Pennsylvania's Air, Health, Economy, and Consumer Choice by Implementing the Pennsylvania Clean Vehicles Program!

, the undersigned, fully support the proposed changes to the Pennsylvania Clean Vehicles Program that will make the program consistent with changes since 1998. Those changes include postponing compliance to model year 2008. We support implementing the program as soon as possible as proposed by the Pa. Dept. of Environmental Protection. This program is critical to our health, air quality, and consumer choice. The Clean Vehicles Program honors and protects God's sacred and irreplaceable gift of creation.

As a required field. We ask for your mailing address so that we can inform your state representatives of your stance on this program. Thank you!
