, added Section 4374(c)(1)(ii) of Title 23 (Domestic Relations) (23 Pa. C.S. §4374(c)(1)(ii)) to require the Department to first, pay to the Federal government the Federal share of current support collected, and then, from the amount remaining, pass through to the budget group the first \$50 per month of current support collected without decreasing the amount of cash assistance.

Effective January 1, 1998, Act 1997-58 also repealed 62 P.S. 432.7(g), the statutory provision upon which the litigation was founded. However, the pass-through requirement pursuant to Act 58 was temporarily suspended because of the stay entered by the Pennsylvania Supreme Court on November 13, 1997. On May 20, 1998, the Pennsylvania Supreme Court affirmed Commonwealth Court's ruling of August 20, 1997, thereby ending the stay.

The Department of Public Welfare implemented the new Support Pass-Through Program mandated by Act 58 on October 1, 1998.

I. The following revisions relating to Chapter 187, Support From Relatives Not Living With The Client, §§187.21-187.27, reflect the changes announced by the Notice of Rule Change and further amended by Act 58. Additionally, the chapter regulations, as appropriate, are reorganized into logical sequence and procedures are eliminated:

1. Section 187.21. This section includes the text of the former subsection (a). This section is amended to set forth the policy that the Department grants assistance only to persons who apply for and meet all conditions of eligibility. This section is also amended to set forth the policy for the referral of persons who do not receive assistance but wish to receive child support enforcement services that had been provided at §187.24(c). A reference to the Domestic Relations Code is added. (23 Pa. C.S. §§4301-5104, 7101-8415 and 62 P.S. §§101-1503 and §§1971-1977)
2. Section 187.21(b). This subsection is deleted because the requirement concerning the automatic assignment of support rights to the Department is set forth in §187.23(e), Assignment of Support Rights.
3. Section 187.21(c). This subsection is deleted because it relates to procedures, and the Bureau of Claim Settlement Child Support Unit no longer exists. The Bureau of Child

Support Enforcement is the State agency responsible for the administration of Pennsylvania's Support Enforcement Program under Title IV-D of the Social Security Act and State law (42 U.S.C. §§651-669b; 23 Pa. C.S. §4372(a)). The deleted procedural information is appropriately delineated in the Department's Cash Assistance Handbook, Chapter 131, Support.

4. Section 187.21(d). This subsection is deleted because it relates to procedures. The procedures regarding the effect of automatic support assignment are appropriately delineated in the Department's Cash Assistance Handbook, Chapter 131, Support.
5. Section 187.21(e). This subsection is deleted because it relates to procedures. The procedures regarding the treatment of support collections and CAO responsibilities are appropriately delineated in the Department's Cash Assistance Handbook, Chapter 131, Support and Chapter 150, Income.
6. Section 187.21(f). This subsection is deleted because it relates to procedures. The procedures regarding the timing of the effect of the assignment of support and the interchange of information about support collections and the cash assistance eligibility determination are appropriately delineated in the Department's Cash Assistance Handbook, Chapter 131, Support and Chapter 150, Income.

7. Section 187.21(g). This subsection is deleted because it relates to procedures. The procedures regarding the Child Support Action Notice and the interchange of Cash Assistance information from the CAO to the Child Support Unit, and the responsibilities of the Bureau of Child Support Enforcement are delineated in the Department's Cash Assistance Handbook, Chapter 131, Support.

8. Section 187.22. This section is amended to delete the definitions of alimony, child born out-of-wedlock, legally responsible relative, and spouse because the terms are either not used or are clarified in the new definitions. The procedures regarding paternity establishment are deleted and delineated in the Department's Cash Assistance Handbook, Chapter 131, Support. The term "alimony" is not used in the chapter; instead, the term "support" is added based upon Act 58's definition of "order of support." The terms "child" and "child born out-of-wedlock" are not used in the chapter. The term "spouse" is included in the redefined term "legally responsible relative." The definitions of "arrears", "budget group", "Bureau of Child Support Enforcement (BCSE)", "cash assistance allowance" (Act 58 change), "County Assistance Office (CAO)", "Department (DPW)", "Domestic Relations Section (DRS)", "establishing paternity", "legally responsible relative (LRR)", "obtaining support", and "unemancipated minor child" are added.

Pennsylvania caselaw establishes that a parent is liable for the support of his child until the child reaches age 18 or graduates from high school, whichever occurs later. Blue v. Blue, 532 Pa. 521, 616 A.2d 628 (1992). A "minor" is defined as "an individual under the age of twenty-one (21) years." (1 Pa. C.S. 1991.) Thus, the outside age limit for support of a minor child is age 21. However, the obligation to support a child may end sooner where a minor has become emancipated. 23 Pa. C.S. 4323(a).

9. Section 187.23(a). This subsection is retitled, "Applicability" and deletes the current language of §187.23(a). This section applies to applicants/recipients of cash assistance if there is the reported absence of a parent from the home of an unemancipated minor child, the presence of a putative father for an unemancipated minor child, and a spouse absent from the home. Absence of a parent from the home is determined according to the requirements under §153.44(a). The specific cooperation criteria for child support are set forth in §187.23(b).

10. Section 187.23(a)(1), (a)(1)(i), (a)(1)(ii), (a)(1)(ii)(A)-(D), (a)(1)(iii), (a)(2), (a)(2)(i), (a)(2)(i)(A) and (B), (a)(2)(ii), and (a)(2)(iii). These paragraphs, subparagraphs, and clauses are deleted. The provisions regarding the referral of cash assistance applicants/

recipients for child support services are set forth in §187.23(d), relating to cooperation. Every applicant/recipient must appear before the DRS or other applicable division of the Court of Common Pleas before cash assistance is authorized. The previous exemption regarding a mutual agreement existing between the DRS and the Department regarding local referral procedures is incorporated in §187.23(d)(2). Previously exempt applicants/recipients who had filed a support complaint within 90 days or had a support order established in the last 12 months must now comply with the child support eligibility requirements. The personal appearance requirement affords the applicant/recipient the opportunity to report changes and circumstances and provide new information to the DRS as required by Federal law. The information provided to the DRS may result in the establishment of paternity or location of the noncustodial parent. (23 Pa. C.S. 4378(a)) The provisions regarding the exemptions from cooperation requirements are modified and specified in §§187.23(d)(3) and (4). The exemption provisions are limited to applicants/recipients applying on behalf of a newborn or filing a good cause claim. The provisions regarding the CAO responsibility to inform the applicant/recipient of the opportunity to claim good cause are deleted here and set forth in §187.25(a). The child support cooperation requirements are set forth in §187.23(b).

11. Section 187.23(a)(3), (a)(3)(i), (a)(3)(i)(A), (a)(3)(i)(A)(I) and (II), (a)(3)(i)(B)-(D), (a)(3)(ii), (a)(3)(ii)(A)-(F), (a)(3)(iii)-(vi), (a)(4), and (a)(4)(i)-(ix). These paragraphs, subparagraphs, clauses, and subclauses are deleted. The provisions regarding waiver of child support cooperation requirements for good cause are set forth in §§187.25(a)(4)-(7) and 187.27.

12. Section 187.23(a)(5) and (a)(5)(i) and (ii). This paragraph and subparagraphs are deleted. The responsibilities of the County Assistance Office (CAO) in the support referral process are delineated as procedures in the Department's Cash Assistance Handbook. The provisions regarding notice to the applicant regarding cooperation requirements and noncooperation are set forth in §§187.25(a)(2) and (3), and 187.26.

13. Section 187.23(a)(6) and (a)(6)(i)-(v). This paragraph and subparagraphs are deleted because the provisions relate to procedures. The responsibilities of the Domestic Relations Sections in the support referral process are delineated as procedures in the Department's Cash Assistance Handbook, Chapter 131, Support.

14. Section 187.23(b). This subsection is retitled, "*Cooperation Criteria for Child Support*", and is amended to incorporate the requirement that an applicant/recipient

seeking assistance on behalf of an unemancipated minor child must cooperate in establishing paternity and obtaining support from a legally responsible relative unless the applicant/recipient has good cause for failing to do so. (23 Pa. C.S. §4379)

15. Section 187.23(b)(1). This paragraph is amended to incorporate the requirement that an applicant/recipient must identify the parents of a child for whom assistance is sought and appear for and submit to genetic testing with the child. (23 Pa. C.S. §4379(2)(i)(A)). The cooperation criteria for obtaining spousal support are set forth in §187.23(c).
16. Section 187.23(b)(1)(i). This subparagraph is amended to specify that a presumption of noncooperation which may be rebutted only by clear and convincing evidence arises if a mother fails to identify by name the father of an unemancipated minor child. (23 Pa. C.S. §4379(2)(ii))
17. Section 187.23(b)(1)(ii). This subparagraph is amended to specify that a presumption of noncooperation which may be rebutted only by clear and convincing evidence arises with the second exclusion if the applicant/recipient provides the names of two putative fathers subsequently excluded from paternity by genetic testing. (23 Pa. C.S. §4379(2)(iii))

18. Sections 187.23(b)(1)(ii)(A) and (B). These subclauses are deleted. The cooperation criteria for obtaining spousal support are set forth in §187.23(c).

