Regulation No. 2-140
Department of Agriculture
Aquaculture Development Plan

On May 3, 2002, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Agriculture (Department). This rulemaking adds Chapter 106 to 7 Pa. Code. The proposed regulation was published in the May 18, 2002 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on November 4, 2002.

This regulation establishes Pennsylvania's Aquaculture Development Plan. Mandated by Act 94 of 1998, the regulation establishes seven programs designed to promote and encourage development of Pennsylvania's aquaculture industry.

We have determined this regulation is consistent with the statutory authority of the Department (3 Pa. C.S.A. §§ 4201 - 4223) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John R. McGinley, Jr., Chairman
