INDEPENDENT REGULATORY  
REVIEW COMMISSION

Ms. Wojciechowski,

I would like to add one comment for the proposed regulations under the emergency exemption. The PARID board did not get to discuss this idea as we ran out of time, so I am submitting it from myself.

Note: Emergency rooms are in the business of providing care to those in unanticipated situations. Therefore, they should be expected to develop policies and procedures to ensure that the services of a registered interpreter are secured as soon as possible.

Thank you,  
Cindi Brown  
PA State Registered Interpreter