19. Section 187.23(b)(2). This paragraph is amended to incorporate the requirement that the applicant/recipient who is required to cooperate with the child support enforcement provisions must keep all scheduled appointments with the Department or DRS. (23 Pa. C.S. §4379(2)(i)(B))

20. Sections 187.23(b)(2)(i), (b)(2)(ii), and (b)(2)(iii). These subparagraphs are deleted. The cooperation criteria for obtaining spousal support are set forth in §187.23(c).

21. Section 187.23(b)(3). This paragraph is amended to incorporate the requirement that an applicant/recipient must provide truthful and accurate information and documents requested by the Department or the DRS. (23 Pa. C.S. §4379(2)(i)(C)). The cooperation criteria for obtaining spousal support are set forth in §187.23(c).

22. Section 187.23(b)(3)(i). This subparagraph is amended to delineate requirements for providing information about the location of a parent or putative father. The requirements for providing information about the location of a spouse are set forth in §187.23(c)(3).

23. Section 187.23 (b) (3) (ii). This subparagraph is amended to delete reference to specific governmental agencies. The cooperation criteria for obtaining spousal support are set forth in §187.23 (c).

24. Section 187.23(b) (3) (iii). This subparagraph is amended to delineate the plan to locate a missing parent or putative father. The requirements for providing information about the location of a spouse are set forth in §187.23(C) (3) (i).

25. Section 187.23(b) (4). This paragraph is added to incorporate the requirement that an applicant/recipient must sign and return any forms requested by the Department or the DRS. (23 Pa. C.S. §4379(2) (i) (D))

26. Section 187.23(b) (5). This paragraph is added to incorporate the requirement that an applicant/recipient must appear as a witness and provide testimony at judicial and other hearings as requested by the DRS. (23 Pa. C.S. §4379 (2) (i) (E))

27. Section 187.23(b) (6). This paragraph is added to incorporate the requirement that an applicant/recipient must pay to the Department any support received directly from an absent parent after an assignment of support rights has been made. (23 Pa. C.S. §4379(2) (i) (F))

28. Sections 187.23(c) and (c)(1)-(6). This subsection and paragraphs are added to set forth the cooperation requirements that apply to an applicant/recipient for whom there is a spouse who is absent from the home. The applicant/recipient, unless there is good cause for failing to do so, must cooperate by naming the absent spouse, keeping scheduled appointments with the Department or the DRS, providing truthful and accurate information and documents requested by the Department or the DRS, establishing and completing a plan with the CAO to locate the spouse, signing and returning any forms requested by the Department or the DRS, appearing as a witness and providing testimony at judicial and other hearings as requested by the DRS, and paying to the Department any support received directly from an absent spouse after an assignment of support rights has been made. (62 P.S. §403(b) and 23 Pa. C.S. §§4378 and 4379)
29. Section 187.23(d). This subsection is added to specify that, as a condition of eligibility for assistance, an applicant/recipient must cooperate in establishing paternity and obtaining support. (23 Pa. C.S. §§4371 and 4378(a)).
30. Section 187.23(d)(1). This paragraph is added to specify that, prior to authorization of assistance, an applicant/recipient must appear before the DRS or applicable division of the Court of Common Pleas and provide the CAO with certification of cooperation from the DRS. (23 Pa. C.S. §4378(a))

31. Section 187.23(d)(2). This paragraph is added to specify that the Secretary of Public Welfare may, upon request of a family court or DRS, waive the personal appearance requirement and, in that event, that an applicant/recipient must cooperate with the procedures established for the County. (23 Pa. C.S. §4378(a))

32. Section 187.23(d)(3). This paragraph is added to specify that in the case of a newborn, assistance may be authorized as long as support action is taken before the end of the grace period.

33. Section 187.23(d)(4). This paragraph is added to specify that an applicant is exempt from the cooperation requirements if a good cause claim is filed with the CAO, Court of Common Pleas, or DRS and until the CAO, Court, or DRS makes a determination on the good cause claim. Additionally, cooperation requirements are waived if the CAO, Court or DRS determines that good cause exists. (23 Pa. C.S. §§4379(1)(iii) and (iv))

34. Section 187.23(e). This subsection is added to incorporate the requirement that acceptance of assistance operates as an assignment to the Department, by operation of law, of the recipient's right to support. (23 Pa. C.S. §4378(b))

35. Section 187.24(a). This subsection is deleted because the spousal support requirements are set forth in §187.23(c). The DRS determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent pursuant to the Pennsylvania Rules of Civil Procedure and the Domestic Relations Code. (Pa. R.C.P. 1910.1-1910.50; 23 Pa. C.S. §§4301-5104)
36. Section 187.24(b). This subsection is deleted because the cooperation criteria for child support are set forth in §187.23(b), the requirement for cooperation prior to authorization is set forth in §187.23(d), the requirement for the CAO to notify the applicant or recipient of the cooperation requirements and the right to claim good cause are set forth in §187.25(a), and the cash assistance allowance reduction for failure to cooperate without good cause are set forth in §187.25(a). The procedures for the preparation and processing of the Application for Child Support Services and the exchange of information between the CAO and the DRS are deleted and delineated in the Department's Cash Assistance Handbook Chapter 131, Support.
37. Section 187.24(c). This subsection is deleted. Referral of persons who do not receive assistance, but who wish to receive child support enforcement services, is found in §187.21.

38. Section 187.24(d). This subsection is deleted because the cooperation criteria for spousal support are set forth in §187.23(c).
39. Section 187.24(e). This subsection is deleted because it is obsolete. The cooperation criteria for spousal support are set forth in §187.23(c).
40. Section 187.24(f). This subsection is deleted as obsolete. Waiver of an expected contribution determined by the CAO for the support of a spouse is no longer valid. Instead, the Domestic Relations Section determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent pursuant to the Pennsylvania Rules of Civil Procedure and the Domestic Relations Code. (Pa. R.C.P. 1910.1-1910.50; 23 Pa. C.S. §§4301-5104)
41. Section 187.24(g). This subsection is deleted as obsolete. The Domestic Relations Section determines the amount of support obligation and establishes how a support obligation is to be paid by a spouse or a parent pursuant to the Pennsylvania Rules of Civil Procedure governing support actions (Pa. R.C.P. 1910.1-1910.50). The cooperation criteria for child support are set forth in §187.23(b) and the cooperation criteria for spousal support are set forth in §187.23(c).

42. Section 187.24(h). This subsection is deleted as obsolete because the rules governing support actions are set forth under the Pennsylvania Rules of Civil Procedure (Pa. R.C.P. 1910.1-1910.50). The cooperation criteria for spousal support are set forth in §187.23(c)
43. Section 187.24(i). This subsection is deleted because the redetermination of the ability of a spouse to pay a support obligation is a responsibility of the Domestic Relations Section in accordance with the Domestic Relations Code (23 Pa. C.S. §§4301-4396) and the Pennsylvania Rules of Civil Procedure governing support actions (Pa. R.C.P. 1910.1-1910.50).
44. Section 187.24(j). This subsection is deleted because the information is related to military allotments for dependents. The distribution of allotments is handled through the DRS under the Pennsylvania Rules of Civil Procedure governing support actions (Pa. R.C.P. 1910.1-1910.50).

**SECTION 187.25 IS ADDED TO THE 55 PA. CODE AND PERTAINS TO
NOTIFICATION TO THE APPLICANT OR RECIPIENT.**

45. Sections 187.25(a), (a)(1)-(6) and (b). These sections, subsections and paragraphs are added to specify that, prior to requiring cooperation pursuant to §187.23, the CAO will

notify the applicant/recipient orally and in writing of the cooperation requirements, of the consequences for failure to cooperate, of the right to claim good cause, that the burden of proving good cause rests with the applicant/recipient, and that a finding of non-cooperation does not affect the LRR's duty to pay support. (23 Pa. C.S. §4380(b))

**SECTION 187.26 IS ADDED TO THE 55 PA. CODE AND PERTAINS TO
NONCOOPERATION.**

46. Section 187.26(a). This subsection is added to specify that either the CAO, Court of Common Pleas, or the DRS may make the determination whether the applicant/recipient failed to cooperate without good cause. This section outlines the procedures to be followed depending upon which entity makes that determination. This subsection provides that the Court of Common Pleas of each county shall have the option of hearing appeals from any determination of its DRS that an applicant/recipient has not cooperated in accordance with §187.23. (23 Pa. C.S. §4380(b))

47. Section 187.26(b). This subsection is added to specify that if the Court of Common Pleas or the DRS determine that the applicant/recipient has failed to cooperate without good cause with the support requirements in §187.23, the Court of Common Pleas or DRS will provide notice of any

noncooperation determination to the CAO and that it has opted not to conduct a hearing on the noncooperation determination. Additionally, this subsection provides that appropriate court personnel shall be available to provide telephone testimony at the time and location set by the DPW for any DPW appeal hearing regarding noncooperation. As a result of Act 58, court personnel is only required to appear via telephone for a noncooperation hearing. (23 Pa. C.S. §4380(b))

48. Section 187.26(c)(1) and (1)(i)-(iv). This paragraph and subparagraphs are added to specify that, if the CAO, Court, or the DRS determines that the applicant for cash assistance failed to cooperate, the CAO will notify the applicant of the noncooperation determination, of the reduction of the cash assistance allowance by 25%, and of the right to appeal. Additionally, the CAO will authorize the cash assistance allowance reduced by 25% effective upon authorization and authorize the full cash assistance allowance if so ordered as a result of a fair hearing, as a result of good cause being established, or as a result of the applicant cooperating with support requirements. (23 Pa. C.S. §4380(b))

