RE: Comments on Regulation No. 14-505

Dear Mr. Frein:

Delco Early Learning Center supports Regulation No. 14-505.

The changes primarily align the policies applicable to families served by the County Assistance Offices with those served by the Child Care Information Service agencies. In so doing they bring the two programs substantially closer to being one unified system of child care – a goal we have long worked toward.

These are common-sense systemic changes that will help parents receive the child care services that they need in a far more efficient way than under current regulations. United Way stands ready to work with the Commonwealth, parents, and child care providers, to help implement these changes.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads 'Doreen A. Yeremian'.

Doreen A. Yeremian
Executive Director
