A new message has arrived from the IRRC Website

First Name: Debra
Last Name: Lawrence
Company: Tax Payer
Email: brainguru@aol.com
Subject: Child Care Facility Regulations

Message:
This message is to strongly urge your support of the Child Care Facility Regulations submitted for your approval. These regulations provide minimum safe guards for children who attend early childhood programs. These proposed regulations increase the health and safety requirements for young children and bring PA in line with other states. Please support these regulations at the hearing.
