Dear Dr. Hummer,

I am asking for your support of the proposed changes to the Pennsylvania Code Title 49, Chapter 18, relating to physician assistants. As a consumer of health care, and having first hand knowledge and experience of the MD/PA team approach to delivering quality health care, these changes will only enhance accessibility and quality of care.

I have worked at Hershey Medical Center for many years. The proposed changes will improve the overall health care the citizens of Pennsylvania need and deserve.

I am very hopeful of your anticipated support.

Sincerely,

Nancy Kopashy
