Regulation No. 16A-4913  
State Board of Medicine  
Biennial Renewal Fees

On May 22, 2002, the Independent Regulatory Review Commission (Commission) received this regulation from the State Board of Medicine (Board). This rulemaking amends 49 Pa. Code Chapter 16. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This regulation increases the biennial renewal fees for medical physicians from \$125 to \$360. The fee increase is necessary for the Board's revenues to meet expenditures as a result of the recently enacted Medical Care Availability and Reduction of Error Act (Act 13 of 2002). An estimated \$5.4 million dollars is required for the State Board of Osteopathic Medicine and the State Board of Medicine to process and review 7,000 to 8,000 cases annually.

We have determined this regulation is consistent with the statutory authority of the Board (63 P.S. § 422.6(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.

  
John R. McGinley, Jr., Chairman
