RE: Support For Changes to PA Child Care Regulations

Dear

On behalf of the Pennsylvania School Age Child Care Alliance (PENNSACCA) Board, we are writing to support the following proposed changes. After review of the proposed regulation changes, the board supports the changes specific to School Age Child Care. The board agrees these changes will benefit the school age childcare field.

Again, we would like to announce the Penn SACCA support of the proposed regulation changes, The board recognizes the importance of regulations and the impact they have on the care provided to our children and their families.

Thank you for your time and thoughtful consideration to this matter:

Sincerely,

Robin Foltz Michelle Russell