NOTE:The sanction for noncooperation as outlined above differs from the sanction for noncooperation published in the TANF NORC of March 1, 1997. The NORC of March 1, 1997, provided

that if the applicant/recipient failed to cooperate in establishing paternity and obtaining support without good cause, the sanction would be removal of the applicant/recipient from the grant and establishment of a protective payment for any child on whose behalf the applicant/recipient sought assistance. If removal of the applicant/recipient did not result in a grant reduction of at least 25%, there would have to be an additional reduction so that the grant was reduced in an amount not less than 25% (27 Pa. B. 1105). The requirement as to the imposition of the protective payment was based upon Act 1996-35, and PRWORA, as to the mandatory imposition of the not less than 25% reduction in the grant. (62 P.S. §432.7A; 42 U.S.C. §608(a)(2).) With the enactment of Act 58, the sanction for noncooperation without good cause is now a reduction of the cash assistance allowance by 25%, and if provided by departmental regulation, imposition of a protective payment. (See: 55 Pa. Code §§141.21(e) and 187.26; 23 Pa. C.S. §4380(b).) Act 58 provides that imposition of protective payment is at the option of the Department if provided for by departmental regulation. The Department is not providing for imposition of protective payments in this rulemaking. (23 Pa. C.S. §4380(b))

49. Section 187.26(c)(2) and (2)(i)-(iv). This paragraph and subparagraphs are added to specify that the CAO will notify the cash assistance recipient of the noncooperation

determination, the reduction of the cash assistance allowance, and the right to appeal if the CAO, Court, or the DRS determines that the recipient failed to cooperate. Additionally, unless a timely appeal is filed by the recipient, the CAO will authorize reduction of the cash assistance allowance by 25% 10 days after the date of the notice. If the DPW action is sustained on appeal, DPW will initiate recovery of the cash assistance allowance granted pending a fair hearing. (23 Pa. C.S. §4380(b)(2))

50. Section 187.26(d). This subsection is added to specify that any hearing or appeal with respect to an order of noncooperation directed by the Court or the DRS shall be conducted by the Court in accordance with the Pennsylvania Rules of Civil Procedure. (23 Pa. C.S. §4380(b)(3))
51. Section 187.26(d)(1), (1)(i)-(iv), and (2). These paragraphs and subparagraphs are added to specify that if the court determines that the applicant/recipient failed to cooperate without good cause, the court shall order the DPW to impose sanctions. This section also describes the actions the CAO will take upon receipt of an order. The DPW must implement the order within 10 days. The CAO will provide notice of the order and the cash assistance allowance reduction to the applicant/recipient as well as

notice that the right of appeal to the DPW's Bureau of Hearings and Appeals is limited to the calculation of the assistance amount. In addition, where the court has determined noncooperation, the CAO will authorize the cash assistance allowance reduced by 25% effective with the date of authorization for applicants, or will reduce the cash assistance allowance by 25%, effective 10 days after the court order. (23 Pa. C.S. §4380(b)(3))

SECTION 187.27 IS ADDED TO THE 55 PA. CODE AND PERTAINS TO WAIVER OF COOPERATION FOR GOOD CAUSE.

52. Section 187.27(a) and (a)(1)-(3). This paragraph and subparagraphs are added to specify the circumstances under which child support cooperation requirements may be waived for good cause, e.g., the child was conceived as a result of a rape or incest or legal proceedings for the adoption of the child are pending before a court. (23 Pa. C.S. §§4379(1)(iii) and (iv))
53. Section 187.27(a)(4) and (a)(4)(i)-(ix). This paragraph and subparagraphs are added to specify the circumstances that constitute good cause based on domestic violence. Good cause due to domestic violence may be established if action to establish paternity or obtain child or spousal support would make it more

difficult for the individual or family member to escape domestic violence, or unfairly penalize such individual who has been victimized by such violence, or who is at risk of further violence. Domestic violence is defined as: physical acts that resulted in, or threatened to result in, physical injury to the individual; sexual abuse; sexual activity involving a dependent child; being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities; threats of, or attempts at, physical or sexual abuse; mental abuse; neglect or deprivation of medical care. This amendment removes the term "serious" as it describes physical or mental abuse. This amendment also removes the requirement that the abuse must be such that it interferes with the individual's capacity to care for the child. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

54. Section 187.27(b). This subsection is added to specify that an applicant/recipient shall provide relevant corroborative evidence of the good cause claim. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

55. Section 187.27(b)(1) and (b)(1)(i) - (iii). This paragraph and subparagraphs are added to specify the types of evidence that may be used to corroborate a good cause claim when the child was conceived as a result of rape or incest or legal proceedings for the adoption of the child are pending before a court. (23 Pa. C.S. §§4379(1)(iii) and (iv))
56. Section 187.27(b)(1)(iv) - (vii). This paragraph and subparagraphs are added to specify the types of evidence that may be used to corroborate a good cause claim when the claim is based on domestic violence. This amendment deletes the term "sworn" as it relates to statements from individuals who have knowledge of the good cause circumstances. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))
57. Section 187.27(b)(1)(vii). This paragraph and subparagraph are added to specify that the "Verification of Good Cause Based on Domestic Violence" form must be completed for all good cause claims based on domestic violence.

This form is used to accompany acceptable verification as specified in §§187.27(b)(1)(iv), (v), or (vi) that an applicant or recipient has provided, to authorize by written consent of the applicant or recipient that a third party may provide verification/corroboration of the good cause claim, or to grant good cause for up to six months when an applicant or recipient affirms she is unable to safely obtain evidence to verify the claim of domestic violence within the established timeframes for providing verification. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

58. Section 187.27(b)(2). This paragraph is added to specify that the CAO, Court, or the DRS may provide assistance with obtaining corroborative evidence and may obtain specific documents that the applicant/recipient is not able to obtain. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

59. Section 187.27(b)(3). This paragraph is added to specify that an applicant/recipient must provide corroborative evidence of a good cause claim within 30

days of the date of the initial claim except where the applicant or recipient cannot provide verification of the good cause claim as specified in (b) (1) (vii) (C). (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

60. Section 187.27 (b)(3)(i). This subparagraph is added to clarify that in the case of an applicant, assistance will be authorized no later than 30 days following application where good cause is claimed and verification is not readily available or pending from a third party. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))
61. Section 187.27 (b)(3)(ii). This subparagraph is added to clarify that in the case of a recipient, the CAO will continue assistance if verification of the good cause claim is not provided within 30 days and the delay is due to a third party. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))
62. Section 187.27(c). This subsection is added to specify that the CAO, Court, or DRS must make a determination on a good cause claim within 45 days of the date the

applicant/recipient initiates the claim. The CAO, Court, or DRS may extend the 45-day period. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

63. Section 187.27(c)(1). This paragraph is added to specify that if the CAO makes the good cause determination, the CAO will notify the applicant/recipient in writing of the final determination and the basis for the determination and the right to appeal under Chapter 275. If the good cause claim is denied, neither the Department nor the Bureau of Child Support Enforcement will attempt to establish paternity or collect support for at least 30 days after the client has been informed orally and in writing of the denial. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

64. Section 187.27(c)(2). This paragraph is added to specify that if the Court or DRS makes the good cause determination, the DRS will notify the applicant/recipient and the CAO of the final determination and

the basis for the determination and the right to appeal under Chapter 275. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

65. Section 187.27(c)(3). This paragraph is added to specify that in all cases where the CAO, Court or the DRS approve a waiver based on a good cause claim, they will also establish the expiration of the waiver and the DRS will not attempt to establish paternity or obtain support. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))
66. Section 187.27(c)(4). This paragraph is added to specify that a good cause determination must be reviewed no less often than every six months. The review may be earlier if the circumstances of the good cause waiver change or the waiver has been granted for a lesser period. In addition, if good cause was granted based on corroborative evidence, the good cause claimant does not have to provide additional corroborative evidence at the time of the review if circumstances have not changed since the initial good cause waiver was approved. If the good cause claim was granted based on the recipient's written affirmation

and she is still unable to provide documentation other than her initial affirmation, the CAO will make a determination of good cause based on a current assessment of the recipient's circumstances. This assessment will be made by a person with domestic violence training and substantiated by completion of the Form PA 1747, Verification of Good Cause Based on Domestic Violence. (23 Pa. C.S. §§4379(1)(iii) and (iv); 42 U.S.C. §§602(a)(7) and 608(a)(7)(C)(iii))

J. The following revisions relating to restitution and disqualification requirements are being made to 55 Pa. Code Chapter 255, Restitution:

1. Section 255.1(c) and (c)(1) and (2). This subsection is revised and paragraphs added to specify that a person serving a disqualification for an intentional program violation resulting from a fraudulent action is ineligible for cash assistance and food stamp benefits. Ineligibility for cash assistance and/or food stamps continues until the penalty period ends. A person is ineligible/disqualified for cash assistance benefits for a period of 10 years if a Federal or State court convicts the person of fraudulently misrepresenting residence in 2 or more states to obtain services or benefits in the TANF, GA, MA, Food Stamp, or SSI programs. (62 P.S. §481(f)); (42 U.S.C. §608(a)(8))

II. The following are regulations that apply to the TANF program:

A. The following revisions relating to general eligibility requirements for the TANF program are being made to 55 Pa. Code Chapter 141, General Eligibility Provisions:

1. Section 141.41(f), (f)(1), (2), and (3). This subsection and paragraphs are added to specify that a family is ineligible for cash assistance payments if it includes an adult who has received 60 months of TANF cash assistance. Assistance received as a minor child head of household or as a minor child married to a head of household counts toward the 60-month limit. Assistance received as a minor child does not count toward the 60-month limit. Receipt of TANF need not be consecutive to count toward the 60-month limit. (42 U.S.C. §608(a)(1)(B))

2. Section 141.42. This section is revised to add the definitions of "cash assistance allowance" (which is used but not defined at 23 Pa. C.S. §4380)), "family" (which is used but not defined at 42 U.S.C. §608(a)(1)) and "minor child" (which is defined at 42 U.S.C. §619)). Cash assistance under the TANF program is available only to households that include a minor child and his or her custodial parent or other adult caretaker/relative. The term "minor child" replaces the term "dependent child" which was used in the AFDC program.

