Dear Chairman McGinley:

Pursuant to Section 5.1(d) of Act 181 of 1982, known as the Regulatory Review Act, the House Education Committee held a meeting on September 4, 2002, to consider the State Board of Education's final-omitted rulemaking #6-278 (relating to high school graduation requirements). At the meeting, a majority of the Committee voted to approve final-omitted regulation as presented.

We appreciate the cooperation of the State Board and its staff, especially Jim Buckheit, as the Committee reviewed the regulation. If you have further questions as to the action of the Committee, please contact me.

Sincerely,
