Dear Mr. Jewett,

It is our understanding that regulation number #14-505 (#2549) allows the Department to delegate authority to the Child Care Information Services agencies to provide TANF, FS and GA child care, requires a vendor pay system which pays providers rather than parents and aligns child care policies consistent with those Child Care Information Services agencies currently follow.

This correspondence is to affirm Child Care Information Services of Bedford County's support for Chapter 168 Child Care final-form regulation number: #14-505 (#2549).

Sincerely,

Paula Steele
CCIS Director
Bedford County
