Dear Mr. Slippey:

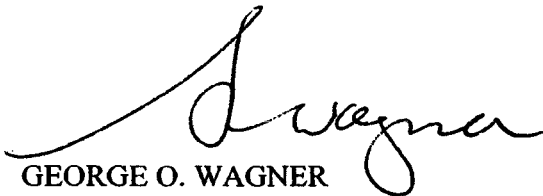

I read the proposed changes to Chapter 23 and I'm concerned about the deletion of the disorderly conduct and obscene or lewd acts prohibition section. I believe that's section 23.22.

I would assume that such prohibitions are covered in other sections of the Code. However, since only the deletions are printed in the bulletin, I can't verify that.

The point of this letter is to object to the deletion if there are not other provisions made to control such activity.

I realize the Crimes Code may cover such activity; however, a portion of the Crimes Code makes it much more difficult for park personnel, whereas, enforcement of regulations does more easily fall within their responsibility.

Sincerely,

GEORGE O. WAGNER
