Dear Mr. Nyce:

My name is Chad Harvey and I am writing on behalf of the Modular Building Systems Association (MBSA). I am writing to express our support for IRRC 2282, Regulation 4-72 concerning the revisions to the Industrialized Housing Act that have been proffered by the Department of Community and Economic Development. These revisions concern Chapter 145 of Title 12 of the Pennsylvania Code and are scheduled to be reviewed at the IRRC meeting on August 26.

Our industry has had an opportunity to comment on the regulations and we approve of the proposed changes. Please do not hesitate to contact us if you require any additional information from the MBSA regarding our support for the new regulations.

Sincerely,

Chad C. Harvey  
Assistant Director, Government Affairs