B. The following revision relating to the age of a TANF child is being made to 55 Pa. Code Chapter 145, Age:

1. Section 145.43(a)(1)(ii). This subparagraph is revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate from a secondary school or its equivalent before reaching age 19. (42 U.S.C. §§608(a)(1) and 619)

C. Comments regarding residency requirements -- The following relates to 55 Pa. Code Chapter 147, Residency:

1. Section 432(5)(ii) of the Public Welfare Code (62 P.S. §432(5)(ii)) specifies that TANF applicants who have resided in Pennsylvania for fewer than 12 months cannot receive cash assistance benefits in excess of the amount they could have received in their prior state of residence. This requirement was implemented effective March 3, 1997.

However, on October 6, 1997, the U.S. District Court for the Eastern District of Pennsylvania preliminarily enjoined the Department from enforcing this multi-tier durational residency provision, Maldonado et al. v. Houstoun et al. 177 F.R.D. 311 (1997) On September 9, 1998, that

preliminary injunction was upheld by the U.S. Court of Appeals for the Third Circuit, 157 F.3d 179 (1998). On May 24, 1999, following its decision in Saenz v. Roe, 119 S.Ct. 1518 (1999), striking California's two-tier durational residency requirement, the U.S. Supreme Court denied Pennsylvania's Petition for Certiorari seeking review of the 3d Circuit's decision in Maldonado. In light of those decisions, no regulation will be promulgated to implement 62 P.S. §432(5)(ii).

D. The following revisions relating to the care and control of a minor child are being made to 55 Pa. Code Chapter 151, Specified Relatives:

1. Section 151.42. This subsection is revised to:

- Explain that in addition to the relationship requirements that already exist, a specified relative must also be an adult or a minor parent who is not required to live in the home of an adult specified relative or adult-supervised supportive living arrangement. (42 U.S.C. §608(a)(5))

- Add the definition of an adult. (42 U.S.C. §619)

2. Section 151.43(d)(1). This paragraph is revised to specify that the eligibility of a TANF child is not automatically affected by a temporary absence from the home if the absence does not exceed 180 days. This provision does not apply in cases where custody of the child has been relinquished to a third party or the child is staying with a parent under the terms of a custody order. (42 U.S.C. §608(a)(10))

3. Section 151.43(d)(3). This paragraph is added to provide that a specified relative is ineligible for assistance for 30 days if he fails to report the absence of a child within 5 days of the date it becomes clear that the child's absence will exceed the 180-day period. (42 U.S.C. §608(a)(10))

4. Section 151.43(f). This subsection is revised to delete the requirement that eligibility for TANF is limited to a pregnant woman who verifies that she is in her third trimester of pregnancy. Under PRWORA, a pregnant woman with no other children living with her may qualify for TANF from the date she provides medical verification of her pregnancy. (42 U.S.C. §608(a)(1)(A)(ii))

E. The following revisions relating to deductions from the earned income of a TANF applicant or recipient are being made to 55 Pa. Code Chapter 183, Income:

1. Section 183.94(1). This paragraph is revised to specify that an applicant for TANF who has been a TANF recipient in 1 of the 4 calendar months prior to application is eligible for the continuous 50% disregard from earned income. The \$90 standard deduction from gross earned income is no longer applicable and is deleted.
2. Section 183.94(2)(i), (ii), and (iii). This paragraph and subparagraphs are revised to specify that an applicant for TANF who has not been a recipient in 1 of the 4 calendar months prior to application is eligible for the continuous 50% disregard if his income, after applicable deductions, is less than the standard of need for the household size.
3. Sections 183.94(2)(iv) and (v). These subparagraphs are deleted since they relate to the now obsolete time-limited 30 plus 1/3 earned income incentive deduction that is replaced by the continuous 50% disregard.
4. Sections 183.96(a)-(e) and 183.97(4). The provisions of this section are deleted. The requirements relating to interruptions in the 4 consecutive months of the earned

income incentive deduction are no longer applicable. The time-limited earned income incentive deduction is replaced by the continuous 50% disregard under §183.94(1) and (2). (62 P.S. §432.12)

III. The following are provisions that apply to the MA program:

A. The following revisions to 55 Pa. Code Chapter 140, Special MA Eligibility Provisions, clarify when student financial assistance is excluded as income, and change the income methodology in determining eligibility for Healthy Beginnings:

1. Section 140.41(1)-(4). These paragraphs are deleted. This section no longer itemizes the types of educational loans and grants that are not counted as income but is revised to make a general statement that all student financial assistance provided to pay for educational expenses is excluded as income. Any portion of the financial assistance designated solely for payment of basic living needs is not excluded as income.
2. Section 140.53. This section is deleted and reserved since income-in-kind is no longer considered in determining eligibility.

3. Section 140.65. This section is revised to delete references to specific types of educational assistance that are excluded as income when determining eligibility. All educational assistance is excluded unless it is specifically provided to pay for basic living needs. (62 P.S. §401(a))

4. Sections 140.81(1) and (2). These paragraphs are revised to reflect the change in earned income deductions for employed applicants/recipients of the Healthy Beginnings program. Each employed person whose income is used to determine eligibility and who qualifies for the earned income disregard is entitled to a continuous 50% disregard from gross earned income. Persons determined ineligible using the 50% disregard will be evaluated under the income methodology that existed prior to TANF to determine if they are eligible for MA.

B. The following revisions to 55 Pa. Code Chapter 141, General Eligibility Provisions, clarify that persons who are ineligible for TANF as a result of new eligibility requirements may have their MA eligibility established by use of the AFDC requirements previously in place. The two areas of significant difference between the new method and old relate to the work incentive deduction and the disregard of the first \$50 of support:

1. Section 141.71(a)(10). This paragraph is added to cross-reference the revised definition at 55 Pa. Code §151.42 (relating to definitions). The cross-reference is necessary to ensure consistency with TANF eligibility requirements.

2. Section 141.71(b)(6). This paragraph is added to specify that an applicant/recipient determined ineligible for TANF due to the elimination of the \$30 plus 1/3 work incentive deduction and/or the elimination of the \$90 work expense deduction may qualify for TANF-related NMP, if otherwise eligible.

NOTE: The provision in the NORC published at 27 Pa. B. 1092 (at p. 1105) (March 1, 1997), provided for MA eligibility for a family that lost TANF benefits solely due to the elimination of the disregard of the first \$50 of support received. The subsequent resumption of the disregard of the first \$50 of support nullifies the need for this provision. See Section I.H.6.

3. Section 141.71(b)(6). This paragraph is renumbered §141.71(b)(7) as a result of the addition of a new §141.71(b)(6).

C. The following revisions relating to resources are being made to 55 Pa. Code Chapter 178, Resource Provisions for Categorically Needy NMP-MA and MNO-MA.

1. Section 178.11(4)(ii) and 178.12(5)(ii). These subparagraphs are revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate before reaching age 19. (42 U.S.C. §608(a)(1))

2. Section 178.151(c). This subsection is revised to reflect the requirement that an applicant/recipient of GA-related NMP and MNO-MA has an initial 9-month period to dispose of non-excluded real property and additional 9-month periods to dispose of nonexcluded real property as long as good cause exists for not selling the property. (62 P.S. §401(a))

3. Section 178.161(12). The reference to term insurance is deleted since all life insurance is exempt from consideration as a resource when determining eligibility for GA-related NMP and MNO-MA. Sections 178.161(13)-(16) are renumbered (12)-(15) respectively, as a result of this deletion. (62 P.S. §§403(b) and 441.1)

4. Section 178.161(13). This paragraph, formerly §178.161(14), is revised to clarify that all life insurance is excluded in determining eligibility for GA-related NMP and MNO-MA. (62 P.S. §§403(b) and 441.1)

5. Section 178.161(16). This paragraph is added to specify that student financial assistance in the form of loans, grants and scholarships which are used to pay for educational expenses is excluded as a resource in determining eligibility for GA-related NMP and MNO-MA. (62 P.S. §401(a))

6. Section 178.161(17). This paragraph is added to specify that Family Savings Accounts established pursuant to 73 P.S. §§400.2101-400.2103, Act 1997-23, are exempt as a resource in determining eligibility for GA-related NMP and MNO-MA. This exemption was not included in the NORC published at 27 Pa.B. 1092 (March 1, 1997) and, consequently, will not be effective retroactively. It will be effective upon publication.

