Regulation No. 16A-5120
State Board of Nursing
Dietitian-Nutritionists

On February 2, 2005, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Nursing (Board). This rulemaking adds Subchapter G. *Dietitian-Nutritionists* to 49 Pa. Code Chapter 21. The proposed regulation was published in the February 12, 2005 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on February 23, 2006.

This regulation implements Act 99 of 2002 by establishing standards of practice for licensed dietitian-nutritionists. The regulation prescribes licensure requirements, standards for professional conduct, continuing education requirements and fees charged by the Board.

We have determined this regulation is consistent with the statutory authority of the Board (63 P.S. § 212.1(k)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John R. McGinley, Jr., Esq., Chairman
