re: regulation number #14-506 (#2539)

Dear Members of the IRC:

I am writing in support of the proposed final-form regulations for Chapters 3270, 3280, 3290 and 3300, Child Care Facilities. These regulations are important for the health, safety and well being of all children in child care setting, regardless of for-profit or non-profit status.

As the Executive Director of a non-profit child development agency, I am in strong support of the final form regulations. Compliance with the regulations and a yearly certification visit by the Department of Public Welfare place no undue burden upon my program.

Sincerely,

Diana Dixon  
Executive Director
