Regulation No. 2-150 (#2513)
Department of Agriculture
Commercial Manure Hauler and Broker
Certification

On December 7, 2005, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Department of Agriculture. This rulemaking establishes amends 7 Pa. Code Chapter 130e. The proposed regulation was published in the December 17, 2005 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on November 2, 2006.

This regulation implements Act 49 of 2004 by establishing certification requirements for commercial manure haulers and commercial manure brokers in regulation.

We have determined this regulation is consistent with the statutory authority of the Department of Agriculture (3 P.S. §§2010.1 2010.12) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Arthur Coccodrilli, Acting Chairman
