INDEPENDENT REGULATORY
REVIEW COMMISSION

Dear Mr. Coccodrilli,

I am writing in support of DPW's final-form child care facility regulations submitted to the IRRC on March 10, 2008.

I have been involved in child care in Pennsylvania since 1980, the parent of two "graduates" of PA child care facilities and the aunt of another, I am very familiar with the current regulations, which were adopted in 1992. Numerous statements of policy have been issued since that time - the new regulations are important to bring regulation and practice into alignment. Furthermore, the proposed regulations reflect current research and knowledge of best practices - it is to the benefit of our children that these regulations be adopted. I urge you to approve the regulations so that they can take effect.

Sincerely,

Maureen Murphy
