Regulation No. 6-301 (#2543)
State Board of Education
Prekindergarten

On June 2, 2006, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Education (Board). This rulemaking amends 22 Pa. Code Chapters 4, 11 and 12. The proposed regulation was published in the June 17, 2006 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 17, 2006.

This final-form rulemaking amends existing regulations to establish standards and criteria for prekindergarten programs operated by school districts or community agencies under contract with school districts.

We have determined this regulation is consistent with the statutory authority of the Board (24 P.S. § 26-2603-B) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Alvin C. Bush, Chairman