7. Section 178.165(a). This subsection is revised to specify that funds withdrawn from education savings accounts must be used to pay for post-secondary educational expenses.
(62 P.S. §408.2)

8. Section 178.165(a)(4). This paragraph is revised to clarify that only monies withdrawn to pay for educational expenses that are paid to an approved educational institution are exempt. (62 P.S. §408.2)

D. The following revisions related to additional income exclusions, reinstatement of the \$50 child support disregard in 55 Pa. Code §181.264(16), and a change in the earned income deductions are being made to 55 Pa. Code Chapter 181, Income Provisions for Categorically Needy NMP-MA and MNO-MA:

1. Section 181.41(4)(ii) and 181.42(5)(ii). These subparagraphs are revised to delete the limitation that a school student who is 18 years of age is considered a minor child only if he is expected to graduate from secondary school or its equivalent before reaching age 19. (42 U.S.C. §608(a)(1))
2. Section 181.251. This section is revised to specify that the income of a recipient will no longer be subject to the gross income eligibility limit.
3. Section 181.251(c)(3). The reference to §181.273 (relating to income-in-kind) is deleted because income-in-kind is excluded as income in determining eligibility for TANF and GA-related NMP and MNO-MA. As a result of this deletion, §181.251(c)(4)-(11) is renumbered (3)-(10) respectively. (62 P.S. §§403(b) and 441.1)

4. Sections 181.262(1)-(4). These paragraphs are deleted. They are replaced by a single statement that specifies all student financial assistance provided for educational expenses is excluded as income unless the assistance is provided solely to meet basic living needs. (62 P.S. §401(a))

5. Section 181.264(16). The support pass-through disregard as codified at 55 Pa. Code §181.264(16) is reinstated. The provisions of Act 1997-58 clarify that the first \$50 of current support received by the applicant/recipient group will be disregarded for TANF-related and GA-related MA eligibility purposes. See Section I.H.6. (23 Pa. C.S. §4374(c)(1)(ii))

6. Section 181.273. This section is deleted and reserved since income-in-kind is no longer counted in determining eligibility for TANF and GA-related NMP and MNO-MA. (62 P.S. §§403(b) and 441.1)

7. Section 181.287. This section is revised to clarify that for TANF and GA-related NMP and MNO-MA, student financial assistance in the form of loans, grants, and scholarships is excluded as income unless the assistance is provided solely to meet basic living needs. (62 P.S. §401(a))

8. Section 181.311(1), (2), and (3). These paragraphs are revised to reflect the change in earned income deductions for employed applicants/recipients of TANF-related NMP-MA. Each employed person whose income is used to determine eligibility and who qualifies for the earned income incentive is entitled to a continuous 50% disregard from gross earned income. Persons determined ineligible using the 50% disregard will be evaluated under the income methodology that existed prior to TANF.
9. Section 181.311(4) and (4)(i)-(iv). This paragraph and subparagraphs are deleted because the contents were incorporated into the revisions in §181.311(2)(iii)(B)(I)-(IV).

IV. The following technical changes have also been made:

- Sections 141.41, 145.43, 151.43(d), 153.44(a)(2), (3) and (7), 153.44(b)(2) and (2)(i)(A), 153.44(c)(1), 153.44(d)(1)(i) and (v), 153.44(d)(2) and (2)(ii)(B) and (C), 153.44(d)(3)(i), 165.61(b), 178.11(4) and (4)(ii), 178.12(5) and (5)(ii), 181.263, 183.97, and 255.1(c). The acronym "AFDC" is replaced by the acronym "TANF" in these sections.

- Sections 153.44(d)(1)(i)(E), 153.44(d)(ii), 153.44(d)(2)(ii)(C), 165.1(a), 165.2, 165.21(a), (b) and (c), 165.52(a)(9)-(12), (15) and (17), 165.61(a)(1) and 165.71(a). The acronym "ETP" is replaced by the acronym "RESET" in these sections.

- Sections 177.21(a)(12) and 178.165(b). The reference to P.L. 28, No. 11 is deleted and replaced with the appropriate citation for the Tuition Account Program and College Savings Bond Act.

AFFECTED INDIVIDUALS AND ORGANIZATIONS

This regulation affects applicants and recipients of TANF, GA and MA.

ACCOMPLISHMENTS/BENEFITS

Implementation of the Act 35 and TANF provisions promotes self-sufficiency and personal responsibility. New requirements have simplified the income and resource eligibility rules and have shifted the focus of welfare to obtaining employment and securing child support. The new income requirements have provided a greater incentive for recipients to work while allowing cash assistance to serve as a support in the transition from welfare to self-sufficiency. Revised work requirements have reinforced the

focus of welfare reform to move individuals into work or work-related activities. Revised child/spousal support requirements related to temporarily waiving cooperation in establishing paternity and/or obtaining support based on a claim of domestic violence afford individuals an opportunity to access counseling services, safety planning, and other needed services. Overall, these changes have resulted in an integrated program that meets the requirements of State and Federal law.

FISCAL IMPACT

Commonwealth: The estimated savings to the Commonwealth for FFY 2000 and thereafter are \$204,363,000. The estimated costs to the Commonwealth for FFY 2000 are \$86,778,000; and thereafter, \$83,740,000.

Public Sector: There will be no costs or savings incurred by the public sector.

Private Sector: There will be no costs or savings incurred by the private sector.

PAPERWORK REQUIREMENTS

Form PA 1661, Agreement of Mutual Responsibility (AMR), was developed to serve as the written agreement between the Department of Public Welfare and the recipient that outlines the responsibilities and obligations of both parties in relation to the recipient's plan for self-sufficiency.

This form is completed at application and redetermination for each person required to sign the application for benefits. The AMR is updated as often as circumstances of the client change or when the client requests a change.

Form PA 1747, Verification of Good Cause Based on Domestic Violence, was developed to serve one of three purposes: 1) as an accompaniment to acceptable verification provided by the client; 2) as authorization by written consent that a third party may provide verification/corroboration of the good cause claim; or 3) to grant good cause for up to six months when an applicant or recipient affirms in writing that she is unable to safely obtain evidence to verify the claim of domestic violence within the established timeframes. Approval or denial of good cause claim is also recorded on the PA 1747.

(2) [A child who has been "deserted or abandoned by a parent" means any child whose eligibility for AFDC is based on continued absence of the parent from the home.] "Continued absence" will be considered to exist whenever the parent is a convicted offender permitted to live at home while serving a court-imposed sentence by performing unpaid public work or unpaid community service during the workday.

(3) When the eligibility of a child for [AFDC] **TANF** is based on deprivation due to "continued absence" the Application for Support Services form will be completed at the time assistance is authorized for the child and forwarded to the Bureau of Claim Settlement Child Support Liaison Agent assigned to the CAO for processing as set forth in paragraph (1). See §187.24(b)(2) (relating to procedures) for instructions on completion and distribution of the Application for Support Services form.

If the services of a competent authority are not available without cost, the County Office will authorize a medical

examination. If capacity of either parent cannot be determined from the available information, the County Office will make a preliminary decision regarding the incapacity. If the decision is that a parent appears to be incapacitated, and if the grant group meets the other [AFDC] **TANF** eligibility requirements, the County Office will authorize [AFDC] **TANF** presumptively as provided in Chapter 227 (relating to central office disbursement). When there is a question of incapacity, the client must cooperate with the County Office in providing verification of incapacity as a condition of eligibility for the family. month in which application for assistance is made. If both parents earned an identical amount of income in the 24-month period, then the principal wage earner shall be that parent who earned the greater amount of income in the last 6 months of the 24-month period. If both parents earned an identical amount of income in the 6-month period, either parent may be designated the principal wage earner. The principal wage earner parent shall meet the conditions in this subparagraph on the effective date of the initial authorization as [AFDC-CU or AFDC] **TANF**. The conditions are as follows:

* * * * *

(E) A nonexempt parent is enrolled in the [ETP] **RESET** as provided in Chapter 165 (relating to [employment and training program] **ROAD TO ECONOMIC SELF-SUFFICIENCY THROUGH EMPLOYMENT AND TRAINING (RESET) PROGRAM**).

(v) The family will be ineligible for [AFDC-CU] **TANF** with respect to any week for which the principal wage earner parent qualifies for unemployment compensation under an unemployment compensation law of a state or of the United States but refuses to apply for or accept the unemployment compensation.

[(vi) Both parents in the budget group will be ineligible for AFDC-U whenever a parent willfully fails to comply with ETP requirements. If the other parent agrees to participate in the ETP, the sanctions will only be imposed on the noncooperating parent.]

(2) *Work record requirement.* Eligibility for [AFDC-U] **TANF** depends on the unemployed principal wage earner parent having had a work record. A work record shall be proved. To prove a work record, there shall be evidence that the principal wage earner parent meets one of the following conditions:

* * * * *

(ii) The parent had worked for 6 or more calendar quarters in a 13-calendar quarter period ending within the 12-month period prior to the date of application. Activities as specified in clauses (D)

(i) CU grant groups will be transferred to C if deprivation occurs for reasons other than the unemployment of the principal wage earner parent. Similarly, C grant groups will be transferred to CU if deprivation no longer exists except for the unemployment of the principal wage earner parent as set forth in §153.43(d) (relating to [AFDC] **TANF** deprivation of support or care requirements).

