Dear Ms. Bender:

This is to inform you that we have reviewed the proposed regulations to chapters 21, 23, 25 and 27 of 7 PA Code, Dog Law Enforcement, ID #2-152 (#2559), and have determined that the proposed regulations will not impose any additional burden on local governments. Although we do not have any concerns at this time, we are requesting that notice of the final version of this regulation be given to us so that we can be certain that any potential changes that may be made will have no impact on municipal governments.

We appreciate your cooperation.

Sincerely,

Elam M. Herr
