RE: Typo in Regulation #16A-608 (IRRC #2471)

cc: Mary Jane Phelps, Legislative Reference Bureau
Robert A. Mulle, Esq., Office of Attorney General
Karen Dalton, Esq., Executive Director, House Professional Licensure Committee

During our review of the above regulation, we found a typographical error in Section 19.3, relating to applicability of general rules. Specifically, this section references 63 P.S. 818.2(d). The reference should be changed to 63 P.S. 818.8(d).

When you submit the regulation to the LRB, please ask them to make this change.
