INDEPENDENT REGULATORY
REVIEW COMMISSION

Jan 9, 2007

Dear Ms Bender,

My name is Janet Miller,
3209 Menoken Blvd.; Johnstown
Pa. 15105. I am involved
in a kennel assoc and also
own a dog.

I am writing to comment on
the proposed amendments to the
Penna dog law regulations issued
on Dec 16, 2006. I believe that
unhuman and substandard
~~kennel~~ kennel conditions should
not be tolerated, but I do not

Agree that most of the proposed
regulatory changes are needed
or would have a beneficial
out come of adopted. Many
are impractical, unnecessarily
burdensome, and costly,
unnecessary and will not improve
the quality of life for the dog in
these kennels. I believe that
the small breeder & dog owner
who maintain their dog in
their home, but are increasingly
for dogs, who care & conditions
are far better to those required
by the proposed new standards,
would be unable to comply with
proposed commercial kennel standards
by having to have separate area
of raising & upkeep & better purposes

TAKIN' IT EASY

What I don't understand
is why they don't enforce
the rules they already have.
There still is inhuman treatment
of dogs going on already in
today's society. The current
proposal appears to a laundry list
for improving the living conditions
of dogs, which the welfare of dogs
couldn't be seen. I urge this
proposal be withdrawn.

Sincerely yours
Janet Miller
