Dear Chairman Coccodrilli,

I am writing in response to the proposed amendments to the Dog Law Act 225 which was issued on December 16, 2006.

With a full understanding that the bureau is trying to improve substandard kennel conditions, I am not in agreement that most of the changes are necessary.

The proposed record keeping would require me to write down the date and time I washed each food and water bowl, every time a pen is cleaned; each individual outside run is cleaned, etc. It would be better for me to have my general daily procedures that I routinely follow, in writing. This is similar to how the USDA regulations are worded.

The proposed changes would also require the demolition of Pennsylvania's licensed and inspected kennels. Yet, there is no scientific basis for the change. In addition, the average cost to rebuild kennel will be between \$30,000.00 and \$500,000.00 each.

I sincerely urge that this proposal be withdrawn, as the beneficial outcome will be in question if the proposal is adopted.

Yours truly,

Pete Mays
