Dear Ms. Bender,

My name is Barbara Barlow.  
I live at 751 Green Valley Rd Aleppo, Pa.  
I'm a kennel owner.

Already for the pasted few  
year I have been raising dogs. I  
spend 7 days a week 365 days a  
year cleaning, bathing + going to  
the vet just so my dogs are health,  
clean, well feed, warm and happy.

From the time I wake-up  
till the time I go to bed its clean,  
clean and clean. My record our  
kept up to date and we already  
obey by the laws.

I have two inspections  
a year from the Dog Law Enforcement.  
If he says something needs changed  
we do it. If we have to build bigger  
we do it. All for the love of our  
dogs. But if this new laws are  
pasted it going to take alot of time  
and money.

People that have kennels  
and boarding kennels are already taking  
there time and money to improve. The  
can't afford anymore changes.

Bar

Sincerely,  
Barbara Barlow  
kennel owner
