Re: Final-Omitted Rulemaking – PA. Civil Service Commission
Regulation #61-5

Dear Mr. Nyce:

Members of the Senate State Government Committee have been afforded the opportunity to review and comment upon Final-Omitted Regulations from the Pennsylvania Civil Service Commission which would implement changes made to the Civil Service Act by Act 140 of 2002 and bring regulations governing civil service hearing procedures into conformity with current hearing practices.

Please be advised that, as of this date, I have no comments from the Committee members relative to these proposed regulations.

If you have any questions regarding these proposed regulations and the Committee review, please do not hesitate to contact Cynthia Thurston of my staff at 787-7428.

Sincerely

A handwritten signature in black ink, appearing to read "Charles D. Lemmond".
