Regulation No. 31-3
State Employees' Retirement Board
Preliminary Provisions

On August 18, 2005, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Employees' Retirement Board (Board). This rulemaking amends 4 Pa. Code Chapter 241. The proposed regulation was published in the September 3, 2005 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on March 9, 2006.

This regulation deletes the definition of "class of service multiplier." The definition is no longer needed based on changes in the benefit structure of the State Employees' Retirement System.

We have determined this regulation is consistent with the statutory authority of the Board (71 Pa. C.S. § 5902(h)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John R. McGinley, Jr., Esq., Chairman
