Dear Ms. Lau:

As I discussed with you, I reiterate that for private schools the new reg. will be devastating. It is my apprehension that we will be losing public funding altogether for kindergarten students during school hours since they are no more pre-school. The after school funding will not be enough. When parents have to pay they will obviously send their to public schools. As far as transportation is concerned 5-year olds need supervision in the bus.  
Thanks,  
Mr. Bhattacharya