* * * * *

(e) *Procedures relating to the Acknowledgment of Paternity form.*

In cases where assistance is requested/received on behalf of a child born out-of-wedlock, the CAO explores with the caretaker/relative the putative father's willingness to sign an Acknowledgment of Paternity form.

(1) For children born in this Commonwealth, the following procedures apply:

(i) The Acknowledgment of Paternity form [(H105.181)] is used to establish paternity of a child born out-of-wedlock in cases where assistance is requested/received on behalf of a child born out-of-wedlock and the putative father voluntarily consents to establishing a claim of paternity by signing the form. The following procedures apply:

(A) When the putative father establishes a claim of paternity by signing the form, the worker also obtains the mother's signature on the form. [and both signatures on the completed

Acknowledgment of Paternity form are notarized by the CAO. If the CAO does not have a notary, the CAO will give the Acknowledgment of Paternity form (H105.181) to the mother and putative father with instructions to have the form notarized and return it to the CAO.] **TO BE VALID, THE SIGNATURES OF THE MOTHER AND PUTATIVE FATHER MUST BE WITNESSED BY A THIRD PARTY. (B) Upon completion and forwarding of the [notarized] form to the Parent Locator Service Section, the CAO considers the putative father as an LRR to the child. The CAO applies appropriate LRR regulations.

APPLY FOR AND MEET ALL CONDITIONS OF ELIGIBILITY. By law, then, [LRR's] LRRs will be a potential resource to persons applying for or receiving assistance. The Support Law, **THE DOMESTIC RELATIONS CODE (23 Pa. C.S. §§4301-5104; 7101-8415)**, and the Public Welfare Code (62 P.S. §§101-1503) mesh to make it mandatory to explore and develop the resource that an LRR may provide to a client. **UNDER PROVISIONS OF THE CHILD SUPPORT PROGRAM, SUPPORT COLLECTION AND PATERNITY DETERMINATION SERVICES WILL ALSO BE MADE AVAILABLE UPON REQUEST TO PERSONS WHO ARE NOT APPLYING FOR OR RECEIVING ASSISTANCE. THE DOMESTIC RELATIONS SECTION IN EACH COUNTY HAS BEEN DESIGNATED TO PROCESS REQUESTS FOR SUPPORT SERVICES.**

[(b) Automatic assignment of support rights to the Department.]

Acceptance of public assistance operates as an assignment to the Department, by operation of law, of the assistance recipient's rights to receive support on his own behalf and on behalf of any family member with respect to whom the recipient is receiving public assistance. The assignment is effective at the time the recipient is determined to be eligible for public assistance and remains in effect until the termination of public assistance payments. The assignment shall be effective only up to the amount of AFDC/GA received.

(c) Responsibilities of Claim Settlement Child Support Unit.

The Bureau of Claim Settlement Child Support Unit will have the responsibility for securing support in cases involving desertion or abandonment. The Support Unit responsibilities will include, but will not be limited to the following:

(1) Assisting, when necessary, in locating absent parents.

(2) Establishing and enforcing support orders.

(3) Initiating legal action for establishing paternity for a child born out-of-wedlock.

(4) Collecting support payments.

(d) *Effect of automatic support order assignment on the grant.*

When the applicant is determined eligible for assistance, the assistance unit is entitled to receive the appropriate family size allowance. Payments received from a support order will not be adjusted as income.

(e) *Treatment of support collections.* For those cases where support payments have been made payable to the Department, the Bureau of Claim Settlement Child Support Unit will transmit to the County Assistance Office a monthly printout of the amount of collection received which represent a current payment on the required support obligation for that month. This information will be used by the County Assistance Office to determine if the money collected through support order, when treated as income, will be sufficient to make the family ineligible for an assistance payment. If the case is determined ineligible on this basis, the support collection will be considered as income and the County Assistance Office will be responsible for the following:

(1) Notifying the family of closing action and reason via the Form 162-A process.

(2) Promptly transmitting this closing action, via Form PA 293, to Claim Settlement Support Liaison Agent assigned to the CAO for processing so that the support payments can be mailed directly to the family. The worker will prepare the Form PA 293 for transmittal at the same time the worker prepares the Form PA 764, Authorization for Case Closing.

(f) *Timing the effect.* Timing the effect of support collections will conform with the following:

(1) An essential component in the treatment of support collection is the rapid and complete interchange of information between the County Assistance Office and the Claim Settlement Child Support Unit. This is necessary to insure the families continued receipt of income.

(2) The Claim Settlement Child Support Unit will transmit the notification, or printout, of support collections received to the County Assistance Office at the beginning of the month following the month of collection.

(3) Upon receipt of this information, the County Assistance Office will determine the eligibility of the family for an assistance payment as soon as feasible, but no later than the second month after the month in which the notification is received by the CAO.

(g) *Form PA 293 (Child Support Action Notice)*. Use of Form PA 293 will be as follows:

(1) The County Assistance Office will use the Form PA 293, Child Support Action Notice, to transmit information to the Child Support Unit regarding case dispositions for spouse and parent of unemancipated minor children.

(2) Whenever a child support case is discontinued, transferred to another county, or reopened within a period of ninety days following closure, the County Office will complete the Form PA 293 in duplicate, identifying the appropriate action taken. This form will be forwarded to the Child Support Unit at the same time the appropriate budget action is taken in the case. A copy of the Form PA 293 is retained in the case record.

(3) From the information transmitted on the Form PA 293, the Child Support Unit will determine the appropriate action to be taken by the Agency with regard to support services currently received by the client, such as reassignment of an existing court order to the beneficiary, and the like.]

187.22. Definitions.

The following words and terms, when used in this chapter, have the following meanings, unless the context clearly indicates otherwise:

[Alimony - An order for support granted by the court to a spouse or former spouse in conjunction with a decree grant, a divorce, or annulment.]

ARREARS - ANY PAST DUE AND UNPAID SUPPORT.

Child born out-of-wedlock - A child will be considered to be born out-of-wedlock in the following instances:

(ii) The mother of a child born during marriage names a person other than her husband as the father of the child.

(iii) There is evidence that the husband of the mother of the child has been separated from the mother during the 12 months immediately prior to the birth of the child. When the natural parents of a child born out-of-wedlock marry at a later date, the child will become legitimated just as if he had been born during lawful marriage. In such a case, the father will become an LRR and the applicable LRR regulations will apply. Accordingly, pending paternity action will be terminated.

LRR - Legally Responsible Relative - Husband, wife or parents of an unemancipated minor child. A putative father is not an LRR unless one of the following conditions applies:

(i) Paternity is legally established by court action.

(iii) The putative father signs an Acknowledgement of Paternity form, H105.181, under §153.44(e)(1) (relating to procedures) for a child born within this Commonwealth, which is filed with the Department of Health, and one of the following conditions exists:

UNEMANCIPATED MINOR CHILD - AN INDIVIDUAL WHO IS UNDER AGE 18, OR AN INDIVIDUAL OVER AGE 18 AND UNDER AGE 21, WHO HAS NOT GRADUATED FROM HIGH SCHOOL, IS NOT MARRIED AND IS IN THE CARE AND CONTROL OF A PARENT OR CARETAKER.

187.23. Requirements.

(a) [*Unemancipated minor children.* Because the responsibility of a parent for an unemancipated minor child is seen as greater than that for the spouse, separate requirements have been established for securing support from absent parents for their children. The requirements will be applicable to recipients or applicants for AFDC when the child's eligibility is based on absence of a parent from the home and, when the child is born out-of-wedlock, without regard to whether paternity has been established.]

APPLICABILITY. THIS CHAPTER APPLIES TO APPLICANTS FOR AND RECIPIENTS OF CASH ASSISTANCE IF THERE IS: THE REPORTED ABSENCE OF A PARENT FROM THE HOME OF AN UNEMANCIPATED MINOR CHILD; A PUTATIVE FATHER FOR AN UNEMANCIPATED MINOR CHILD; OR A SPOUSE ABSENT FROM THE HOME. THE ABSENCE OF A PARENT FROM THE HOME IS DETERMINED ACCORDING TO THE REQUIREMENTS UNDER §153.44(a) (RELATING TO PROCEDURES).

[(1) *Referral to Domestic Relations Section.* Referral to DRS will conform with the following:

(i) When the eligibility of a child for AFDC is based on continued absence of a parent from the home, prior to the application interview, the applicant parent or other caretaker with whom the child is living will be referred to the DRS, with the Application for Support Services form. The applicant shall return the form to the CAO worker, completed by a DRS official, as verification of DRS action taken.

(ii) DRS referral will not be required in the following circumstances:

(A) The applicant parent/caretaker provides verification of a support complaint having been filed within the last 90 days.

(B) The applicant parent/caretaker provides verification of an existing Order of Support having been established within the last 12 months.

(C) The applicant parent/caretaker initiates a good cause claim as set forth in subparagraph (iii).

(D) A mutual agreement exists between the DRS and the Department regarding local referral procedures.

(iii) The CAO worker will provide an AFDC applicant parent/caretaker with the opportunity to claim good cause as an exception to cooperation requirements, prior to the application interview. If the applicant initiates a claim for good cause as set forth in paragraph (3), the Application for Support Services form will be completed, but no support activity initiated pending final disposition of the good cause claim.

