INDEPENDENT REGULATORY
REVIEW COMMISSION

October 16, 2006

To Whom It May Concern:

Northern Tier Community Action Corporation, Child Care Information Services of Cameron, Elk, McKean and Potter Counties supports the Regulation #14-505 (#2549), Child Care, Department of Public Welfare.

Child Care Information Services (CCIS) supports the Department of Public Welfare's commitment to promoting quality child care along with early care and education for Pennsylvania's families.

CCIS focuses on the needs of parents. CCIS maintains information of local child care facilities and other local community resources to aid families in obtaining and maintaining quality child care for their children.

The Unification of the subsidized child care program and the county assistance office's child care program will allow seamless child care for current and former clients of the county assistance office.

Sincerely,

Alice J. Schwab
CCIS Manager
