Regulation No. 6-286  
State Board of Private Licensed Schools  
General Provisions

On June 10, 2003, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Private Licensed Schools (Board). This rulemaking amends 22 Pa. Code Chapter 73. The proposed regulation was published in the June 21, 2003 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 22, 2004.

This regulation deletes financial aid documentation from student record-keeping requirements, adds an attendance requirement for orientation seminars for those wishing to open a new school and adds a limitation of one program approval for each new school application fee. Approval of additional programs will be subject to additional fees, which are set forth in existing regulations.

We have determined this regulation is consistent with the statutory authority of the Board (24 P.S. § 6504(a)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.

  
John R. McGinley, Jr., Esq., Chairman
