Subject: Support for Chapter 168 Child Care Regs

To Whom It May Concern,

As the Coordinator for the CCIS of Tioga County, I would like to express my support for regulation #14-505 (#2549) regarding Chapter 168 Child Care final-form regulation. As you know, this regulation involves the delegation of authority to the CCIS agencies to provide TANF, FS and GA child care, involves the use of a vendor pay system which pays providers rather than parents, and involves the alignment of child care policies consistent with those currently followed by the CCIS agencies.

Sincerely,

Daniel Dillman, Coordinator
CCIS of Tioga County