(2) *Cooperation.* As a condition of continued eligibility for AFDC under §141.21(a) (relating to policy), a caretaker/relative with whom the child is living will be required to cooperate with the Department in identifying and locating the absent parent, establishing the paternity of a child born out-of-wedlock and obtaining support payments, unless a claim for good cause is pending or determined to exist, as provided in paragraph (3). The term cooperate includes the following:

(i) Appearing at the offices of the local CAO or DRS as necessary to perform the following:

(A) Provide verbal or written information or documentary evidence known to, possessed by or reasonably obtainable by the applicant or recipient caretaker/relative that is relevant to achieving support from the absent parent.

(B) Sign the necessary legal forms required to file petitions for support.

(ii) Appearing as a witness at court or other hearings or proceedings necessary to achieve support from the absent parent.

(iii) Paying to the Claim Settlement Support Agency child support payments received from the absent parent after an assignment of support rights has been made to the Department and the client is

receiving a full allowance. Payments will be turned over to the Child Support Agency only because the client will be receiving a full assistance check.

(3) *Good cause as an exception to cooperation requirements.* Cooperation requirements will be waived if the caretaker/relative establishes that he has good cause for refusing to take support or paternity action or both against the absent parent or putative father, because to do so would not be in the best interest of the child. Prior to requiring cooperation, the CAO will notify an applicant or recipient of the right to claim good cause and the requirements applicable to a good cause determination. Form PA 173-WP will be used as the good cause notice to the applicant or recipient. The Form PA 173-WP sets forth the circumstances under which the caretaker/relative may claim good cause and lists the types of evidence the client may present to corroborate his claim as provided in subparagraphs (i) and (ii).

(i) Circumstances under which cooperation may be against the best interest of the child are as follows:

(A) The client's pursuit of paternity or support action is reasonably expected to result in either of the following:

(I) Serious physical or emotional harm to the child.

(II) Serious physical or emotional harm to the mother or other caretaker/relative with whom the child is living to the degree that it reduces his capacity to care for the child adequately.

(B) The child was conceived as a result of incest or rape.

(C) Legal proceedings for the adoption of the child are pending before a court.

(D) The relinquishing of the child for adoption is currently under resolution with a public or private social agency and discussions have not gone on for more than 3 months.

(ii) A good cause claim may be corroborated with the following types of evidence:

(A) Court, medical, criminal, child protective services, social services, psychological or law enforcement records which indicate that the putative father or absent parent might inflict physical or emotional harm on the child or other caretaker/relative.

(B) Medical records which indicate the emotional health history and present emotional health status of the child or caretaker/relative; or written statements from a mental health professional indicating a diagnosis or prognosis concerning the emotional health of the child or caretaker/relative.

(C) Birth certificates or medical or law enforcement records which indicate that the child was conceived as the result of incest or rape.

(D) Court documents or other records which indicate that legal proceedings for adoption are pending.

(E) A written statement from a public or private Social Agency that the caretaker/relative is currently being assisted by the Agency to resolve the issue of whether to keep the child or relinquish him for adoption.

(F) Sworn statements from individuals other than the applicant or recipient with knowledge of the circumstances which provide the basis for the good cause claim.

(iii) The applicant or recipient caretaker/relative has the burden of proving the existence of his good cause claim and must provide the corroborative evidence required to support the claim within 20 days from the day the claim was made. In exceptional cases, when it has been determined, with supervisory approval, that additional time will be needed by the client because of difficulty in obtaining the evidence, a reasonable additional period of time will be granted.

(iv) If requested by the caretaker/relative, the county staff will provide assistance in securing the needed evidence by advising how to obtain specific documents that may be available to him and by undertaking to obtain any specific documents the client is not able to obtain on his own.

(v) In exceptional cases where the applicant or recipient's claim is based on the anticipation of physical harm and he is unable to provide corroborative evidence to support the claim because none is available, the caretaker/relative must assume the burden for establishing the credibility of the claim without the required evidence, as well as explaining why no evidence is available. In these situations, the county staff will conduct an investigation of the claim, the results of which should verify the credibility of the client. If the caretaker/relative's statement and the investigation which is conducted satisfies the county staff that the client does have good cause for refusing to cooperate, the claim will be considered as valid without corroborative evidence. The basis for this decision which is subject to supervisory review and approval, will be recorded in the case record.

(vi) In cases where the caretaker/relative's statement of the circumstances, together with the corroborative evidence supplied do not provide sufficient basis for making a determination, the county staff may find it necessary to conduct an investigation of the claim in order to determine whether good cause does, or does not exist. If an

investigation is deemed necessary, the caretaker/relative will be required to provide the county staff with sufficient information, such as, name and address of the putative father or absent parent, if known, to permit the investigation. However, the absent parent or putative father will not be contacted unless determined to be necessary to establish the good cause claim of the caretaker/relative. The county staff will notify the caretaker/relative prior to making contact with the absent parent or putative father to enable him to present additional corroborative evidence or information so that the contact becomes unnecessary, withdraw the application for assistance, have the case closed, or have the good cause claim denied with the right to appeal and a fair hearing as provided under Chapter 275 (relating to appeal and fair hearing and administrative disqualification hearings).

(4) *Determining good cause for refusing to cooperate.* In cases where the applicant or recipient caretaker/ relative initiates a claim of good cause as an exception to cooperation requirements, the County staff will make a finding as to whether good cause exists. This finding will be based on the corroborative evidence supplied by the client and the investigation if deemed necessary. The good cause determination will be made on a case-by-case basis and the final decision requires a subjective judgment on the part of the County staff. The decision will be based on the weight, sufficiency, and quality of the gathered evidence.

(i) The County staff will make a determination as to whether or not good cause exists within a time frame of 45 days from the day the good cause claim was initiated by the caretaker/relative. If additional time is needed to verify the client's claim because the information required cannot be obtained within the 45-day time frame, or the client did not provide corroborative evidence within the period required as set forth in paragraph (3)(iii), the worker will record this information in the case record.

(ii) In situations where investigation of a good cause claim is necessary, the determination will be based on any verifying information secured that will corroborate the statements of the applicant/caretaker/relative regarding the circumstances. The good cause circumstance must be confirmed by the investigation and supported, to the extent possible, by written statements.

(iii) In determining good cause based on physical or emotional harm to the parent, the circumstances must be of a serious nature that they would reduce the capacity of the applicant/caretaker/relative to care for the child or children adequately. In situations where the good cause claim is based solely on anticipation of emotional harm to the child or caretaker/relative, the corroborative or documentary evidence provided by the client to support this claim should indicate the emotional health history of the caretaker/relative or the child, the present emotional health status, the intensity and probable duration of the emotional

impairment. Supportive evidence submitted from a mental health professional shall be defined as statements written by persons who have obtained licensure or certification, if applicable, or have received a degree in defined areas of mental health including, but not limited to, psychiatry, social work, psychology, nursing, occupational therapy, or recreational therapy. In making the good cause determination, the County staff will evaluate the evidence in relation to the degree of cooperation that will be required of the caretaker/relative as well as the extent to which the client will be involved in the support activity.

(iv) In the process of making a final determination of whether good cause does or does not exist, county staff will give the Child Support Unit the opportunity to review and comment on its findings and the basis for the decision proposed. Recommendations subsequently received from the Child Support Unit will be considered when making the final determination. The Child Support Unit will be subsequently notified of the final decision made on each case. Form PA 173-GC will be used for the interchange of information between County staff and the Child Support Unit.

(v) In a case where a claim of good cause has been initiated by the caretaker/relative, prior to making a final determination within the allotted 45-day time frame, the county staff will complete, in duplicate, the Form PA 173-GC good cause determination notice, indicating the proposed decision and basis for the decision. The Form PA 173-GC will

be signed and dated by the worker and the original transmitted to the Child Support Unit for their review and recommendations. The Child Support Unit will subsequently be notified via the Form PA 173-GC, of the final decision made in a case as to whether or not the caretaker/relative has good cause for refusing to cooperate. If the caretaker/relative feels that the decision made is unfair, discriminatory or incorrect, he has the right to appeal and a fair hearing, as provided under Chapter 275. The Child Support Unit will be given the opportunity to participate in a hearing resulting from the appeal of the caretaker/relative.

(vi) In those cases where a finding of good cause has been made, the Child Support Unit will not attempt to establish paternity nor collect support. The caretaker/relative will be notified in writing of the final determination as to whether good cause does or does not exist, including basis for the determination, and the worker will record the decision and supporting evidence.

(vii) In cases where a claim for good cause is initiated by the caretaker/relative after the initial support referral has been made, the County Assistance Office will promptly notify the Child Support Unit, via memorandum, that a determination is pending to ensure that all support and paternity activities are suspended until notification of a final determination.

(viii) In cases where a finding of good cause was based on a circumstance that is subject to change, the decision will be reviewed by county staff at the time of a redetermination of eligibility. If it is determined that the circumstances have changed and good cause no longer exists, cooperation requirements as set forth under paragraph (2) become applicable.

(ix) A statistical reporting form, SSA-4681, Case Report on Claims of Good Cause for Refusing to Cooperate in Establishing Paternity and Securing Support, will be used by the counties for reporting specific data required by the Department, relating to good cause claims. For a good cause claim, the county staff will complete a SSA-4681, in triplicate, and transmit the original and first copy of each form to the Department's Research and Statistical Unit at the end of each month. The second copy of the SSA-4681 will be retained in the case record or clerical control file.

