APR 12 2006

TO: Members of the Environmental Quality Board
RE: Pennsylvania Clean Vehicles Program

I support the implementation of the PA Clean Vehicles Program and bringing cleaner cars to Pennsylvania. This program would help curb smog and global climate change pollution which poses public health and environmental threats to our citizens. PA has some of the worst air quality in the country and this program is an excellent first step in moving us towards a cleaner and safer place to live.

Sincerely,

Name Jesse Yankovich

Address 1007 Go ID View

APR 1 2 2006

TO: Members of the Environmental Quality Board
RE: Pennsylvania Clean Vehicles Program

All Pennsylvanians deserve clean air to breathe and want to do their part to make this possible, by reducing air pollution from their personal vehicles. Protecting human health, and saving money at the pump are top priorities for us. Please support the DEP's proposed changes to the PA Clean Vehicle Program so we can do our part.

Sincerely,

APR 12 2006

TO: Members of the Environmental Quality Board
RE: Pennsylvania Clean Vehicles Program

All Pennsylvanians deserve clean air to breathe and want to do their part to make this possible, by reducing air pollution from their personal vehicles. Protecting human health, and saving money at the pump are top priorities for us. Please support the DEP's proposed changes to the PA Clean Vehicle Program so we can do our part.

TO: Members of the Environmental Quality Board
RE: Pennsylvania Clean Vehicles Program

All Pennsylvanians deserve clean air to breathe and want to do their part to make this possible, by reducing air pollution from their personal vehicles. Protecting human health, and saving money at the pump are top priorities for us. Please support the DEP's proposed changes to the PA Clean Vehicle Program so we can do our part.

Sincerely,

RE: Pennsylvania Clean Vehicles Program

support the implementation of the PA Clean Vehicles Program and bringing cleaner cars to Pennsylvania. This program would help curb smog and global climate change pollution which poses public health and environmental threats to our citizens. PA has some of the worst air quality in the country and this program is an excellent first step in moving us towards a cleaner and safer place to live.

Pollution ruins environment as well
as it is a health hazard.