(5) *Responsibilities of the County Assistance Office.*

Except in those cases where a claim for good cause is pending or has been established, if the caretaker/relative fails to cooperate with the Domestic Relations Section or the Child Support Unit with regard to any one of the support activities specified in paragraph (2), the Child Support Unit will notify the County Assistance Office via memorandum.

(i) Upon receipt of the notification, the County Assistance Office will send a Form PA 162-A to the caretaker/relative proposing action to remove the caretaker/relative from the grant and establishing protective payment for the child or children by reason of failure to comply with cooperation requirements. The caretaker/relative subsequently will have the opportunity to take whatever action is required to establish continuing eligibility or appeal the decision, as set forth in §133.4 (relating to procedures).

(ii) The CAO worker will be responsible for informing the caretaker/relative that the keeping of scheduled appointments with the DRS for interview with a Support Official is a condition of eligibility and that failure to comply will necessitate adverse action under subparagraph (i) in the case.

(6) *Responsibilities of the Domestic Relations Section.*

The Domestic Relations Section of the court in a county has been designated as the Child Support Unit Intake Office to process requests for support. Responsibilities of the DRS in this regard will include the following:

(i) Conducting initial support interviews.

(ii) Filing petitions for support.

(iii) Conducting prehearing conferences to determine special needs that may exist, such as health problems, doctor bills and the like.

(iv) Initiating location activity on a local level.

(v) Conducting prehearing conferences with client and defendant for possible reconciliation or settlement out of court.]

187.24. [Procedures.

(a) *General.* For GA cases, the findings of the Department on the ability of the spouse to support will be exclusively for the purpose of determining need for assistance. When, under the standards of the Department, the spouse appears able to support, the result is termed an

expected contribution. However, the court alone will have the authority to order an LRR to support his dependents and it will always be the right of the client to ask the court to decide how much support the spouse must give.

(b) *AFDC referral to Domestic Relations Section.* For AFDC applicants, when the eligibility of a child is based on continued absence of a parent from the home, referral to the DRS will be made in accordance with the following:

(1) *General.* General procedures for referral to DRS will be as follows:

(i) Prior to the application interview, the caretaker/relative will be referred, with the Application for Support Services form, to the local County Domestic Relations Section. See §187.23(a)(1)(ii) (relating to requirements) for exceptions to this requirement.

(ii) The CAO worker preparing the Application for Support Services form will be responsible for informing the caretaker/relative of the referral requirements prior to the application interview. The Application for Support Services form shall be completed by a DRS official and returned to the CAO as verification of DRS action taken.

(iii) At the time of the support interview, the caretaker/relative will be required to cooperate by providing all known information necessary for identification and location of the absent parent as well as by providing all known information regarding the circumstances of the absent parent, as set forth in §187.23(a)(2)(i)(A).

The Support Liaison Agent will be responsible for updating the information contained in the Claim Settlement Central Registry files as set forth in §153.44(b)(2)(ii) (relating to procedures).

(2) *Application for Support Services form.* The Application for Support Services form will be in accordance with the following:

(D) [Reserved].

(iii) In cases where the caretaker/relative initiates a claim for good cause under §141.21(d)(2)(i) (relating to policy) and a determination is pending, a referral will not be made to the DRS. Following the application interview, the form will be processed as applicable to the case situation.

(c) *Referral of nonassistance persons.* Under provisions of the Child Support Program, support collection and paternity determination services will also be made available to nonassistance persons upon request. (A) They are without income of their own.

(B) The spouse requests their income be added to his income.

(iii) The amount the spouse is paying for the support of his minor child or children outside his home will be deducted from the total arrived at in subparagraph (ii).

(iv) The appropriate figure from the following income scale will be selected and subtracted from the total net income:

| Net Monthly Income | \$173 | \$260 | \$317 | \$373 | \$423 | \$459 | Add \$54 |

(v) $\frac{1}{2}$ will be applied to the remainder.

(vi) The expected contribution will be the resulting figure or the total allowance for the client, whichever is the lesser.

(2) The total allowance for the client will be the difference between the family size allowance with the client in the assistance unit, excluding special needs allowances, and what the allowance would be if the client were not included in the assistance unit.

(f) *Waiver of an expected contribution.* An expected contribution will be waived as follows:

(1) When a spouse has been determined able to contribute according to subsection (e)(1), the expected contribution may be waived by the Executive Director or his delegate when it appears unsound, unreasonable, or impracticable to expect the spouse to make the determined contribution.

(2) In evaluating whether it is unsound, unreasonable or impracticable to expect the spouse to make the determined contribution, the Executive Director or his delegate will take into consideration circumstances such as but not limited to the following:

(i) The spouse has a medically diagnosed physical or psychological condition that warrants waiver.

(ii) The spouse is already providing support by order of the court to another person that is in an amount as to cause hardship for the spouse if also required to support the client.

(iii) The spouse has legitimate financial obligations, such as high medical bills or heavy loss because of major disaster, that would prohibit him from meeting the expected contribution.

(iv) The spouse is mentally or emotionally unstable to such a degree that further efforts to secure the expected contribution would expose the client to danger or injury.

(3) A waiver will be made for a special period related to the circumstances of the spouse. The period will usually be no longer than 6 months and never more than 1 year without reconsideration.

(g) *GA Spouse or GA Parent Found able to contribute under §183.91 and 183.92.* The following apply:

(1) When it has been determined under subsections (e) and (f) that a spouse or parent is financially able to provide support, the client is expected to either contact the spouse or parent directly to arrange for the amount of the expected contribution or to give consent for the CAO to contact the spouse or parent. If the expected contribution from the spouse or parent is secured, it shall become available to the client. Court action is required in accordance with the procedures in subsection (h) in the following cases:

(i) The total amount of the expected contribution is not secured.

(ii) The client is unwilling to contact the spouse or parent directly and objects to the Department contacting the spouse or parent.

(h) *Court action.* Court action procedures will conform with the following:

(1) *General.*

(i) Court action for support by either Claim Settlement or client will be required whenever one of the following circumstances exists:

(A) Information about the financial circumstances of the spouse cannot be obtained as set forth in §187.23(b)(2).

(C) [Reserved].

(D) [Reserved].

(ii) The client will be expected to take court action within 30 days from the date of the decision that the spouse is expected to contribute. If at the end of the 30 days, the client has not initiated court action, the County Assistance Office will send a written notice to the client advising him that the Department will initiate the legal action to obtain support. This notice will advise the client that the legal proceedings will begin ten calendar days from the date of the notice unless the client either:

(A) Initiates the action himself within the 10-day period.

(B) Requests assistance be discontinued.

(iii) If, within the specified 10 calendar-day period, the client does not indicate he will take court action or request closure, the County Assistance Office will prepare and submit a Form PA 173-B, Referral for Support Action, according to paragraph (2).

(iv) Whenever court action for support is indicated and the spouse lives in another state, reference should be made to for support duties imposed by the laws of the other state. If the information shows that support duties are not imposed on the spouse in that state, court action will not be required.

(2) *Referral to claim settlement.* For GA spousal support cases, the Referral for Support Action will be used to initiate Departmental court action for support. The form will be prepared in duplicate. The original of the completed form will be sent to the Claim Settlement Office. The copy will be retained in the case record. The form will be submitted as soon as the information has been received and the decision made as to the need for support action. A Referral for Support Action must always be made in the following situations:

(3) *Responsibilities of claim settlement.* The responsibilities of the Bureau of Claim Settlement regarding support will be as follows:

(i) To represent the Department in all court actions on support.

(iv) When the Claim Settlement Office decides a court action is not warranted or advisable as set forth in paragraph (3), a memorandum giving the reasons will be sent to the County Assistance Office with a copy to the Director, Bureau of Policy.

(i) *Redetermination of ability to support (spouse for spouse).*

Redetermination of ability to support will be in accordance with the following:

(1) The financial circumstances of the spouse will be redetermined periodically, except in those situations where the following has been determined:

(i) The whereabouts of the spouse is unknown.

(ii) The earning capacity of the spouse is so limited that there is little or no likelihood of his ever having sufficient income to provide support. Work history, mental or physical handicaps, lack of skills, age related to capacity and skill, or addiction to alcohol or drugs are examples of the factors that might be taken into account in making this decision.

(iii) The spouse is a housewife without income whose homemaking responsibilities make employment **unlikely**.

(iv) The spouse is mentally or emotionally disturbed to the extent that his reactions would threaten or be injurious to the person for whom he is legally responsible.

(2) In the instances described in paragraph (1) (i)-(iii), further determinations of the financial ability of the spouse or further

efforts to locate a missing spouse will be made only if new information about the circumstances of the spouse or whereabouts comes to the attention of the County Office.

These allotments will be optional with the service person and may be discontinued whenever he wishes. The amounts will depend on the arrangements made by the service person.

(3) *Information on allowances and allotments other than Class Q.* If a client has been unable to obtain satisfactory adjustment of a problem through correspondence with the proper service department, the home service worker in the local Red Cross chapter may be able to assist the client by getting in touch, through proper channels, with the Red Cross Field Director at the duty station of the serviceman.
